The Cristo Rey Network national office team commits to:

- seeking, embracing, and celebrating diversity at all levels by building a team that is reflective of the communities we serve
- continuously improving our organizational health by practicing policy and procedures that provide an equitable, engaging, and rewarding experience for all staff members

SCHOOL GENERAL POLICIES

Daily Schedule

The school building opens for students at 6:45 am daily and closes at 5:30 pm.

Breakfast is held from 6:45 am – 7:15 am daily in the cafeteria.

All students are to remain in the cafeteria until 7:15 am or until they are directed to go to their floors by a supervising adult. All students should arrive to school in time to report to the first period class. Students arriving after the 7:30 bell are tardy.

On regular academic days, school ends at 3:30 pm.

Students must arrive to school by 11:00 a.m. to participate in any co-curricular activity. Students who are absent from school or work may not participate in any school activity held the day of the absence, including sports or other co-curricular activities and programs.

The building closes to students each evening at 5:30 pm.

All unsupervised students must have departed by that time. Parents and guardians should ensure that their student(s) have been picked up by 5:30 p.m. or that alternative transportation has been arranged.

Tuition Policy

All tuition arrangements must be satisfied and paid in full by the end of each school year in order for a student to register for the next school year. A student is fiscally eligible to participate in all extracurricular activities, including clubs and sports, if tuition payments are current or prior arrangements have been made with the CRAJHS finance office. If a student fails to make up a CWSP absence, a charge of \$100.00 will be added to the family's tuition account. If the student makes up the missed day within the same school year, the \$100.00 charge will be removed from the family's account. In addition, if a student fails to have their blazer on a CWSP day, a \$25 charge for the first day and \$10 for each additional day will be added to the family's tuition account.

Senior students are fiscally eligible to participate in Senior Activities provided that tuition payments are current. Failure to maintain fiscal responsibilities may result in the student missing Senior Week activities like Prom.

Attendance Policy

One goal of Cristo Rey Atlanta Jesuit High School is to help our students have a successful educational experience. School attendance is essential. One of the most important ways that parent(s) or guardian(s) can help a student succeed is by supporting this philosophy. ***ALL ATTENDANCE CONCERNS SHOULD BE DIRECTED TO ESAMANIEGO@CRISTOREYATLANTA.ORG.***

Reporting an Absence

When a student is absent:

- A parent or guardian must phone the school at (404) 637-2801 before 7:30 a.m. on the day of absence.
- A doctor's note **must** be provided when the student returns to school after (3) or more school days' absence.
- Without an official doctor's note, all absences for illness will be marked unexcused .

Absence Protocol

Once a student accumulates five (5) excused or unexcused absent days:

- The parent or guardian will be contacted to review the student's attendance record with the Dean of Students
- A student referral to the school counselor will be completed.
- Excessive absences will lead to the student being placed on an attendance contract and a meeting will be coordinated with the parent/guardian.
- If a student has not adhered to the attendance contract, a referral will be made to the principal. In this case, noncompliance may lead to dismissal from the school.

Excessive numbers of days absent (6 or more), whether excused or unexcused, may result in a grade reduction. Once a student has accumulated 6 absent school days (excused and/or unexcused), in one semester, a warning letter will be issued to the parent/guardian.

- (1) Full School Day = (7) Class Absences (Power School reflects the student's class period)

Returning to School Following an Absence

When returning to school following an absence, excused or unexcused, the student should deliver the doctor's note to the front desk.

Planned Absences

While Cristo Rey does not endorse a student missing school for non-health, non-family related or family-emergency related reasons, situations may arise when a student will need to miss school. In that case, the student must submit a letter detailing the planned dates of absence and the reason for the absence. This letter **must be submitted before the date** of the planned absence. Semester exams are a priority and cannot be rescheduled unless there is an extreme health emergency or family emergency. If a student is not present for a final exam at the end of the academic semester, and the absence is deemed unexcused, then, the makeup exam will be scheduled at the discretion of the AP for Academics.

Missing Academic Work Due to an Absence

At the start of the school year, all students will receive a course description or syllabus that will have a list of expectations, procedures, and grading policies for assignments and assessments. Some teachers may also provide a website for students with specific information about their courses that could be used as a resource when students are absent. Students should be aware of class policies regarding absences for tests, absences on days when tests are announced, and on making-up work missed during an absence. It is the student t's responsibility to complete any late or missing work.

Missing Exams Due to an Absence

If a student is ill and misses an exam, the exam will be rescheduled upon receipt of the doctor's note.

Dismissal for Illness during the School Day

A student who becomes ill during the school day is to report to the clinic with the permission of his or her teacher only. The school will contact a parent or guardian for pick-up. No student will be released from school without parent or guardian permission.

If a student becomes ill at work, the student should inform both the direct supervisor as well as the staff from the Work Study Office who will arrange pick-up for the student. Students who leave work early may be responsible for the time missed.

Students who become ill during the school day may not attend or participate in any afterschool or evening activity sponsored by the school on that day.

Professional Appointments

All efforts should be made to schedule appointments around school days and workdays.

Students may NOT schedule appointments on their assigned CWSP workday.

Students must be signed out by a parent or guardian at the time of release for the appointment. Students returning from an appointment must check in at the front desk with a parent or guardian.

Parents must contact and inform the school about professional appointments prior to the appointment.

Tardiness

Any student arriving after 7:30 is tardy. CRAJ recognizes tardy arrivals in the following categories:

- 1) Excused: Late arrival to school or class because of reasons out of the family’s control such as inclement weather, documented transportation delays, health-related emergencies, or power outage, etc.
- 2) Unexcused: Arriving late to school or class with or without the knowledge of parent/guardian, because of oversleeping, parent errands, etc.
- 3) 10 unexcused tardies result in a referral to the school social worker

4 th Tardy	Meeting with the Dean of Students to review options for improvement.
6 th Tardy	Counseling Referral – Improvement Plan
8 th Tardy	Warning Letter will be sent to parent/guardian from the Dean of Students
10 th Tardy	Student will be placed on an attendance contract (Parent/Guardian meeting to discuss improvement plan.) Student and Parent/Guardian will meet with the Principal and Dean of Students to revisit the improvement plan. Excessive tardies may result in dismissal from the school).

Truancy

In case of truancy, the parent or guardian will be notified immediately. Truant students may be subject to suspension and other disciplinary action. Repeated truancy is cause for expulsion.

Cristo Rey Atlanta Jesuit is obligated by law to report excessive absence to a student’s home district.

