

IMPORTANT ANNOUNCEMENT:

FIRST FINANCIAL IS OUR NEW BENEFITS ADMINISTRATOR

GREENVILLE ISD Employees,

We are very excited to announce that First Financial Group of America will be our new benefits administrator effective March 1, 2023!

Who Is First Financial?

First Financial has more than 50 years of experience providing supplemental health insurance benefits and financial services to protect you and your family. They are committed to helping you make the most informed decisions in your financial planning for the best price available.

What Does This Mean For You?

Your current benefit elections will not change. The carrier information will remain the same as well. However, you will have new benefit options to choose from at Open Enrollment for the 2023-2024 plan year.

Coming Soon!

Going live on March 1st, First Financial will provide a custom employee benefit center for Greenville ISD. This is where you will find product descriptions, videos, Flex information, contact phone numbers and emails, brochures, claim forms and other documents that you may need. You will receive an email with the link to the website shortly before the March 1st "Go Live" date!

Please join us in welcoming First Financial as Greenville ISD's new provider! If you have questions, contact Cody Taff, Sr. Account Administrator at Cody.Taff@ffga.com.
