# Ledesma Ledger

## Volume 3/Issue 4

## Principal's Message

As we wind up the month of August I'd like to continue our conversation about the importance of attendance and announce some school wide incentives we have planned for students. Each month we'll recognize classrooms for their attendance figures. This might be recognizing classes with the highest attendance percentage. It might mean that we recognize classrooms that showed the greatest growth in attendance from one month to the next. The important thing to remember is that being in school and being in school on time matters. For this month I'm proud to recognize three classrooms that eclipsed the 98% attendance for the month! Each class will receive a pizza party in the coming weeks!

- **McDaniel's class: 98.58%**
- **Williams' class: 98.32 %**
- **Israel's class: 98.10 %**

## Labor Day-No School

This Monday school will not be in session, in honor of Labor Day. School will resume on Tuesday September 5th.

## Around The Campus/District

This past week we held our beginning of the year assemblies. These assemblies provided us the opportunity to set our expectations and standards for all students. I've included the **presentation** for your review.

## Security Cameras

This past week Ledesma was outfitted with outdoor security cameras. This added level of security will help us increase student safety. We're excited to introduce this additional safety element to support the Ledesma community.