Attendance Contract

A student who consistently arrives late to school, work or class will be put on an attendance contract established by the principal and/or the Dean of Students. Students on an attendance contract may forfeit the privilege of participating in any extracurricular activity or sport and may be restricted from

attending any special school events, such as performances, games, or dances for the entire period of the contract. Consequences are administered at the discretion of the Administrative team and the Dean of Students.

Buildings and Grounds

Students must demonstrate respect for any property or building where school activities are conducted, including off-site, athletic, and campus ministry activities. Proper care of the buildings, as well as the furniture at these sites, is a direct responsibility of each student.

Any student who defaces and/or damages property (such as computers, phones, machinery, walls, lockers, desks, chairs, tables, or windows) is required to pay for the damage.

Students are to remain on school property during the school day. Students should not congregate on our neighbors' property.

Lockers

Lockers are the property of Cristo Rey Atlanta Jesuit High School. They are provided to ensure the safe keeping of students' school materials and personal belongings. Students are expected to keep their lockers neat, orderly, and locked at all times. Administrators may conduct locker inspections at any time.

Pictures, stickers, identifiers, and/or vandalism of any kind affixed outside or inside of the locker which are unable to be removed by the student will incur a \$25 charge to the student.

Nothing permanent may be placed on the inside or outside of the locker. Adhesive may not be used to attach pictures or other items to lockers (removable magnets may be used inside of the locker.) Only items of an academically appropriate nature will be permitted inside lockers.

No food or personal items of immense value should be kept in the locker

overnight. The school does not assume responsibility for lost or stolen items.

Each student must ensure that their locker is closed, locked, and secure at all times. A student may only use their school-issued locker. Using another student's locker may result in disciplinary action.

Student Belongings

Backpacks, Book bags, and Large-Scale Carry items (and/or purses)

Backpacks and book bags are to be used to transport textbooks and other learning materials to and from home. Students are to place their bags (including backpacks, book bags, purses, and fanny packs) in their assigned locker as directed during the academic day. Athletic cubbies are available for use outside of the gym (2nd floor) during the athletic season.

All personal items that are not academically relevant must remain in the backpack and/or book bag during the academic day.

Confiscation of Contraband

Students may be subject to a search of the belongings on their person. School authorities at times may search places such as backpacks, purses, bookbags, lockers, desks, and other property, as well as personal effects left in those areas by students without notice to or consent of students and without search warrants. Inappropriate items will be confiscated at the discretion of school officials and disciplinary consequences may be given.

All lockers and other school areas provided for student use on school premises remain the property of the school and are subject to inspection, access for maintenance, and searches.

Locker inspections may be completed with or without the student being present and without the student's knowledge.

Cell Phones and Other Electronic Devices (including related accessories)

Job Partners are asked to help to enforce this policy. The Job Partner will inform the CWSP Office if student workers use any of the aforementioned items. However, with their supervisor's prior approval, students may use personal cell phones during the workday for a job-related task or to contact the CWSP Office regarding transportation or concerning a problem or issue at the workplace (e.g., student illness, etc.). The CWS office has instructed student workers that the use of a Job Partner's telephone, Internet, office equipment, office services or office materials for purposes other than the completion of their specific job duties is strictly prohibited.

During school hours, cell phones and electronic devices (and accessory items) are to be kept in the student's locker at all times and silenced.

Any student who fails to turn over his or her cell phone or electronic device when requested by a CRAJ adult is subject to disciplinary action. Parents and guardians are required to help enforce this school rule.

In case of emergency and with permission, students always have access to calling a parent or guardian from the Office of the Principal, the Dean, or the office of any other administrator. In case of a health emergency or other health issues, parents and guardians can expect a call from the clinic. Explanation of the Discipline System

Positive behaviors are encouraged to be amplified and recognized by extending Merits to students. Commensurately, students demonstrating inappropriate behaviors will be issued Demerits which are based upon seriousness.

Final consequences and decisions are based upon the best needs of the growth and development of the student and school culture. For the good of each individual and the community as a whole, all faculty and staff have the responsibility to recognize and reward a student for exemplary behavior and to discipline a student when necessary. Disciplinary action will be taken when a student commits an infraction deemed inappropriate by a faculty or staff member. The discipline system at Cristo Rey Atlanta Jesuit High School recognizes that infractions have varying degrees of seriousness, and consequences are designed to match the infraction in seriousness.

❖ **JUG, Merits, Demerits**

JUG (Detention)

JUG at Cristo Rey Atlanta Jesuit High School follows a protocol that includes a reflective and meditative component to benefit student growth and accountability. Our JUG protocol is designed to encourage student reflection and behavior that reflects the Grad at Grad Value System.

Students receiving JUG during the school day are to report to Room 303 immediately after school at 3:35 pm each school day.

JUG will be held immediately after school dismissal daily by the Dean of Students in Room 303 promptly at 3:35 pm.

JUG takes precedence over tutorial, CWSP, sports events, or other school activity.

Students may NOT reschedule JUG.

- **Merit** - Any positive actionable item aligned with the CRA school culture and Grad at

Grad value system. Merits are issued to encourage a high standard of positive student behavior and recognize student growth and development aligned with the CRAJ Grad and Grad value system.

- **Demerit/JUG** - Any actionable item not aligned with the student handbook regulations and may be immediately re-directed by a simple reminder and/or instruction by a faculty and/or staff member, but still recorded by the issuing faculty/staff member. (For example: non-uniform attire, gum chewing, talking during announcements, class disruptions) Infractions may be issued by any faculty or staff for a student's failure to comply with any school policies or reasonable expectations.
 - Demerits/JUGs may lead to the issuance of JUG and/or further consequences
 - Demerits/JUGs that require more intensive re-direction and/or require additional time to address will be documented and reviewed by the Dean of Students.

The immediate consequence resulting from a student receiving (1) or repeated Demerits/JUGs from demonstration any actionable item not aligned within the CRA school culture that requires immediate direction. Demerits/JUGs will accumulate throughout a student's entire tenure at Cristo Rey Atlanta Jesuit High School. Demerit accumulation is tiered by grade level. 300 cumulative Demerits/JUGs, regardless of grade level, will result in immediate dismissal from the school and forfeits the convening of the discipline board.

