ABOUT OUR ARTIST

Clement J. Renzi loved his family, Central California, and the art of sculpting. A Visalia native and graduate of the University of California, Berkeley, he studied in Vienna at the Academy of Applied Arts, under Franz Knezl. From Vienna, the casting of bronze sculptures took Renzi to Italy, Spain, and Mexico. He was especially fortunate to use the foundry of Lester Harry, a Central Valley bronze caster. Clement passed away on December 1, 2009 at the age of 84. Renzi's final work is a life-sized, three-figure sculpture titled "Commencement" that was installed in 2011 and adorns the entryway to the Merced County Office of Education.
