Principal's Message

I promise you that this is the last email that I will send you about the Centaurus Academic Support Fund for the year. Currently, we have reached 96% of our fundraising goal! A huge thank you to all of you who have donated, and I am hoping that we will reach 100% of our goal with a few more donations.

The purpose of the CASF is to directly support academics at Centaurus, providing materials, equipment, student support services, and opportunities that allow us to provide the best possible learning opportunities for students.

The CASF funds a mini-grant program at Centaurus, where representatives from each academic department, administration, and the parent community decide which requests to fund.

In previous years, we were able to provide funding for a number of requests at Centaurus, including the following:

- DNA Replication Modeling Kits for our Science Classes
- Metalsmith Supplies for our Art Program
- iMac Computers to support our Yearbook Class
- 3D Printers and VEX Robotics Equipment for the Engineering Program

- Pottery Wheels for the Art Department
- Indoor Plant Growing Area/Garden for the Science Department
- Set of Mini One Electrophoresis to support Biology classes
- Video and Still Cameras to support student media projects
- Sonic Flame Tubes to demonstrate wave physics
- Lab Quest Mini Units to support data collection in Science Classrooms
- High Interest Leveled Reading Materials for English Language Learners
- Extended Learning Field Trips
- Flexible Classroom Furniture to support student collaboration
- New Microscopes and Precision Scales to support labs in science classes

All families are encouraged to donate an amount meaningful to them-no amount is too big or too small! All donations are 100% tax deductible and directly benefit Centaurus High School academic programs. We hope that you will consider making a donation during our three week campaign. You will receive an additional email with a direct link to donate from BVSDSupport, but you can also access the donation site directly using this link ([Centaurus Academic Support Fund CASF](#)).

What you need to know

Parent Teacher Conferences

Centaurus parent teacher conferences will be held virtually on Wednesday, October 11 and in person on Thursday, October 19. Teachers will email details, including the sign up link, to guardians on October 1. You may use these instructions to sign up for a conference slot most convenient to you. If you are satisfied with your students' progress in class, feel well informed and don't have any questions, please don't feel compelled to sign up for a conference. These conferences really are for parents and teachers to discuss students who need additional support in the class, or if you have specific issues or

questions that you want to address. Also, if you just have a quick question for a teacher, please feel free to send them an email directly.

Centaurus Band

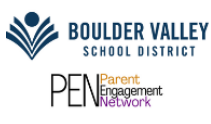

Congratulations to the Centaurus Marching Warriors! The band placed Second at the Legacy Marching Festival this past Saturday and earned both the Festival's High Music and High Visual Awards!

[Plan ahead for Limited Parking- 10/16/23](#)

Centaurus will be hosting the Colorado Bandmasters Association Northern Regional Competition on Monday, October 16th, 2023. Because the parking lot will be required for buses and equipment trucks for 22 guest schools, parking will be extremely limited and sections of the parking lot will be closed. Please plan to park off site or arrange other transportation if possible. All cars must be out of the parking lot by 3:00 PM.

Drop In Tutoring Schedule

Free Drop In Math Tutoring Is Back!
Tuesdays, after school from 4 - 5 in the Library. Come and do your homework, get help, retake assessments. A CHS Math teacher will be there ready to help. If you would like to come on Tuesday morning before school (7:40 - 8:25), please scan the QR code on the poster in your math room to let us know you are coming. BE A MATH WARRIOR!

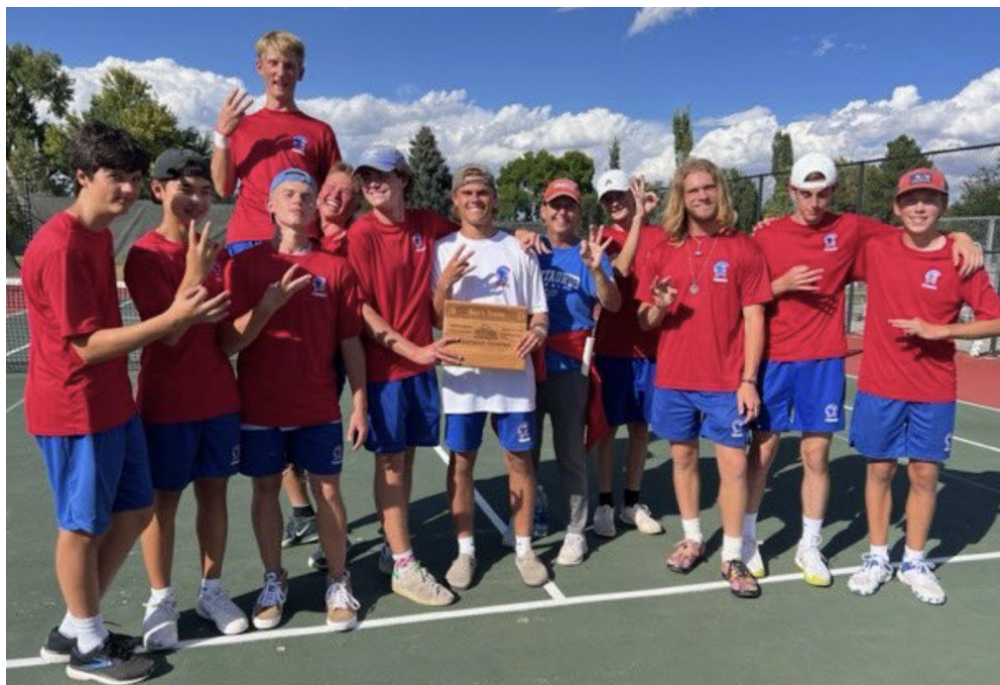

Athletics News

Boys golf -

Senior Matt Vaver qualified for the 4A State Tournament! State will take place on October 2nd and 3rd at The Bridges Golf & Country Club in Montrose.

Boys Tennis

The boys tennis team won their third straight NCAC League Championship! Six of the seven positions took home first place honors for the Warriors! We now wait to see if the boys will qualify for the 5A State Dual Tournament (they have a great shot).

Girls Volleyball

Our girls volleyball Level D invite was a huge success! Our Red team went undefeated (4-0) and our Blue team went 4-1 on the day. Great job Warriors!

Celebrating Centaurus Seniors

Messages for Class of 2024

Seniors Graduation Date:

Getting to know your Centaurus Team

Physical Education- Crystal Senseney

Hello! My name is Crystal Senseney. I graduated from CHS in 1998 and attended the University of Northern Colorado. I was a student athlete at Northern Colorado, I played basketball. I have a Master's Degree in Secondary Education. Soon after college I found myself teaching and coaching at the high school I attended. I met my wonderful husband when I came back to teach at CHS, he teaches math. I coached our Girl's Basketball team at CHS, then eventually stepped down to have more time at home with our 2 beautiful boys. I taught Social Studies for 18 years here at CHS (I had a blast working in a great department!) This is my first year teaching PE (enjoying yet another wonderful group of coworkers!) I was ready for a change, and jumped at the opportunity when Coach DeBerry retired. I feel so blessed to be teaching at CHS, our staff and students are fantastic! Go Warriors!