- ❖ Sophomores - May not exceed 80 Demerits/JUGs

Explanation of Merits

Discipline Board

The Discipline Board meets on the authority of the principal. It is designated with the responsibility of interviewing the student, providing for the inclusion of all the circumstances surrounding the student's offense, and providing the student with the most complete hearing possible. Its ultimate concern is to recommend to the principal on the question of expulsion guided by both *cura personalis* and *cura apostolica* (what course of action is best for the student and for the school). The Discipline Board may also be convened to advise the Administration in cases that are complex and where factual evidence is difficult to determine. The Discipline Board is comprised of the principal (observer), Dean of Students (ex officio chairperson), (3) faculty members (appointed by the Principal, and the student's counselor.

Advocate

If a student requests an informal hearing, the student may proffer a letter of support from a current faculty or staff member as an Advocate. Outside legal representation is not permitted at the disciplinary board hearings.

Rights of Students at the Informal Hearing

The informal hearing is designed to provide an opportunity for the student to be heard on the question of his expulsion from the school and is not designed to be a formal hearing. The student shall be entitled to the following rights in the informal hearing:

- Right of parent(s)/guardian(s) to attend.
- Right to speak on his/her own behalf. A student shall be entitled to speak on his/her own behalf during the informal hearing, subject to the ground rules established by the Board Chair for the proceedings.

- Right to be present during the informal hearing. Subject to the ground rules established by the Board Chair for the proceedings, a student shall have a right to be personally present during the informal hearing. However, neither the student nor his/her parent(s) or legal guardian(s) shall be entitled to be present during the deliberation of the Discipline Board.

Disposition

Following the informal hearing, the Principal may take any of the following actions:

- Accept the recommendation of the Discipline Board concerning the expulsion of the student; or
- Reject the recommendation of the Discipline Board. In such circumstance, the Principal may refer the case back to the Dean of Students for the imposition of other disciplinary action against the student or remand the case back to the Discipline Board or to the Dean of Students for further action as specified by the Principal.

Right to Appeal a Notice of Expulsion

A student who has been expelled shall have a right to appeal such decision to the Principal only on the following grounds:

- New information becomes available that is material to the issues considered which was not available at the time of the presentation of the Notice of Expulsion.

Where such new information is asserted as a basis for the student's appeal, the Principal may refer the case to the Discipline Board for proceedings according to the terms of this Policy.

Personal Safety and Health of the Student

Alcohol, Drugs and Tobacco (including e-cigarettes and/or vaping accessories)

Cristo Rey Atlanta Jesuit is a drug, alcohol, tobacco free campus at all times and during all events, The use, possession, sale, purchase or distribution of illegal drugs, alcohol and tobacco products or electronic cigarettes and accompanying liquid solutions on or off our campus at any time, including but not limited to personal and/or after-school functions, is strictly prohibited. Cristo Rey Atlanta may give a drug/alcohol test at random. School administrators may give this test to specific students who demonstrate through their behavior that they may be involved in the illegal use of drugs and/or alcohol. In addition, students who are associated with other students in possession of alcohol, drugs or tobacco products in any vehicle or at any off-campus event are subject to the same disciplinary penalties. If the student refuses help or will not agree to abide by the school's policies, he or she will NOT be permitted to remain in the school community. The school may from time to time use drug dogs to spot illicit items and/or behavior.

Prior to drug testing, students will have the opportunity to answer the following question: Have you used any illegal drugs or alcohol that will result in a positive test today?

If a student answers "yes" to the question and has a positive test, the student will be placed on a contract that may include the following:

- The student will need to meet with a member of the counseling team regularly and will need to follow-through with any recommended actions. This may include undergoing a professional assessment or outside treatment. If this is the case, the counselor will work with providing necessary referrals.
- The student will be subjected to follow-up testing for up to two years.
- The student will be ineligible for all extra-curricular activities for a minimum of 2 weeks from the day of

the positive test results.

- Further positive test results will result in a referral to the Dismissal Committee.

If a student answers “yes” to the question and has a negative test, the student will be placed on a contract that may include the following:

- The student will be required to meet with a member of the counseling team.
- The student will be subjected to follow-up testing for up to two years.
- A future positive test result will result in a referral to the Dismissal Committee.

If a student answers “no” to the question and has a positive test, the student will be placed on a contract that may include the following:

- The student will need to meet with the Dean of Students.
- The student will be referred to the Dismissal Committee.
- The student will be ineligible to participate in any extra-curricular activity for a minimum of four (4) weeks and may be dismissed from the club or sport based.
- The student will need to meet with a member of the counseling team regularly and will need to follow through with any recommended actions. This may include undergoing a professional assessment or outside treatment. If this is the case, the counselor will work with providing necessary referrals.
- The student will be subjected to follow-up testing for up to two years.

If a student answers “no” to the question and has a negative test, no further action will be taken.

If a student refuses to cooperate with any part of the process, they will be referred to the Dismissal Committee, as it will be seen as an admission of guilt. Students are subject to disciplinary action which may include counseling, restorative practices, suspension and/or dismissal from the school.

Pregnancy Policy

Cristo Rey Atlanta Jesuit supports Catholic teaching that sexuality becomes personal and truly human when it is integrated into the lifelong union of marriage. Therefore, outside the confines of marriage and in light of Catholic teaching, Cristo Rey Atlanta Jesuit promotes abstinence as the morally acceptable approach to sexual expression. At the same time, however, Catholic tradition also embraces a compassionate attitude toward individuals who become pregnant or who are responsible for pregnancy outside of marriage. As a result, Cristo Rey Atlanta Jesuit will extend every effort to assist and support the student in her/his educational development as well as in her/his personal and social adjustment.

If a female student should become pregnant, the pregnant student is allowed to continue attending classes pending her agreement and that of her parents to comply with certain requirements/restrictions imposed by the school. The student must continue to meet the same basic academic requirements as all other students (i.e. grades and attendance). Adjustments may be made by the administration based on the physical needs of the student (i.e. needing to leave class to use the restroom) and safety issues, as the pregnancy progresses.

When faculty and staff members first become aware of a student's pregnancy, all efforts will be made to help facilitate a meeting with the school counselor to ensure that appropriate follow-through is made with the family and the administration. This is to ensure the safety and wellbeing of the student concerned.

After the counselor has met with the student to discuss the school's expectations and requirements, the counselor will inform the student that the administration needs to be made aware of the situation. The counselor will contact the parent(s)/guardian(s) to let them know that a meeting with the school's administration is the next step. The counselor will also make sure that the student is connected to the appropriate outside resources. The counselor will discuss with the parent(s)/guardian(s) the need to begin (or continue) appropriate medical care and treatment.

