Upcoming Programs at Edenvale Library

Please check out these exciting opportunities taking place at the Edenvale Public Library:

We have a couple of programs happening at our branch that we would like to share. I have also been visiting some of the Back-to-School events and had an opportunity to share our library programs and resources there. It has been really great to visit the schools and hope our partnership with OGSD continues to grow.

There are two magic shows this month one targeted for families and one that is targeted for younger crowds (0-5 years) but of course everyone is welcome. Attached are flyers to these events and links to the event listing.

We are celebrating Hispanic Heritage Month (Sept15-Oct 15) with music and art programs. For our Wee Love Art program we will introduce the art styles of Frida Kahlo and have an opportunity for kids to try it out for themselves. We will also host Cascada de Flores, a fun and interactive bilingual music and dance program for the whole family.
