### **KITCHEN AND SERVING LINE EQUIPMENT**

The Greenville Student Nutrition Services Department is accepting proposals for the purchase of Kitchen and Serving Line Equipment. Proposals are due at 2:00 p.m. on April 8, 2022 at the Greenville ISD Administration Building, 4004 Moulton, Greenville, Texas 75401. Please submit Bid Forms A through J and Bid Documents with the proposal. All documents are available at [www.greenvilleisd.com](http://www.greenvilleisd.com) , Departments, Finance, Purchasing.

All materials and equipment should be bid new and include installation, disconnecting existing equipment for placement of new equipment, freight (if required) and shipping in the bid price. All equipment and materials must be in current compliance with all state and local code requirements.

#### **Scope of Work**

Greenville ISD Student Nutrition Services Department is seeking Kitchen Serving Lines according to the specifics listed in this solicitation.

Vendors will itemize bid pricing for base price of equipment, disconnecting existing equipment for placement of new equipment, installation and removal of old equipment contingent upon Greenville ISD's need for removal.

Pricing shall be reviewed throughout for one (1) year from date the bid is awarded by the School Board. Pending bid review on or about April 19, 2022.

An awarded vendor will coordinate delivery and installation with Greenville ISD. At no time will the vendor access a school campus without Greenville ISD's approval or knowledge.

#### **Proposal Submission**

Proposal will include on the outside of the envelope/packet:

KITCHEN SERVING LINE RFP

**Please provide one (1) copy marked ORIGINAL and two (2) copies marked COPY**

**Brands**

Bidders shall indicate for each item bid the name and model of the brand being bid. An example of the brand desired may be provided for each item contained in this bid. This is done to provide the bidder with information regarding the nature and quality of the materials required and is not meant to restrict bidding to that particular brand. However, if the item bid varies from the one described; descriptive written details for the product to sufficiently describe the equipment for evaluation must accompany the submitted bid. Bids received without this information or with insufficient information, as determined by Greenville ISD, will not be considered. Once an item is awarded from this bid to a successful bidder, no substitution of brands will be permitted.

If the bidder does not indicate that an item proposed to be furnished is other than specified, the specified item shall be supplied by the bidder upon issuance of a purchase order.

All bid items shall include equipment's base price, disconnection of existing equipment (as necessary), installation, freight/shipping, and any necessary equipment removal cost. The vendor shall provide lead time for delivery and installation once a purchase order has been issued.

Awarded vendors shall be responsible for activating all manufacturer warranties. All warranty information will be forwarded to Greenville ISD Director of Student Nutrition Services.

Please see equipment description of required Voltage/Electrical supply.

Greenville ISD reserves the right to increase or decrease quantities as necessary.

Bid prices must be firm for one-year from date of award for bid to be considered.

Please include insurance certificates with your bid. Failure to do so may result in a non-award.

**Evaluation Factors:**

Awarding Best Value and Evaluation Criteria:

When deemed necessary, responses shall be evaluated by a committee designated by Greenville ISD. The

District will generally award contracts on the basis of best value. Award(s) will be made to the best responsive, responsible offer, price and other factors considered. In determining the best value for the District, the District is not restricted to considering price alone. In awarding a contract, a district shall consider: 1) Purchase price. 2) The reputation of the vendor and of the vendor's goods or services. 3) The quality of the vendor's goods or services. 4) The extent to which the goods or services meet the district's needs. 5) The vendor's past relationship with the district. 6) The impact on the ability of the district to comply with laws relating to historically underutilized businesses. 7) The total long-term cost to the district to acquire the goods or services. Evaluations may include any other relevant factor specifically listed in the request for bids or proposals [Texas Education Code 44.031(b)]. Although all evaluation criteria listed above may be considered by the District, the District will decide which criteria will determine the successful bidder(s) to be considered for contract award.

When an evaluation is applicable, an evaluations committee will conduct a comprehensive, fair and impartial evaluation of all proposals received in response to this RFP.

Each proposal received will be analyzed to determine overall responsiveness and completeness as defined in the scope section and in the instructions on submitting a proposal. Failure to comply with the instructions or to submit a complete proposal may deem a proposal non-responsive and may at the discretion of the Evaluation Committee be eliminated from further evaluation.

If the evaluation committee has reasonable grounds to believe that the Proposer is unable to perform the required services to the satisfaction of Greenville ISD, Greenville ISD reserves the right to make an award to another proposer. Some indicators (but not a complete list) of probable supplier/proposer performance concerns are: past supplier performance; the proposer's financial resources and ability to perform; the proposer's experience or demonstrated capability and responsibility; and the supplier's ability to provide a reliable on-going business relationship and the maintenance of on-going agreements and support.

