

GLENDALE-RIVER HILLS SCHOOL DISTRICT

EQUITY COMMITTEE

As the Equity Committee enters our 2nd year, we will build on the momentum from our first year's work of creating the District Equity Lens and Equity Non-Negotiables, which were school board approved and adopted as guiding documents for the district.

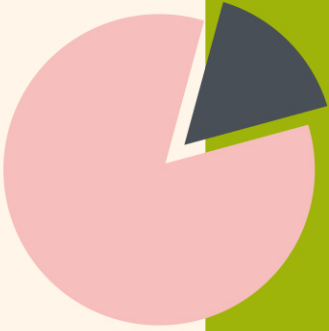

EDUCATIONAL EQUITY

Educational Equity is the intentional allocation of resources, instruction, and opportunities according to need, requiring that discriminatory practices, prejudices, and beliefs be identified and eradicated.

BRING YOUR SKILLSET

We are open to all community members, families, and staff in the District. This team's unique strengths and skills will inform our work this year. There are many ways to be involved: attend any of our committee's open meetings, join the committee, or share your idea of how you would like to get involved if these committee meeting days/times do not work for you.
