

Greenville Independent School District

Greenville High School

2022-2023 Campus Improvement Plan

Accountability Rating: C

Distinction Designations:

Academic Achievement in English Language Arts/Reading
Academic Achievement in Science

Public Presentation Date: October 25, 2022

Mission Statement

GHS: The mission of Greenville High School is to provide exemplary education to a diverse group of students through leadership, excellence in teaching, and student participation with the support and involvement of the home and community.

District: Our united GISD community strives to prepare, inspire, and empower every student to lead a successful life.

Vision

We educate today...you succeed tomorrow!

Core Beliefs

We believe every student deserves to be in a safe environment while receiving a broad-based education in preparation for life and work.

- *We will maintain on each GISD campus, a safe and disciplined environment conducive to student learning and employee effectiveness.*

We believe all children can and will reach their full educational potential when given the necessary tools, direction, and support.

- *We will ensure that all children leave GISD with a strong educational foundation which will allow them to pursue their goals and dreams regardless of personal circumstance, economic status, or learning challenges. This will be facilitated through the equitable allocation of resources and utilization of personalized education plans.*

We believe our exceptional staff is the most important resource serving the students of our district.

- ***We will actively recruit, support, develop, and maintain highly qualified employees who have character and competencies for all areas of the organization. The district will develop an attractive and competitive career package that will establish GISD as a preferred employer.***

We believe GISD is accountable to all stakeholders through the success of our students and staff.

- ***We will continually strive toward achieving the highest accountability ratings established by the Texas Education Agency and will foster the development of leadership skills which will allow our students to become successful and productive citizens.***

We believe GISD is accountable to all stakeholders through the efficient use of our resources.

- ***We will maintain fiscal responsibility in all district management decisions. We will implement our long-range strategic plan to ensure that improvements in school and support facilities are developed in a timely, functional, and cost-effective manner. We will maintain existing facilities to support the safety, comfort, and educational well-being of all those in our district. We will communicate with open, honest, transparency of the financial needs of the district with the broader community.***

We believe partnerships with the larger community are vital to a vibrant and exceptional educational system, and that maintaining effective communication is critical to maintaining these relationships.

- ***We will maintain accurate, consistent, timely, and interactive communication between district employees, students, parents, and the community at large. The district will provide for family and community involvement that results in positive partnerships reflecting a willingness to work with the district and to share responsibility at various levels for the education of our students.***

Demographics	6
Student Achievement	7
School Culture and Climate	9
Staff Quality, Recruitment, and Retention	10
Curriculum, Instruction, and Assessment	11
Parent and Community Engagement	12
School Context and Organization	13
Technology	14
Priority Problem Statements	15
Comprehensive Needs Assessment Data Documentation	17
Goals	19
Goal 1: Greenville High School will continue to strive toward achieving the highest accountability rating established by the Texas Education Agency.	20
Goal 2: Greenville High School will maintain a safe and disciplined environment conducive to student learning and employee effectiveness.	29
Goal 3: Greenville High School will actively recruit, support, develop, and retain highly qualified employees for all areas of the organization.	32
Goal 4: Greenville High School will develop and implement a long-range financial plan that results in the most effective mix of educational and financial resources available while attaining the long-range goals and objectives of the district. (Resulting in improved Student Achievement)	34
Goal 5: Communication among the Greenville High School employees, students, parents and the community at-large will be accurate, consistent, timely, effective and interactive. Greenville High School will provide for family and community involvement that results in positive partnership. Partnership means a willingness to do, to give, and to work with GHS and share responsibility at various levels of involvement for the education of our students.	36

Comprehensive Needs Assessment

Needs Assessment Overview

Needs Assessment Overview Summary

The following data were used to verify the comprehensive needs assessment analysis:

Improvement Planning Data

- District goals

Accountability Data

- Texas Academic Performance Report (TAPR) data
- Student Achievement Domain
- Student Progress Domain
- Closing the Gaps Domain
- Comprehensive, Targeted, and/or Additional Targeted Support Identification data
- Accountability Distinction Designations
- Federal Report Card Data

Student Data: Assessments

- State and federally required assessment information
- (STAAR) current and longitudinal results, including all versions
- STAAR End-of-Course current and longitudinal results, including all versions
- STAAR released test questions
- Advanced Placement (AP) and/or International Baccalaureate (IB) assessment data
- SAT and/or ACT assessment data
- PSAT
- SSI: Apex Learning accelerated reading assessment data for English I and II (TEA approved statewide license)
- Local benchmark or common assessments data
- Observation Survey results