The following are our requirements/restrictions regarding pregnant students:

- The student must be receiving appropriate medical attention. The school will require the name of the physician and a schedule of the medical care to be given (number of visits, etc.). The parent(s)/guardian(s) will give written permission to the physician to speak with the school counselor regarding the student's ongoing condition.
- No baby showers or other celebrations will be held or planned on campus or at the corporate work study site.
- The faculty will be informed of the student's pregnancy, to ensure that the adult community is supportive of the student and also to ensure her physical safety.
- After the birth of the child, the student may remain at school if all other normal academic expectations are met. In addition, upon returning to school or work, the student must provide the school (counselor) with a medical release form, from her doctor.
- The student's ability to participate in and attend co-curricular activities such as athletics, dances, retreats, graduation functions, etc., will be determined by the administration based on individual needs and circumstances.
- If the father of the child is one of our students the same initial procedures will be followed, namely, the parent(s)/guardian(s) will be contacted, and a meeting held with the administration and counselor. The student/father of the child will be obligated to participate.
- At the administration's discretion, modifications may be made to this policy.

Medication Policy

- It is the policy of our school that students carry no drugs or medication with the exception of asthma inhalers and Epi pens. Students who self-carry asthma inhalers and/or Epi pens MUST have a medical form on-file in the clinic. The form must be filled out and signed by the student's doctor.
- All medications are to be administered by the school nurse.
 - If it is necessary for a student to take medication during school hours, it must be in the original container and must be accompanied by a school medical form completed by the parent or guardian specifying the time for the medication to be given.
 - Medications not accompanied by the proper medical form completed and signed by the parent or guardian will not be administered.
 - Only medication approved by the parent or guardian on Cristo Rey Atlanta Jesuit's official medical release form will be given to the student.
- Job Partners have been instructed not to administer medication at work without prior approval from parents or guardians and by the school.

Immunization Policy

It is Cristo Rey Atlanta Jesuit High School's policy that all students must be immunized. It is recognized that some parents do not agree that all children must be immunized, but in order to attend Cristo Rey Atlanta, a private high school, all students must have current immunizations in accordance with current Georgia State law requirements. A copy of an updated immunization form for every student, as well as a physical exam that has been administered within the calendar year must be provided to the school for all entering freshmen.

**There may be additional communication and immunization protocols distributed relative to COVID-19 during this school year.*

GUIDANCE COUNSELING DEPARTMENT

The Cristo Rey Atlanta Jesuit High School Guidance Counseling Department is focused on the social-emotional and academic health of each student. The Guidance Counseling Department is made of school-based mental health practitioners. School Guidance Counselors offer many services including; solution-focused counseling, bridge (or gap) counseling, screening and referrals for mental health services, family support, coordination with outside agencies, small groups, classroom guidance, and crisis intervention.

Student Support Team (SST): The Student Support Team is a committee of school faculty and support personnel led by the Counseling Department, assigned to identify, plan, and recommend strategies for a given student as a first step in working to meet the student's needs. Parents are not required to be notified of the SST meeting concerning their child; however, a parent conference may follow in order to communicate specific concerns and recommendations.

Classroom Guidance: The Counseling Department conducts monthly guidance lessons for the students. These lessons cover a variety of topics related to the social emotional well-being of students. Cristo Rey follows the Grad and Grad Values and the CASEL framework to guide the development of classroom guidance. The CASEL Framework focuses on self-awareness, self-management, responsible decision-making, relationship skills, and social awareness.

Confidentiality Statement: School Counselors have a responsibility to protect private information received through confidential relationships with students and private information they receive about

student from parents or guardians, professionals outside of schools, and other school staff members. School Counselors keep records of their counseling relationships separate from a student's academic records and do not disclose the contents of their counseling records except with privacy exemptions exist. Those exemptions include:

- Disclosing information to parents, guardians, or appropriate authority when a student may be at risk of harming themselves or others or if a crime involving significant personal injury or property damage has or will be committed.
- School Counselors, as well as all school personnel, are mandated reporters. The school must report any suspicions of abuse, abandonment, or neglect to the Department of Family and Children's Services (DFCS)
- School Counselors must disclose confidential information when ordered to do so by a court of law.

Students are informed of the limitations to confidentiality when meeting with the School Counselor and during Classroom Guidance.

EXTRACURRICULAR ACTIVITIES AND ELIGIBILITY

Extracurricular activities—sports, clubs, and other activities—are extended to the students of Cristo Rey Atlanta Jesuit as a privilege, not a right. All students are encouraged to find activities that they will enjoy, that will broaden their talents and horizons, and that will help them to work with peers and faculty and staff in different contexts. In this way, extracurricular can be important components of the student's education, adding depth and breadth to the student's experience and to the quality of the school community's life. Nonetheless, these activities remain precisely *extra* and they will not be allowed to interfere with a student's core tasks as a student—the completion of the academic and work study curricula in preparation for college and for life beyond.

In order for a student to retain the privilege of participating in extracurricular activities, the student must maintain a status of eligibility. There are three kinds of eligibility:

Academic Eligibility

A student is eligible to participate in co-curricular activities if certain academic standards are met. In order to be academically eligible, a student must maintain a grade of 70 or higher in all courses at all times. If a student has a grade below a 70 in one or more courses, the student may petition to be allowed to participate during a probationary period. These individual cases will be examined, and the outcome of the cases determined after the Principal, Dean of Students, and Director of Athletics and Student Activities and/or Club Moderator (dependent upon the activity) meet to determine whether the student should be deemed provisionally eligible. Grades will be reviewed at least once prior to the start of the extracurricular sport or activity, and at least once more during the sport or activity.

➤ Co-Curricular Academic Eligibility Details

- Grades will be reviewed by the athletic director frequently.
 - If a student has a grade of an "F" in any class, the student will be deemed ineligible to participation in competition(s) for a minimum time of (1) week until the next grade review.
 - Students deemed ineligible may participate during regular practices.
 - Communication will be sent to the student, parent(s)/guardian(s), and coach(es)
 - Ineligible students may not participate in games/matches during this time.
 - Students may regain academic eligibility if they no longer have a grade of an "F" as advised by the athletic director.

Disciplinary Eligibility

A student is eligible to participate in all co-curricular activities who maintains academic eligibility, fiscal eligibility and has a clean disciplinary record both in school and at the student's CWSP work site.

Fiscal Eligibility

A student is fiscally eligible to participate in all extracurricular activities provided that tuition payments are current or prior arrangements have been made with the accounting office and academic and disciplinary eligibility are maintained in good standing.

