REMINDER: Please sign up by August 4 in order to start bus service on the first day of school. After routes have been designed, they will be posted on August 8. New students may be added throughout the school year. If your stop is an existing stop, your student can be added right away. Otherwise it could take up to 3 to 5 days if adding your child changes the route times. This will allow us to notify parents of time changes for students already routed. The beginning of the year is always good to check the new bus information. Thank you!

I have read the Greenville ISD Policies and Guidelines Governing School Bus Students. I understand my student will be held accountable with these guidelines and consequences in accordance with the Student Code of Conduct. I understand that use of bus transportation to and from school is a privilege and failure of student to abide by policies and guidelines may result in student losing their privilege to ride the school bus as stated in these guidelines and in accordance with the Student Code of Conduct. I also, understand that these same rules apply should my child ride a bus for GISD field trips and/or extracurricular activities. I agree to assume full responsibility for my child's conduct on the bus.

Please be sure your child is at the bus stop 10 minutes before the assigned pick up time. We try to stay on schedule as best as possible; however, many factors including traffic, traffic lights and road closures can result in a slightly early or late arrival. Students need to be at their assigned bus stop, not at another stop. Remember a few minutes here and there can add up and make a bus late to school. We appreciate your help!

If your stop is on a rural route and your bus arrives early when it is still dark, please have some kind of light to help your child and the driver. Remind your child not to stand at your house and wait until the bus arrives to begin walking to the stop. Time is very important when a bus has many stops to get to school on time. If your child is not at the stop, a driver may not stop, thinking there is no rider. If you have any questions, please feel free to call Transportation at 903-457-2658. Thank you, and we look forward to taking your student to school!

RECORDATORIO: Por favor, regrese antes del 4 de agosto para comenzar el servicio de autobús el primer día de clases. Después de que las rutas hayan sido diseñadas, se publicaran el 8 de agosto. Se pueden agregar nuevos estudiantes lo largo del año escolar. Si su parada es una parada existente, su estudiante puede ser agregado inmediatamente. Y si no podría tomar hasta 3 a 5 días si agregar a su hijo cambia los tiempos de ruta. Esto nos permitiría notificar a los padres de los cambios de hora para los estudiantes ya con ruta. El inicio del año siempre es bien checar la nueva información de Transportación. ¡Gracias!

Próximamente a GISD Transportación (sistema GPS "Here Comes the Bus")

Como registraste en el servicio de autobús

Escoja "Bus Transportation is Needed" en su Portal para Padres cuando se registre en la escuela. **Solo cambie esto si va a viajar en autobús** hacia y desde la escuela. Si no lo cambia, su hijo no será asignado a un autobús o parada. Cuando marque la casilla de Transporte en autobús necesario, la información de hijo/a llegara a nuestro Sistema de enrutamiento, y nuestro Coordinador de Rutas asignara una ubicación de autobús y parada. Utilice la parada asignada de su hijo.

Asegure sé que su hijo este en la parada de autobús 10 minutos antes de la hora de recogida asignada. Tratamos de mantenernos en el horario lo mejor posible; sin embargo, muchos factores, como el tráfico, los semáforos y los cierres de carreteras pueden resultar en una llegada un poco más temprano o más tarde. Los estudiantes deben estar en la parada de autobús asignada y no en otra parada. Recuerde que unos minutos aquí o allá pueden sumar y hacer un autobús tarde a la escuela. Le agradecemos us ayuda!

Si su parada está en una calle rural y su autobús llega temprano cuando todavía está oscuro, por favor tenga algún tipo de luz para ayudar a usted y al conductor. Recuérdele a su hijo/a que no se pare en su casa y espere hasta que llegue el autobús para comenzar a caminar hasta la parada. El tiempo es muy importante cuando un autobús tiene muchas paradas para llegar a la escuela a tiempo. Si su hijo/a no está en la parada, es posible que un conductor no se detenga, pensando que no hay conductor. Si tiene alguna pregunta, no dude en llamar a Transporte al 903-457-2658. ¡Gracias, esperamos llevar a su estudiante a la escuela!
