

LEOPARD NEWS

The official newsletter of Louisville High School

Message from Mr. Tausch

Dear Louisville Families,

I hope this message finds you well as we start the month of October. I wanted to take a moment to provide you with some important updates and insights from our high school community.

First and foremost, the first nine weeks will be coming to an end later this month. I encourage everyone to keep your eye on the ball and finish the first nine weeks strong.

Next, we continue to encourage family involvement in our Louisville Community Academy. There are some very interesting and creative classes being offered in October. Please refer to the last page of this newsletter with more information concerning classes being offered by the LCA.

Furthermore, our fall Sports programs will begin to wrap up their regular seasons. As postseason tournaments begin, we eagerly anticipate watching and supporting our student-athletes as they prepare to conclude their seasons with distinction.

I appreciate your ongoing support and partnership which continues to make Louisville High School and our community thrive. If you have any questions, concerns, or suggestions, please do not hesitate to reach out to me or our dedicated staff.

Wishing all of you a wonderful October. Go Leps!

Substitute Levy - Issue 34

Chromebooks

A friendly reminder: Your school-issued Chromebook should always be kept in its protective case. Lately, we've noticed an increase in Chromebook repairs, and many of these issues can be traced back to not using the protective case. Ensuring your Chromebook is securely housed in its case not only safeguards it from potential damage, but also helps maintain its performance. Let's work together to keep our devices in top condition. Thank you for your cooperation!