CORPORATE WORK STUDY PROGRAM (CWSP)

Program Philosophy

The objective of the Corporate Work Study Program (CWSP) of Cristo Rey Atlanta Jesuit High School is to help students envision a future that includes a college degree and a successful professional career by equipping them with the knowledge and skills needed to realize that vision. This is accomplished through a deliberate plan of on-the-job learning that increases in responsibility and accomplishment as students progress through high school. As freshmen, student workers are introduced to the basic skills needed to participate in entry-level, corporate jobs. Over the first two years of the CWSP, students learn more about the general office culture, professional skills, and daily responsibilities, and work on building their reputation as working professionals by being mature, responsible, and professional. When students reach their junior and senior years, jobs will substantially increase in responsibility, with a focus toward professional work interests and skills, as the job placement begins to mirror a college-level internship experience.

Students are employees of the CWSP and not direct employees of Job Partners. Students are not eligible for Job Partner employee benefits. However, the CWSP asks its Job Partners to treat their student associates as they would any other worker with respect to the company's stated workplace rules, regulations, policies, and procedures during their day-to-day work activities. The CWSP attempts to make participation as feasible as possible for company Supervisors. For this reason, our policies and procedures mirror standard business practices and customs.

Program Overview

Student Work Assignment Process

Throughout the course of BTI and Freshman Academy, students' interests and skill sets are assessed. Students are required to fill out a survey provided by the CWSP to state their preferences and interests at the end of the school year. While the CWSP will take Job Partner criteria and student preferences into account, the assignment of a job is the sole discretion of the CWS Department. The CWSP determines all job assignments for student workers based upon Job Partners needs and the students' interests and skill sets. If necessary, from time to time, the CWSP may find it necessary to make changes in student work assignments with best efforts toward providing consistent service for the Job Partners. Changes will only be made after consultation and agreement with the Job Partners. Students are expected to accept their work assignment and to complete the daily work responsibilities of their job to the best of their ability. All students are required to work at their assigned job to continue enrollment at the school. If a Job Partner finds that a student's performance does not meet expectations, then the Job Partner is encouraged to reach out to their assigned Relationship Manager to help resolve the issue.

Responsibilities in the Workplace

Students' responsibilities at their job placements could include any of the following:

- Reception Duties and Phone Coverage
- Filing and Scanning
- Data Entry and Spreadsheet Management
- Event Set Up and Planning
- Company Research
- Mailroom Management
- Note Taking
- Order Processing

- Client Services and Patient Care
- Newsletter Coordination

Weekly Work Schedules Four students share one job and make up Job Teams. Each student works one day per week. Each student will attend work as follows:

- Mondays – Freshmen
- Tuesdays – Sophomores
- Wednesdays – Juniors
- Thursdays – Seniors
- Fridays – all grades remain in school for academics

Misconduct

Job Partners are requested to notify the CWSP Office as soon as possible regarding any incident of misconduct involving a student worker. The CWSP expects student workers to conduct themselves in a mature, professional manner. Incidents of misbehavior by student workers in the workplace are treated very seriously. Students may be required to complete retraining with the CWS team before reporting back to work if the behavior is serious or consistently an issue. Student behavioral problems occurring at work will be dealt with on an individual basis.

Termination

If a Job Partner requires that a student be removed from a job, then the CWSP will comply with the Job Partner's request and promptly remove the student from the job. The CWSP may choose to remove a student worker from the workplace at any time if it reasonably deems a student unable to satisfactorily fulfill the work required by the Job Partner. If a student is removed from a job, then CWSP will endeavor to replace the student with a new student as soon as possible, ideally within ten business days from the time the removed student last worked. After a student is removed from their job due to non-performance, they will receive job retraining in preparation for returning to work at an alternate CWS placement. As part of their retraining, students will be required to present on what they have learned from the retraining to the CWS team, the principal, and the school president. Should a student be terminated twice from a job during their time at the school, he or she will be asked to leave the school.

Transportation

The CWSP is responsible for transporting students to and from the workplace. The school will be the sole determinant of the mode of transportation to/from work. Student workers may take the school bus, MARTA or walk to work, depending on where their company is located. All students must comply with the mode of transportation established by the school. The student workday runs from 9 am – 4 pm. Students are expected to be at their companies by 9 am and not leave before 4 pm. Depending on the transportation schedule, arrival/departure will vary. Students are required to abide by the Code of Conduct throughout daily Work Study transportation. Accordingly, if from time-to-time students require alternate transportation, permission from a parent or guardian is required. For safety and communication purposes, students are required to provide current cell phone numbers to the CWSP Office.

Work Study Departure

Students will report to school each day, in proper dress code, by 7:30 a.m. Students are to report to their House classroom (their traditional homeroom) at 7:30 a.m. and remain there until 7:45 a.m., when the bell rings to dismiss them to the cafeteria for checkout. Checkout will begin at 7:50 a.m. and the CWS team will start sending students out to their companies via the bus or MARTA. Students should arrive at checkout with their blazers on and with all the items that they need for their workday, including their MARTA card, work badge, and laptop. Young men should be clean shaven. All students are expected to be prompt to checkout so that they can arrive on time at work. This is particularly important for students that ride the bus, as their tardiness can impact all of their peers that take the same bus.

Bus Routes

Student drop-off at the workplace will occur between 8:00 a.m. and 9:00 a.m. and pick-up between approximately 3:00 p.m. and 4:00 p.m. Students are responsible for getting to the Job Partner's office from the transportation drop-off location and for returning there for pick-up each workday. Students are required to arrive at school on time to use their designated bus route. Students have the option of returning home at the end of the workday following bus drop-off at a MARTA station as approved by the CWSP office. If a student will not return on the bus for any reason, the student must let the CWS office know before the workday begins. The CWSP must receive verbal confirmation from the parent or guardian who will be picking up the student. This only applies to buses that have a MARTA station on or close to their

route. Students are not allowed to eat or drink on buses. Students must show the utmost respect to the bus driver at all times.

MARTA

Students must depart from Cristo Rey and commute together in their designated transportation groups. Students must arrive at their job placements no later than 9 a.m. Students experiencing train delays must contact the school to inform CWSP staff. Supervisors will be contacted regarding any delays. Students arriving late to work due to reasons other than MARTA train delays (e.g., hanging out at the school's receptionist desk or in the Peachtree Center food court, etc.) will receive disciplinary action and grade point deductions. Job Partners will ensure dismissal time is enforced (i.e., 4:00 p.m.) and any early dismissal should be communicated to the CWSP Office. Students have the option of returning home directly from the job site at the end of the workday. Students are required to abide by all rules and regulations posted by the MARTA Authority at all times.

