(G) Be a team player with co-workers, subordinates, supervisors, and community leaders to accomplish district objectives or goals. (H) Contribute to quality of district programs including extracurricular programs; and (I) Actively pursue personal growth and development.

**Essential Job Functions/ (PERFORMANCE RESPONSIBILITIES):**

1. Ensure that schools in the district provide professional development activities that are sustained, intensive, of high quality, and designed to improve teachers' content knowledge and instructional skills.
2. Evaluate professional development offerings to determine the program's effect on improving teachers' knowledge, skills, and student achievement.
3. Provide technical assistance and support to administrators, teachers, and support staff.
4. Take into account the findings of relevant scientifically based research indicating the services that may be most effective for students served through the district's academic programs.
5. Assist each school served by the program in developing or identifying examples of high-quality effective curricula.
6. Provide strategies and resources for teachers, principals, paraprofessionals, and parents to enable all children to meet the state's student academic achievement standards.
7. Work with principals to develop strategies to attract high-quality highly qualified teachers to high-need schools.
8. Develop strategies to increase parental involvement in programs such as family literacy services.
9. Work collaboratively with other content specialists and teachers to identify opportunities for integration and reinforcement of academic content.
10. Recommend program improvements based on observation, research, and an analysis of student achievement.
11. Work with new teachers to refine knowledge of the curriculum, materials, assessment standards and practices, and instructional approaches.
12. Assist teachers, principals, and other content coordinators with the analysis of data to improve teaching, accountability, decision making, and school improvement efforts and accountability.
13. Maintain a constructive professional working relationship with teachers, administrators, and parents.
14. Provide recommendations for long term plans in the area of responsibility that meet local, state, and federal requirements.
15. Recommend pilot programs in observance of established procedures or guidelines.

16. Devise and maintain records and reports as required.
17. Perform other duties as assigned.

**Supervision exercised:** May provide indirect supervision over staff in program area.

**Physical/Mental Requirements and Working Conditions:**

This is an office job with few if any physical/mental requirements other than those included in the essential functions. May on *occasion* have to lift and transport supplies, equipment, materials, etc.

**TERMS OF EMPLOYMENT:** Work Year to be established by the Superintendent.

**EVALUATION:** Performance of this job will be evaluated in accordance with the provisions of Board Policy.
