Principal's Message

Attend Today-Achieve Tomorrow

Please review this important information regarding the importance of attendance:

[English Attendance Video](#)

[Spanish Attendance Video](#)

Your child's attendance and attendance patterns are vitally important, and the video captures some salient points. As we begin the school year this is a reminder of the importance of attending school daily and establishing that expectation early. Please contact our office immediately if you have attendance concerns and are in need of support. We will work with you and your family to ensure all students in a position to attend school consistently and safely.

Weekly Look-Fors & Updates

Uncage the Lynx

We're excited to announce the start to our annual fundraising opportunity-Uncage the Lynx! Uncage the Lynx, will be held from 8/28-9/22. Ledesma keeps 100% of your donations and donations are used to fund assemblies, field trips and transportation, classroom technology, movie nights, school improvements, STEAM Symposium, carnival and so much more. Earn a raffle ticket with each \$10 donation. Raffle drawings will be held 9/5, 9/11, 9/18 and 9/25. Look for updates in our weekly flyers. For additional information see the UTL FAQ's, which are attached. In addition, check out our HSC facebook page for more information, including the student incentives which include me dressing up as a chicken for a day should we reach \$50,000....Happy fundraising!

Lunchtime

This past week we made the decision to move student lunchtime outdoors. This decision was made in response to a recent uptick in positive COVID cases and out of an abundance of caution. We'll continue to monitor the situation, with a goal of ultimately moving lunchtime back indoors. We want to apologize for the number of bees that have plagued the picnic table area. The campus was treated on Wednesday and we have seen a drastic decrease in the amount of bees over the past couple of days. We expect this to continue to be the case, and we'll address the bee situation further, with an additional treatment, if necessary.