Students heading out to job assignments accessible to public transportation will be provided with a "MARTA pass," which they will use exclusively for workday transportation. If the MARTA pass is used for personal reasons or misplaced, the student will need to reimburse the CWSP with cash, or the charge will be placed on the student account. If a student is given a MARTA pass that does not work for any reason, they should return to school to get a new card from CWS. Under no circumstances should a student go through MARTA turnstiles without paying. This is both illegal and it jeopardizes the student's opportunity to take public transportation to and from work. Students should carry \$5 in cash with them in case their card does not work, and they cannot return to school for a new card.

Walkers

Some students will walk to work given the proximity of their company to Cristo Rey. All students that walk to work will be dismissed together in one group, after students that take the bus or public transportation have left the school. Students are expected to arrive at their job placements no later than 9 a.m. Job Partners will ensure dismissal time is enforced (i.e., 4:00 pm) and any early dismissal should be communicated to the CWSP Office. Students have the option of returning home directly from the job site at the end of the workday.

Direct-to-Work

A small percentage of students will be asked to go direct to work by the CWSP for the duration of the academic year. These students are CHOSEN by CWSP staff from the beginning of the school year. Students should not go direct-to-work unless they have a signed contract with the CWSP. These students will drive to work or be driven to work by a parent or guardian. They do not have to report to Cristo Rey for checkout in the morning. When they arrive at work, DTW students must check in with their relationship manager, or they will lose points for their CWS grade.

Students are required to arrive at their workplace by **9:00 a.m.** and depart at **4:00 p.m.** Students arriving late to work due to reasons other than unexpected delays (e.g., excessive traffic, accidents, etc.) will receive disciplinary action and grade point deductions. Students driving to work are not allowed to leave the job site for lunch breaks unless accompanied by their supervisors. Job Partners will ensure dismissal time is enforced (i.e., 4:00 p.m.) and any early dismissal should be communicated to the CWSP Office.

Program Expectations

Requirements Overview

- Students must complete a minimum of 25 workdays each school year. Students must make up missed work hours.
- Students must attend work on their assigned day in order to continue enrollment at the school.
- Student workers are expected to work a full day, approximately 6 to 7 hours, on the respective day of the week to which they are assigned to work.
- Students will bring their lunch to work, either one provided by the school or one from home.
- Students must be on time for transportation to and from work.
- Students must always abide by Cristo Rey Atlanta Jesuit's Code of Conduct and dress, including wearing school uniforms to the workplace.
- Students must abide by the specific rules and regulations of the company where the student works.
- Students are expected to demonstrate motivation, an interest in learning, and a positive approach to work, through their behavior and performance.

Late to Work

All students are required to be prompt. If a student will be late or absent from their workday they must communicate with their Relationship Manager, their supervisor, and the CRAJ attendance office before 7:20 a.m. Failure to communicate may result in a deduction of points from their professionalism grade, or another penalty. If a student is not present when his or her transportation route departs, the student will not attend work that day and it will be considered a "workday absence." Depending on the situation, the student will receive point deductions and will be required to make-up the day. If a student worker is tardy to work, the Job Partner is asked to notify the CWSP Office, and the subject will be addressed with the student worker by the CWSP Office and coordinated with the Job Partner. Patterns of lateness or absence can be cause for termination of a student from the job.

Absences and Missed Workdays

Each student worker is expected to attend work each and every workday they are assigned. There are no excused absences from the CWSP for any reason. Personal appointments should not be scheduled on an assigned workday. If a student knows he or she will be absent from work for an extenuating circumstance (illness, family emergency, etc.) the student must contact his or her Relationship Manager via email or phone as soon as possible. Students should also notify their supervisor, if possible. Communicating as soon as possible about a potential conflict with both their Relationship Manager and supervisor increases the chance that a missed workday can be waived and demonstrates professionalism. Doctor's notes are helpful and should be obtained whenever possible, however, students are not automatically excused with a doctor's note.

Job Partners pay a fee in return for work hours, so an absence from work must be made up to fulfill the CWSP's commitment to Job Partners. Students are expected to present their supervisor with a make-up sheet and explain why they missed their workday. The supervisor has the discretion to decide whether they will waive the missed workday or ask the student to make up the day over a school break. Make-up days will be scheduled at the convenience of supervisors and will be coordinated and approved by CWSP staff. Students are responsible for filling out an Absence Make-Up Form with the supervisor and returning it to a member of the CWSP Office for approval. The student is responsible for obtaining signatures from the supervisor, the parent or guardian, and the CWSP. Student workers are expected to make up any missed workdays prior to the end of the same semester in which they occurred. Cristo Rey Atlanta Jesuit High School holidays and breaks will be the most likely time when student workers will make up missed workdays. Students who miss a workday and fail to make it up will be charged \$350. CWS sets this penalty to ensure students honor their commitment to their companies. Once a student makes up their missed workday, or their supervisor waives their make-up day, the \$350 drops. Students will also have the option to work at the school over a school break in order to drop the \$350 charge.

Dress Code

All student workers are required to arrive at work in complete school uniform. The CWS Dress Code follows the Business Dress Code outlined for Male students (See School Dress Code), and Female students (See School Dress Code). The Complete Business Dress Code uniform is mandatory each workday. Cristo Rey Atlanta Jesuit maintains a code of dress and grooming consistent with its character as an independent, Catholic, college-preparatory school and with the professional workplace. The dress code requires that all students look professional, neat, and appropriate to be always a positive representative of Cristo Rey Atlanta Jesuit. Attention should be paid to proper hygiene: showering, using deodorant, brushing teeth, combing hair, and ironing clothes. Blazers are required every workday. Students may wear the school sweater or vest under their blazer in cooler weather.

Prior to departing from school for work in the morning, CWSP Staff will be responsible for evaluating the students' attire and general compliance with the Code of Conduct to ensure a neat and professional appearance. Points will be deducted for non-compliance with the school dress code. If dress or appearance is deemed inappropriate for work and cannot be made satisfactory prior to transportation departure, the student will be kept at school and will be considered absent from work that day. The school reserves the right to determine what constitutes appropriate dress. In all cases, the school has the final say.