Student Data: Student Groups

- Race and ethnicity data, including number of students, academic achievement, discipline, attendance, and progress
- Special programs data, including number of students, academic achievement, discipline, attendance, and progress
- Male / Female performance, progress, and participation data
- Special education/non-special education population including discipline, progress and participation data
- STEM/STEAM data
- Section 504 data
- Gifted and talented data

- Dyslexia Data
- Response to Intervention (RtI) student achievement data

Student Data: Behavior and Other Indicators

- Completion rates and/or graduation rates data
- Annual dropout rate data
- Attendance data
- Mobility rate, including longitudinal data
- Discipline records
- Violence and/or violence prevention records
- Student surveys and/or other feedback
- Class size averages by grade and subject
- School safety data

Employee Data

- Professional learning communities (PLC) data
- Staff surveys and/or other feedback
- Teacher/Student Ratio
- State certified and high quality staff data
- Professional development needs assessment data
- Evaluation(s) of professional development implementation and impact
- TTESS data

Parent/Community Data

- Parent surveys and/or other feedback
- Community surveys and/or other feedback

Support Systems and Other Data

- Communications data

Demographics

Demographics Summary

Greenville High School serves approximately 1,500 students in grades 9-12. The demographic breakdown for the campus is as follows: 16% African American, 46% Hispanic, 29% White. 75% of students are economically disadvantaged, and 25% are identified as Limited English Proficient. 14% of GHS students are served in special education programs for students with disabilities, 11% of students are in the gifted and talented program, and 6.2% of students receive instruction in the English as a Second Language (ESL) program.

Demographics Strengths

Greenville ISD students can take advantage of numerous educational offerings including extracurricular activities. The regular education program is supplemented by programs that cater to those with individual needs, including special education, deaf education and speech therapy. Gifted and Talented (G/T) students in grades K-6 are served on their home campus.

In addition to the core academic program of instruction, Greenville ISD offers a wide range of enrichment programs for students across the district: Suzuki Strings, Destination Imagination, Advanced Academics, Robotics, UIL Academics, Greenville High School STEM Academy, Junior ROTC, Dual Credit offerings through a partnership with Paris Junior College, and a self-paced Alternative High School. The Texas ACE Program provides extended day activities at Bowie, Lamar, Crockett, Travis, Sixth Grade Center, Greenville Middle School and Greenville High School. The program also provides Summer Enrichment Camps for students.

STAFF: GISD continues to have 100% compliance with state requirements for certification. The GISD staff training calendar and content are reviewed by the Education Improvement Committee. Campus Improvement Committees review content for individual campus training plans designed annually through the Needs Assessment process

Problem Statements Identifying Demographics Needs

Problem Statement 1 (Prioritized): GHS has significant gaps in performance of African American students compared to other district sub-populations. **Root Cause:** Lack of differentiation and targeted instruction for each student's skill gap.

Student Achievement

Student Achievement Summary

EOC Scores:

English 1 scores at "approaches" dropped in 2022 by 64% to 63%. However, "meets" scores went up from 44% to 48%

English 2 scores at "approaches" dropped in 2022 from 64% to 63%. The 2021-2022 progress measure showed 59% of eligible students showed expected or accelerated growth.

Algebra 1 scores at "approaches" rose from 39% to 46% in 2022, while "meets" scores rose from 10% to 12%.

Biology scores at "approaches" rose from 65% to 74% in 2022, while "meets" scores also rose from 32% to 48%.

US History scores at "approaches" rose from 75% to 85% in 2022, while "meets" scores rose from 51% to 60%.

CTE certifications:

Certifications were earned in entrepreneurship and cosmetology

Reading	61%	60%
Math	58%	58%
Science	70%	64%
Social Studies	83%	66%

Reading	42%	37%
Math	18%	24%
Science	39%	33%
Social Studies	55%	37%

* Indicates results are masked due to small numbers to protect student confidentiality

AP/Advanced courses:

Increased number of African American and Hispanic students enrolled in advanced courses.

Student Achievement Strengths

Last year the campus focused on disparities among African American students compared to other student populations. The campus saw a 7% increase in African American students reaching "approaches" in English 1 for 2022 compared to 2021 school year. In Algebra that growth increased from 14% in 2021 to 42% in 2022. African American students also increased 9% for "approaches" in Biology and nearly 20% in US History.

In working on differentiated instruction, increases for English Language Learners and Hispanic students grew by nearly 20% in US History, Biology and English 2.

