WHAT WE BELIEVE

An integral part of the Olentangy classroom involves leveraging the use of digital tools to foster an environment that empowers learners to flourish in the classroom and beyond.

The Olentangy classroom leverages digital tools to:

- Engage, enhance, extend, and uncover the curriculum
- Create conditions for student agency
- Provide learners opportunities to demonstrate understanding through choice and reflection
- Foster an inclusive community of learners

HOW TO ACCESS MYOLSD

We recommend bookmarking the web address below on personal computers or tablets. MyOLSD can also be accessed from the district website under the student menu.

DIGITAL RESOURCES OVERVIEW

STUDENT DIGITAL RESOURCES

To facilitate maximum learning for every student, the district, teachers, parents, and students must be connected. Digital resources are an integral part of that connection and assist in the learning process. [This district resource list](#) provides district-wide applications each grade can access, and the usage of these resources may vary by school, grade, and teacher. If you have any questions, please contact your child's teacher.

SCHOOLGY

Schoology /skoo.luh.jee/—Olentangy uses to create engaging content, design lessons, and assess student understanding.
