Advertising & Sponsorship

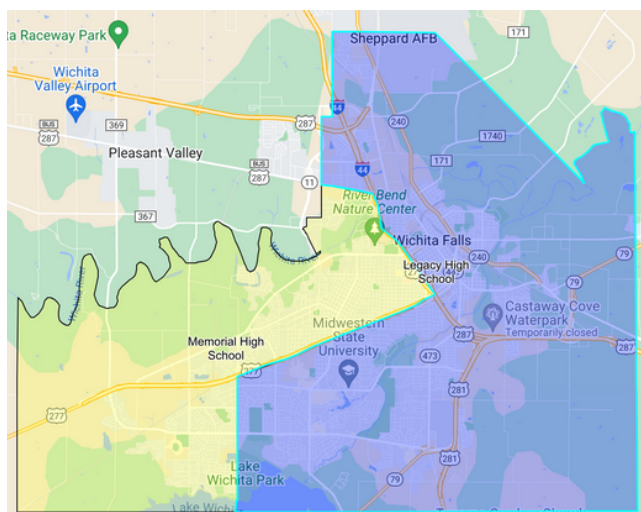

Community collaboration and support to help drive student success

Wichita Falls ISD is surrounded by an incredibly supportive business community. Our students benefit greatly from the support and involvement of our community partners. Our business partners equally comment about the benefits of partnering with our schools.

We have designed a number of partnership opportunities tailored to fit various needs and budgets. These sponsorships provide highly visible messaging options to promote your business to thousands of potential customers across our school district community.

About WFISD

Wichita Falls ISD is the largest school district of the 38 public school districts located in North Texas and serves over 13,000 students in Pre-K through 12th grade.

WFISD by the Numbers

13,000	Students, Pre-K-12th grade. 23-24 Enrollment