Problem Statements Identifying Student Achievement Needs

Problem Statement 1 (Prioritized): ELA scores have been stagnant and have been lower than expected for the previous 3-5 years. **Root Cause:** Instructional practices have not been addressed appropriately with teachers.

Problem Statement 2: GHS scored lower than expected in CCMR. **Root Cause:** Understanding of the CMMR component in state accountability.

School Culture and Climate

School Culture and Climate Summary

GHS works very hard to promote a positive school climate that encourages the development of responsible behavior, positive self-esteem, and respect for others. GHS also is working to increase student achievement and maximizing learning for all students through advanced opportunities. The GHS Staff works to build positive relationships with all students.

Students choose from vibrant program offerings. Destination Imagination, Suzuki Strings, athletics, media tech, solar car courses, and any of our 50+ dual credit courses are showcased on GISD transcripts. Class schedules are reflective of interactive opportunities designed to develop the whole child. Culinary Arts, Cosmetology, Auto Body Shop, Fine Arts, Suzuki Strings, Horticulture, Vocational Agriculture, Naval ROTC, and Robotics classes teach more than ABCs. The district also offers a Pathways in Technology Early College High School (P-TECH). This program allows students to choose a pathway and take courses that provide the academic, technical, and workplace skills that are attractive to employers. They offer fundamental and sustainable trades and skills, deeper understandings of nuts, bolts and baking. They ensure our students have a lifelong passion for learning, assist in directing their future, and help students discover skills that will drive them to prosperity.

Greenville HS is rich in spirit, tradition and community. The renowned Flaming Flashes pioneered their trade in the 1930's and our world winning robotics teams are revered nationwide. Booster clubs and Parent Teacher Associations garner additional support, and businesses in the area give freely of time and resources.

School Culture and Climate Strengths

The number of students taking Pre-AP and AP courses as well as the Dual Credit courses offered at GHS is increasing. Our goal is to have all student college ready as well as career ready. We have systems in place to address career needs for our students. Our Career & College Adviser will work with students individually and as a group on applying for colleges, trade school, jobs as well financial aide issues. We are striving to build positive relationships with our students.

Greenville HS has developed a positive culture and climate where students, parents, and community stakeholders are valued and can contribute to the success of our school. The spirit of tradition and partnership with the community around us is shared throughout our campus. Greenville HS continues to provide a safe learning environment in which our students thrive.

Problem Statements Identifying School Culture and Climate Needs

Problem Statement 1 (Prioritized): Low enrollment of African American, Hispanic, and Economically Disadvantaged students taking higher level (Honors or above) classes. **Root Cause:** Many students do not choose these classes or are unaware that these classes are possibilities for them. Communication about these classes and their associated programs has not been as clear.

Staff Quality, Recruitment, and Retention

Staff Quality, Recruitment, and Retention Summary

We lost a number of staff to retirement and promotion at GHS. In the summer of 2022 we had to replace 29 teachers. The main reason that most teachers changed jobs was for higher salary opportunities and being closer to family. The quality of our staff is exceptional. Teachers new to the profession will participate in a campus based mentoring program.

Staff Quality, Recruitment, and Retention Strengths

All students will be taught by highly qualified teachers and the teachers will receive ongoing high quality professional development throughout the year. We have implemented the IGNITE PLC process to improve instruction. Our PLCs are meeting on a more regular basis and developing more engaging lesson plans. Career and Technology teachers also participated in engaging lesson design to support core content areas. Instructional strategists, principals, and teachers will share ideas, instructional techniques, and data to improve the academic performance of the GHS students. We also have Wednesday afternoon Professional Development during the year.

Problem Statements Identifying Staff Quality, Recruitment, and Retention Needs

Problem Statement 1 (Prioritized): Teacher retention at GHS in the last few school years has been significantly lower than normal. **Root Cause:** Salary competitiveness with surrounding districts is the number one cause.

Curriculum, Instruction, and Assessment

Curriculum, Instruction, and Assessment Summary

Greenville HS has increased its instructional focus in the 2022-2023 school year. Multiple support personnel have been added to our campus to support the overall instructional program. The following positions have been added to support instruction: Associate Principal of Curriculum and Instruction, Interventionists, Lead Teachers, and Demo Teachers. This group will help anchor the instructional leadership team (ILT) on our campus. This group will provide direction and support for the direction of the instructional program as well as provided targeted improvement and coaching support of classroom teachers. GHS will continue to utilize Professional Learning Communities while also adding the STEP protocol. The STEP protocol stands for Supporting Teacher Effectiveness Project that is an asset-based approach to professional learning communities that helps educators discover and replicate what's working in Greenville ISD.

