Student Assessment

Developmental Reading Assessment (DRA)

The DRA is a method for assessing and documenting primary students' development as readers over time. Its purpose is to identify students' reading levels based on accuracy, fluency, and comprehension.

Fountas & Pinnell Benchmark Assessment System (BAS)

The Fountas & Pinnell Benchmark Assessment Systems provides teachers with precise tools and texts to observe and quantify specific reading behaviors, and then interpret and use that data to plan meaningful instruction.

Kindergarten (at or above grade level)

Spring DRA – Level 4