Supervisors are instructed to notify the CWSP Office if a student is not dressed appropriately, and the CWSP will address the issue with the student as a violation of the school's Code of Conduct. The Dress Code and Code of Conduct policies of the school will also be observed during workdays. From time to time, Job Partners may require students to wear a company uniform, which must be approved in advance by the CWSP Office. Students will change into their uniform upon arrival at work. The CWSP does not allow students to participate in Company "Dress-Down" days.

Internet and Technology Use in the Workplace

Student worker use of personal cell phones, video games, iPods, iPads, headphones and electronic accessories are strictly prohibited at the worksite. Job Partners are asked to help to enforce this policy. The Job Partner will inform the CWSP Office if student workers use any of the aforementioned items. Notwithstanding the rule above, with their supervisor's prior approval, students may use personal cell phones during the workday to contact the CWSP Office regarding transportation or concerning a problem or issue at the workplace (student illness, etc.). The CWSP has instructed student workers that the use of a Job Partner's telephone, Internet, office equipment, office services or materials for purposes other than the completion of their job duties is prohibited.

Internet usage at the workplace may be necessary for students to accomplish tasks given to them by their supervisors. Social media websites such as Facebook, Twitter, Tik Tok, Instagram and Snap Chat, etc. are not to be accessed during the workday, except as specifically required in connection with the student's work duties. Only websites approved by the supervisor may be accessed at the workplace. Job Partners will track students' Internet usage in accordance with the company's Internet policy. Improper Internet usage by student workers may be cause for termination of the student(s) from the job(s).

Student Preparation and Training

Work Permits

The CWSP and students must comply with all State and Federal Department of Labor Laws, including mandatory completion of the Federal I-9 Form on the first day of work. Proof of Employment Eligibility for each student is required by the CWS office on their first day of work. All Cristo Rey Atlanta Jesuit students employed by the CWSP must be at least fourteen years old. Students under the age of 16 are required by state law to obtain a Georgia Department of Labor Work Permit. The Cristo Rey Network abides by Federal Department of Labor requirements by requiring that all students, their families and the CWSP sign a "Student/Parent Work Agreement" explaining and acknowledging terms and conditions of the CWSP prior to a student beginning work.

Business Training Institute

Business Training Institute (BTI) is a program that prepares students to be successful in school and in the workplace. BTI is designed to introduce all students to workplace skills. Additionally, all incoming freshmen will participate in job training prior to the start of school, known as Freshman Academy.

Job Orientation

At the end of BTI, students will be matched with Job Partners and the entire student team will visit their new workplace. To ensure that each member of the student team receives the same introduction and initial training, students will attend an employee orientation meeting at their host company before they officially begin their job. During orientation, students will be onboarded, meet co-workers, and be briefed on job place expectations. Students will be accompanied by a chaperone from Cristo Rey Atlanta Jesuit to this on-site orientation.

Student Performance Evaluations

Corporate Work Study is an important component of each student's education. Students will receive academic credit for work study, making them better candidates for college. The grade the student achieves in the Corporate Work Study Program will be applied to their GPA and will count as a 3-credit hour elective. Grades are cumulative.

Students are evaluated on the following 10 Professional Skills:

1. Judgment – The ability to make decisions
2. Work Efficiency – The ability to complete projects both quickly and accurately
3. Reliability – Ability to work independently; follows through
4. Willingness to Learn – The ability to accept constructive feedback and develop new skills

Timecards

Students are required to complete an electronic timecard at the end of each workday. Supervisors are requested to approve the student worker's timecard. Supervisors should rate student performance and include comments on the student's work habits on each workday. When a student does not meet expectations (i.e. receives a score of "1" or "2" in any area), Corporate Work Study staff responds with a targeted remediation plan to ensure that (1) the student receives the training/supports he or she needs in order to succeed at work and (2) the corporate partner's concerns, related to the student's performance, are resolved. Each student's work schedule will be verified and documented in order to track the number of hours worked and provide a record of their ongoing student job performance. Please email cwsp@cristorevatlanta.org, with any questions or concerns about timecards. A student's failure to submit the electronic timecard by the end of the day will result in grade point deductions and potential additional disciplinary action.

Corporate Work Study Program Staff Member Site Visits

Each year, Cristo Rey Atlanta Jesuit High School Corporate Work Study Program representatives and staff members must conduct regularly scheduled site visits for all locations in which the school has student workers. These site visits are necessary to ensure that all students are employed in compliance with the applicable child labor and minimum wage provisions of the Fair Labor Standards Act.

CWS Grading Policies

Final grades are based on the following criteria:

- **Timecards (30%):** Students start with a score of 100. Points are deducted for violations such as tardy check-in, late work arrival, failure to submit timecards with work details.
- **Projects (20%):** Students can earn a maximum of 100 points for projects and assignments throughout the year. These projects can include but are not limited to the student profile, the Interview Project, the Project CEO Presentation, and the student survey.
- **Professionalism/Uniform (30%):** Students start with a score of 100. Points are deducted for behavioral infractions - i.e. dress code violations, unauthorized use of technology (airpods in or phones out during checkout, etc.), being late to work or school on workdays etc., or any behavior that substantially disrupts the educational and professional process and includes willful disrespect or defiance of CWSP staff.
- **Evaluations (20%):** In December and May, CWSP will work with supervisors to complete a brief student performance evaluation form. All Mid-Year and Final Evaluation grades originate from the Student Performance Review completed by the student's direct supervisor and each student.

Awards

While Corporate Work Study achievement should be its own reward, students do derive added incentive and satisfaction from the knowledge that their efforts will receive special recognition from Cristo Rey Atlanta Jesuit.

- **Corporate Work Study Honors** – 94% or higher overall CWSP Average
- **Student Employee of the Month** – Assigned to a student from each grade level who consistently exceeds expectations during the month, based on timecard ratings, supervisor comments, testimonials and CWSP recommendations.
- **Grad-at-Grad Work Experienced Award** – A graduating senior is selected for embodying one of the Cristo Rey Grad-at-Grad values. The CWSP selects a student who has best reflected being work experienced during their time at Cristo Rey.

CWS Additional Workplace Policies

Parents/Guardians

The CWSP employs students for Job Partners on a fee for service basis. Therefore, the CWSP Office is the primary point of contact between students and parent(s) or guardian(s) concerning any job-related concerns. Parent(s) or guardian(s) must contact the CWSP Office to address any questions or concerns they may have about a student's job. Parent(s) or guardian(s) must not contact Job Partners directly. Job Partners should direct parent concerns to the CWSP office.

