

5th October, 2023

Dear Parents and Carers,

Re: Year 6 Residential Visit - Kingswood Grosvenor House, Ashford 1st – 3rd November, 2024

We are delighted to be able to offer our current Year 5 pupils the opportunity to attend a weekend residential when they move into Year 6.

In November 2024 we propose to take pupils to Kingwood's Grosvenor House. The pupils will spend an action-packed weekend at the centre in Ashford. This will involve a range of adventurous daytime activities which could include; climbing, zip wire, team building and crate challenge and fun evening activities. Pupils will receive all of their meals whilst at the centre, which are of a high quality with a range of options suitable for all dietary requirements.

The pupils will depart from the academy at lunchtime on **Friday 1st November, 2024** and be transported by coach to Kingswood, Ashford. They will spend the weekend at the centre before returning to the academy in the afternoon of **Sunday 3rd November, 2024**.

The visit will cost approximately **£125.00**. This will be payable in instalments. An initial deposit of **£5.00** will be required by Monday 30th October, to secure your child's place.

Full details and cost will be advised once we have the final numbers and transport costs can be calculated. The event will then be set up on ParentPay and a further letter will be issued with details of the instalment dates. The visit is not part of the curriculum and therefore, as an optional visit, there will be no deduction in costs for any pupils.

In order to calculate total costs, we need to gauge interest for the visit. If your child would like to attend, please register their interest at contact@thebairdprimaryacademy.org.uk - please provide your child's name and class with 'Year 6 November residential' in the subject line. **Deadline to register is Friday 13th October.**

We believe these visits are hugely beneficial to pupils and hope that you will support us with this venture.

Yours sincerely,

Miss C Sales
PA to Principal