The Kitchen Serving Line Solicitation Evaluation Criteria will be based on:

1. Purchase price **1-50%**
2. Extent to which the goods or services meet the districts needs **1-30%**
3. Vendor's ability to provide service on equipment following installation **1-10%**
4. Vendor's past relationship with district **1-10%**

**Total Possible Criteria Points: 100**

4. All prices and quotations must be typed or written in ink. Mistakes may be crossed out and the correction inserted adjacently, corrections must be initialed. In case of calculation errors, unit price shall govern.
5. It is understood that quantities, where listed, are to be considered estimated needs only. Greenville ISD reserves the right to increase or decrease quantities ordered as needed.
6. Bids are to be sealed and clearly labeled as "original" or "copy" and must include the bid number, bid title, due date and time of opening. Failure to follow these instructions may result in rejection of bid.
7. **GREENVILLE ISD WILL NOT ACCEPT LATE OR FAXED BIDS. GREENVILLE ISD IS NOT RESPONSIBLE FOR BIDS DELIVERED INCORRECTLY OR MISPLACED BIDS. THE DATE/TIME STAMP IN THE GREENVILLE ISD PURCHASING OFFICE SHALL BE THE OFFICIAL TIME OF RECEIPT.**
8. All bids shall be deemed final. No offer shall be subject to correction or amendment for errors or miscalculations after the bid deadline. Bids may be withdrawn or amended until the date and time due, at which time they become the sole property of Greenville Independent School District.
9. Greenville ISD reserves the right to request additional or clarifying information after the bid response has been submitted. This information may be used to further evaluate the response or qualify overall cost associated with a proposed solution.
10. Any problems or discrepancies that are discovered in relation to this bid process should be directed to the GISD Chief Financial Officer for a determination or clarification prior to the bid due date. If the vendor fails to make such request, no excuse will thereafter be entertained for failure to carry out the work in a satisfactory manner.
11. If any of the information is considered to be confidential or a trade secret belonging to the vendor and, if released would give advantage to a competitor or vendor, that information should be filed with the submittal in a separate envelope marked "CONFIDENTIAL - DO NOT DUPLICATE WITHOUT PERMISSION". 30. Successful Bidder agrees to defend, indemnify and hold harmless Greenville ISD and all its officers, agents and employees from any and all claims or liabilities regarding death, injuries, or property damages arising out of Vendor's activities under this agreement. As a result of the new law, governmental entities are required to verify that vendors are not on the Comptroller's list (the “List”) of companies with ties to foreign terrorists. The Comptroller's Office provides and maintains such List and anticipates the List going live on September 1, 2017. ## Implementation of House Bill 1295

### Certificate of Interested Parties (Form 1295):

In 2015, the Texas Legislature adopted [House Bill 1295](#), which added [section 2252.908](#) of the Government Code. The law states that a governmental entity or state agency may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties to the governmental entity or state agency at the time the business entity submits the signed contract to the governmental entity or state agency.

The law applies (with a few exceptions) only to a contract between a business entity and a governmental entity or state agency that either (1) requires an action or vote by the governing body of the entity or agency before the contract may be signed or (2) has a value of at least \$1 million. The disclosure requirement applies to a contract entered into on or after January 1, 2016.

### Changed or Amended Contracts:

Form 1295 is only required for a change made to an existing contract in certain circumstances: (1) if a Form 1295 was not filed for the existing contract, then a filing is only required if the changed contract either requires an action or vote by the governing body or the value of the changed contract is at least \$1 million; or (2) if a Form 1295 was filed for the existing contract, then another filing is only required for the changed contract if there is a change to the information disclosed in the Form 1295, the changed contract requires an action or vote by the governing body, or the value of the changed contract increases by at least \$1 million.

As required by law, the Commission adopted the Certificate of Interested Parties form (Form 1295) on October 5, 2015. The Commission also adopted rules ([Chapter 46](#)) to implement the law. The Commission does not have any additional authority to enforce or interpret [section 2252.908](#) of the Government Code.

### Filing Process:

A business entity must use the [Form 1295 filing application](#) the Commission created to enter the required information on Form 1295 and print a copy of the completed form. Once entered into the filing application, the completed form will include a unique certification number, called a "certification of filing."

An authorized agent of the business entity must sign the printed copy of the form affirming under the penalty of perjury that the completed form is true and correct.

The completed, printed, and signed Form 1295 bearing the unique certification of filing number must be filed with the governmental body or state agency with which the business entity is entering into the contract.

### **Acknowledgement by State Agency or Governmental Entity:**

The governmental entity or state agency must acknowledge receipt of the filed Form 1295 with the certification of filing, using the Commission's filing application, not later than the 30th day after the date the governing body or state agency receives the Form 1295. The Commission will post the completed Form 1295 to its website within seven business days after the governmental entity or state agency acknowledges receipt of the form.