Social Media & Student Images

Job Partners may require student photos for social media, newsletters, PR or marketing purposes. As part of the agreement signed with the CWSP office, parents and students consent to the use of the image, likeness, name and/or work product in whole or in part, of the student, in any and all media for purposes of advertising and promoting without

additional compensation. Cristo Rey and all Job Partners are released from any liability or claims arising out of the use of any such materials. For the safety and privacy of the student, we recommend that Job Partners use students' first name only when posting to social media sites.

Items Required at the Workplace

Job Partners may require students to carry a security badge, a card, or a key with them to work on their workday. Generally, the Job Partner issues such security items and students have the responsibility to safeguard them from loss. If a security item is lost by the student, he or she shall comply with the Job Partner's policy for the replacement of such item. If there is a cost associated with replacement, this cost will be added to the family's contribution bill unless it is paid directly to the Job Partner by the student.

CWSP Lunch Policy

Student workers are allowed to take lunchtime and other breaks according to the Job Partner's preference and schedule. On their workdays, students have the option to bring a lunch from home or to get a bagged lunch from the school in the morning. Students are expected to bring a lunch to work and not depend on their supervisor or workplace to provide them with lunch. Job Partners are encouraged to instruct the student workers about the lunch schedule on the first day of work. The CWSP Office expects that most student workers will take a lunch break at some point between 11:00 a.m. and 1:00 p.m. Generally, students will take 30-60 minutes for a lunch break. Students may not make arrangements to miss lunch intentionally in order to leave work early. If a student worker abuses the schedule to the dissatisfaction of the Job Partner, the Job Partner is requested to notify the CWSP Office as soon as possible. A student leaving the workplace or building unsupervised during his or her lunch break is prohibited. Students who do not comply with CWSP Lunch Policy are subject to disciplinary action at school. Successive violations may result in a student's removal from his or her job and/or suspension. Due to the school's safe environment policy, all students must be accompanied by at least two staff members if leaving the premises by car for lunch or an off-site appointment.

Illness at Work

If a student worker becomes ill at work, the student should immediately notify their supervisor of the situation. If the supervisor is not available, the student worker should contact the CWSP Office by phone. The supervisor is asked to call CWSP Staff who will work with the school nurse to determine the severity of the ailment. The nurse will contact parents or guardians to arrange for pick-up of the student worker. Students are not permitted to leave the workplace unless a pick-up plan is confirmed with the CWSP Office and the student's parent. If the parent cannot pick the student worker up, the school will arrange transportation, based on availability.

Job Partners do not administer medication at work. All medications, (E.g. Tylenol®, Advil®, acetaminophen, ibuprofen) must be approved by parents or guardians and by the school.

Holidays: School

The CWSP and Cristo Rey Atlanta Jesuit High School will follow the same calendar of holidays during the school year. Students will not report to school or to work on school holidays unless it's on a pre-approved Work Study Make-Up Day.

Inclement Weather and other Emergencies

CWSP will notify Job Partners if students will be absent for inclement weather or other emergencies.

Office Parties and Gifts to Students

Some Job Partners request that student workers participate in office parties or celebrations. The CWSP office will work with individual Job Partners to determine student worker availability, but student workers are not permitted to miss class to attend office parties. Additionally, student workers may not, under any circumstance, attend any office gatherings that include alcoholic beverages. Appreciation for a job well done can be recognized through student evaluations and student worker recognition by the CWSP. Any gifts or special recognition is optional and at the sole discretion of the Job Partner.

Remote Workdays

Students will not report to work on a Job Partner holiday or day off. Students will report to school and perform job duties in the school on their assigned workday, if it is a Job Partner holiday and not a school holiday.

Summer Work Request

Many CWS Partners request that one or more of their students continue to work for them during the summer, which is encouraged by the school. When the student works for the Job Partner during times other than the school year, the relationship will be managed under the CWSP Office. Differences will be that the fee paid will be a per diem of \$120, the student will be permitted to keep the income earned minus taxes and processing fees, and transportation to and from the work site must be provided by the student. Student workers are required to follow behavioral expectations that are consistent with CWSP rules and regulations during any summer work, including the school's Code of Conduct. Students must be in good academic standing to work during the summer. All summer workers must attend a mandatory orientation at the school that reviews expectations of summer employment. Student workers do not have to wear their school uniforms to work over the summer.

Sexual Harassment

The CWSP requires and expects that all Job Partners treat student workers with respect. For the safety of its student workers, and in conjunction with the Job Partner's own policies, the program is very sensitive to matters involving sexual harassment, discrimination or other inequitable treatment of student workers based on gender, race, culture or religious beliefs and reserves the right to remove student workers if necessary.

Student workers have very specific and clear procedures for reporting incidents of inappropriate behavior at the school and at work. If a student worker reports any incident, the CWSP Office will contact the Job Partner to evaluate and discuss the situation. If there is a question of sexual harassment on the part of a student worker, the supervisor should contact the CWSP Office immediately.

Employer Requirements

Student Background Checks

Sometimes Background Checks are required on student workers by Job Partners. The student and the student's parent(s) or guardian(s) are expected to cooperate and provide any needed information and signatures to comply with internal background checks conducted by the Job Partner. The CWSP Office will assist in the completion of such agreements.

Student Drug Tests

Some Job Partners may require drug testing of student workers. If the Job Partner Company would like to perform its own testing, students and parent(s) or guardian(s) are expected to cooperate with such a request and sign the proper permission from parent(s) or guardian(s). The CWSP Office will assist in the completion of such agreements.

Non-Disclosure & Confidentiality Agreements

Some Job Partners require student workers to complete standard confidentiality, nondisclosure and intellectual property agreements. Student workers, parent(s) or guardian(s) are expected to cooperate with the signing of any such agreements/documents that are required by Job Partners in connection with student's job at the company prior to beginning the school and work year. The CWSP Office will assist in the completion of such agreements.

Medical Authorization

The CWSP has the authority to seek professional medical treatment on behalf of the student in the event that it becomes necessary during work hours or while participating in the work study program. The CWSP is also allowed to dispense over-the-counter medication if the student requests it. Parents will be contacted if medical care is needed, but the CWSP retains the right to respond to a medical emergency in the absence of the parent.

In compliance with school policy, the students need to be vaccinated for Covid-19. Additional testing/vaccinations (TB test, flu vaccine, etc.) may be required by the Job Partner, especially at medical placements.
