

Greenville Independent School District Research Resources

There is an abundance of data and information available to the public regarding Greenville ISD.

We strongly encourage researchers to explore school-level data that is publicly available on the Greenville ISD and Texas Education Agency websites. Researchers wishing to use this data do not need to submit an application to the district.

Posted district and campus data include:

- Total number of students
- Student attendance
- Students by grade
- Results of student performance on the annual STAAR (State of Texas Assessment of Academic Readiness) test
- Ethnic distribution of students
- Economically disadvantaged students
- Non-educationally disadvantaged students
- English language learners
- Students with disciplinary placements
- At-risk students
- Graduation data
- Retention rates
- Class sizes
- Total number of staff
- Classification of staff
- Ethnic distribution of staff
- Degrees held by teachers
- Teachers' years of experience
- Salary information
- Campus improvement plans
- Federal report cards
- School report cards
- Accreditation status
- Community & student engagement