Curriculum, Instruction, and Assessment Strengths

Professional Learning Communities are held weekly with teachers to increase their collegial collaborations with colleagues to plan effectively for student achievement and growth. Intentional data analysis occurs after each nine weeks tests to determine the depth of learning by each student for the last nine week's learning. Instructional Strategists are available for each content throughout all grade levels.

GHS places students failing or at risk of failing in Math, ELA, Science, and Social Studies in after-school credit recovery. Tutoring has also been provided before and after the school day with a focus on the readiness and supporting standards that are identified as individual student weaknesses. Our ACE staff is assisting us in after school tutoring for our ELL students.

Problem Statements Identifying Curriculum, Instruction, and Assessment Needs

Problem Statement 1 (Prioritized): Student engagement has not been as high as expected in the classroom. **Root Cause:** The STEP PLC's need to better collaborate, discuss, and implement ways to address and improve student engagement in their classes.

Parent and Community Engagement

Parent and Community Engagement Summary

Greenville HS is committed to building and maintaining a culture of pride and respect with its internal and external stakeholders. GHS works to capitalize on community strengths and develop mutually beneficial partnerships that enhance campus programs. Greenville HS will work with local community organizations to create partnerships that meet specific campus and district goals.

GISD typically hosts college and career information meetings in the evenings during the school year. GHS continues to increase our communication with parents by having our teachers keep contact logs and through the use of Blackboard. During In-service, the staff will spend time contacting students and parents. GHS also hosts several banquets and award ceremonies for the parents and the public to attend if available due to COVID restrictions. We will have a CTE showcase in the spring.

Parent and Community Engagement Strengths

GHS has an annual "Meet the Teacher" night at the beginning of each school year and a parent night during Texas Public School week. Additionally, parents are involved in PTSA and Project Graduation committees. The campus PTSA plays an active roll in helping to promote staff moral, planning of special events including Prom, and promoting scholarships for graduating seniors. This year we will have monthly food drives. At this point, we have approximately 430 responses representing 700 students needing food.

Problem Statements Identifying Parent and Community Engagement Needs

Problem Statement 1 (Prioritized): Reaching all student's parents is often times extremely difficult to do. **Root Cause:** Communication means to parents are not always effective and some parents choose not to participate as actively especially at the high school level.

School Context and Organization

School Context and Organization Summary

GHS has a number of special programs designed to meet the collective and individual needs of all our students.

We have a number of special programs designed to increase academic rigor and improve our students' academic skills and knowledge. For example, we have strong Pre-Advanced Placement and Advance Placement programs, a growing dual credit program, foreign language competitions, National Honor Society, UIL academic competitions, Fine Arts Competitions, Family Consumer and Career Leaders of America, Destination Imagination, Robotics, VEX Robotics, Solar Car, Tech-Prep Programs, Independent Study Mentorship, Upward Bound, Texas Scholars, Superintendent Scholars and other academic recognition programs.

Other programs include Future Farmers of America, Peer Assisted Leadership, Service Learning, Crime Stoppers, Horticulture and Floral Design, and Nursing program.

School Context and Organization Strengths

We will continue to provide academic enrichment activities through our Robo-Wranglers and VEX programs. We will also continue to provide academic enrichment activities through our Destination Imagination program. These programs compete at the national and world level. We will provide academic enrichment activities through our Academic UIL Program and provide academic enrichment activities through our ISM program.

Problem Statements Identifying School Context and Organization Needs

Problem Statement 1 (Prioritized): More opportunities are needed for career certifications for our students. **Root Cause:** Students may not be testing for certification. Teachers may not know what certifications to have their students test for.

Technology

Technology Summary

GHS is a technologically advanced campus. The teachers and students have access to computer labs throughout the building. Students also have access to different technology devices in the classroom. The students can bring their own tablet or other Internet ready device for use in the classroom. Students use lap tops, iPads and other technologies for a variety ways in school to assist them in their ability to be successful in an ever changing technological world.

Technology Strengths

GHS is more advanced in technology than at any other point in time in its history. Wifi access covers the main building and information can be accessed instantaneously allowing students to work collaboratively on many projects. Teachers have received hours of technology instruction in order to best utilize iPads, Chromebooks and other technology into the classroom. Each class has a set of lap tops and curriculum to include technology as the main form of instruction.

Problem Statements Identifying Technology Needs

Problem Statement 1 (Prioritized): Internet connections for students when they are learning from home are unreliable or non existent. **Root Cause:** Families are not able to afford quality internet.

Priority Problem Statements

Problem Statement 5: GHS has significant gaps in performance of African American students compared to other district sub-populations.

