INDEPENDENT STUDIES

Independent Studies

Just a reminder for families that are seeking Independent Studies agreements due to prolonged absences during the school year. Please understand that these agreements serve as a contract between the school and the family, allowing for absences to be excused only in the event that work comes back complete when the student returns to school. Attendance rules are strict and the school is liable for reporting accurately. **Please note that we can only grant excused absences when work comes back complete on the first day of return. In the event that work comes back incomplete our team will review and grant a specific number of days that are excused. Other days will be marked as unexcused absences.** As always, please communicate with our office if you are seeking an Independent studies agreement and do your best to schedule prolonged absences during scheduled school vacations.
