

Hello CHA Families,

My name is Bob Rees. I'm honored to be your child's music teacher, and I'm excited about all the wonderful music we'll be creating, sharing, and performing this year. I believe every child is capable of being an outstanding musician. In the music classroom, your child will learn to express something of themselves through creativity, diversity, and teamwork. Whether it be a simple circle game, a choral performance, playing instruments, or a composition assignment, the music classroom provides an opportunity for students to fully realize the benefits of working together and to discover a creative spark that will set a lifetime love of learning in motion.

I look forward to partnering with you and working with your child. Please feel free to reach out to me anytime with ideas, concerns, and questions.

Thank you!