Root Cause 5: Lack of differentiation and targeted instruction for each student's skill gap.

Problem Statement 5 Areas: Demographics

Problem Statement 6: ELA scores have been stagnant and have been lower than expected for the previous 3-5 years.

Root Cause 6: Instructional practices have not been addressed appropriately with teachers.

Problem Statement 6 Areas: Student Achievement

Problem Statement 1: Low enrollment of African American, Hispanic, and Economically Disadvantaged students taking higher level (Honors or above) classes.

Root Cause 1: Many students do not choose these classes or are unaware that these classes are possibilities for them. Communication about these classes and their associated programs has not been as clear.

Problem Statement 1 Areas: School Culture and Climate

Problem Statement 2: Teacher retention at GHS in the last few school years has been significantly lower than normal.

Root Cause 2: Salary competitiveness with surrounding districts is the number one cause.

Problem Statement 2 Areas: Staff Quality, Recruitment, and Retention

Problem Statement 3: Student engagement has not been as high as expected in the classroom.

Root Cause 3: The STEP PLC's need to better collaborate, discuss, and implement ways to address and improve student engagement in their classes.

Problem Statement 3 Areas: Curriculum, Instruction, and Assessment

Problem Statement 4: Reaching all student's parents is often times extremely difficult to do.

Root Cause 4: Communication means to parents are not always effective and some parents choose not to participate as actively especially at the high school level.

Problem Statement 4 Areas: Parent and Community Engagement

Problem Statement 7: More opportunities are needed for career certifications for our students.

Root Cause 7: Students may not be testing for certification. Teachers may not know what certifications to have their students test for.

Problem Statement 7 Areas: School Context and Organization

Problem Statement 8: Internet connections for students when they are learning from home are unreliable or non existent.

Root Cause 8: Families are not able to afford quality internet.

Comprehensive Needs Assessment Data Documentation

Goals

Goal 1: Greenville High School will continue to strive toward achieving the highest accountability rating established by the Texas Education Agency.

Performance Objective 1: GHS will achieve a "B" or higher on state accountability.

Evaluation Data Sources: STAAR/EOC Results
School Report Card

Goal 1: Greenville High School will continue to strive toward achieving the highest accountability rating established by the Texas Education Agency.

Performance Objective 2: GHS will increase student achievement by a minimum of 10% across all STAAR tested subjects by May 2023.

High Priority

Evaluation Data Sources: STAAR EOC Results

Strategy 1 Details	Reviews			
Strategy 1: GHS administrative staff will facilitate the creation of a research-based, school-wide instructional model reflective of our staff's shared values as the foundation of a classroom walkthrough system that will include observable and measurable feedback during walkthroughs each class period of the day in order to improve instruction and increase student achievement. Strategy's Expected Result/Impact: Increased student performance in the summative assessments and EOC scores by 10% Staff Responsible for Monitoring: Campus administrators, lead teacher, demo teachers TEA Priorities: Recruit, support, retain teachers and principals, Improve low-performing schools - ESF Levers: Lever 1: Strong School Leadership and Planning, Lever 5: Effective Instruction	Formative			Summative
	Nov	Jan	Mar	June
Strategy 2 Details	Reviews			
Strategy 2: GHS teachers will provide lesson plans weekly that include a clear objective aligned to the TEK and an example of student work to demonstrate mastery of the concept. Strategy's Expected Result/Impact: Increased student performance in summative assessments and EOC scores by 10%. Staff Responsible for Monitoring: Administrators TEA Priorities: Improve low-performing schools - ESF Levers: Lever 1: Strong School Leadership and Planning, Lever 5: Effective Instruction	Formative			Summative
	Nov	Jan	Mar	June

Strategy 3 Details	Reviews			
Strategy 3: Each EOC team will meet weekly with the Lead Teacher and Associate Principal to analyze instructional practices and their effect on student achievement. Strategy's Expected Result/Impact: Increased student performance in the summative assessments and EOC scores by 10% Staff Responsible for Monitoring: Teachers and Administrators TEA Priorities: Improve low-performing schools - ESF Levers: Lever 1: Strong School Leadership and Planning, Lever 5: Effective Instruction	Formative			Summative
	Nov	Jan	Mar	June
Strategy 4 Details	Reviews			
Strategy 4: The Lead Teacher will provide coaching for EOC teachers in order to improve instructional practices, resulting in increased student achievement. Demo teachers will share practices with their teams. Strategy's Expected Result/Impact: Increased student performance in the summative assessments and EOC scores by 10%.
