DISTRICT OF
INNOVATION

A district is eligible for designation as a district of innovation if the district's most recent performance rating under Education Code 39.054 reflects at least acceptable performance.

A board may not vote on the final approval of the innovation plan if the district is assigned either a final or preliminary rating below acceptable performance. In the event the preliminary rating is changed, the board may then vote to become an innovation district.

Consideration of designation as a district of innovation may be initiated by a resolution adopted by the board or a petition signed by a majority of the members of the district-level committee [see BQA].

Education Code 12A.001; 19 TAC 102.1303

PUBLIC HEARING

After adopting a resolution or receiving a petition for consideration as a district of innovation, a board shall hold a public hearing as soon as possible, but not later than 30 days, to consider whether

the district should develop a local innovation plan for the designation of the district as a district of innovation.

At the conclusion of the public hearing or within 30 days after conclusion of the public hearing, the board may decline to pursue designation of the district as a district of innovation or appoint a committee to develop a local innovation plan.

The board may outline the parameters around which the innovation plan committee may develop the plan.

LOCAL INNOVATION
PLAN

A local innovation plan meeting all legal requirements must be developed for a district before the district may be designated as a district of innovation.

The local innovation plan must provide for a comprehensive educational program for the district, which program may include:

1. Innovative curriculum, instructional methods, and provisions regarding community participation, campus governance, and parental involvement;
2. Modifications to the school day or year [see EB, EC];
3. Provisions regarding the district budget and sustainable program funding;
4. Accountability and assessment measures that exceed the requirements of state and federal law; and
5. Any other innovations prescribed by the board of trustees.

The plan must also identify requirements imposed by the Education Code that inhibit the goals of the plan and from which the district should be exempted on adoption of the plan, subject to Education Code 12A.004. [See EXCEPTIONS, below]

The commissioner of education shall maintain a list of provisions from which designated districts of innovation are exempt. The commissioner shall notify the legislature of each provision from which districts enrolling a majority of students in this state are exempt.

Education Code 12A.003, .004(b); 19 TAC 102.1305(d)

EXCEPTIONS

A local innovation plan may not provide for the exemption of a district from the following:

1. Education Code Chapter 11, Subchapters A (Accreditation), C (Board of Trustees), D (Powers and Duties of Board), and E

(Superintendents and Principals), except that a district may be exempt from Sections 11.1511(b)(5) (district- and campus-level planning), 11.1511(b)(14) (board's role in termination and nonrenewal of educator contracts), and 11.162 (school uniforms);

2. State curriculum and graduation requirements adopted under Education Code Chapter 28; and
3. Academic and financial accountability and sanctions under Education Code Chapter 39.

Education Code 12A.004(a)

ADOPTION OF LOCAL
INNOVATION PLAN

The board may not vote on adoption of a proposed local innovation plan unless:

1. The final version of the proposed plan has been available on the district's website for at least 30 days;
2. The board has notified the commissioner of the board's intention to vote on adoption of the proposed plan; and
3. The district-level committee [see BQA] has held a public meeting to consider the final version of the proposed plan and has approved the plan by a majority vote of the committee members. The public meeting may occur at any time, including up to or on the same date at which the board intends to vote on final adoption of the proposed plan.

The board may adopt a proposed local innovation plan by an affirmative vote of two-thirds of the membership of the board.

On adoption of a local innovation plan, the district is designated as a district of innovation for the term specified in the plan, but no longer than five calendar years, and shall begin operation in accordance with the plan. In addition, the district is exempt from state requirements identified under Education Code 12A.003(b)(2). [See LOCAL INNOVATION PLAN, above]

The district shall notify the commissioner of approval of the plan along with a list of approved exemptions by completing the agency's form provided at 19 Administrative Code 102.1307(d).
