	Initial Term	1-JAN-2024 - 31-DEC-2024
	Amount To Be Invoiced	USD 81,631.79

Fees charged in subsequent periods after the duration of this quote will be subject to an annual uplift. On-Going PowerSchool Subscription/Maintenance and Support Fees are invoiced at the then current rates and enrollment per existing terms of the executed agreement between the parties. Any applicable state sales tax has not been added to this quote. Subscription Start and expiration Dates shall be as set forth above, which may be delayed based upon the date that PowerSchool receives your purchase order. If this quote includes promotional pricing, such promotional pricing may not be valid for the entire duration of this quote.

All invoices shall be paid before or on the due date set forth on invoice. All purchase orders must contain the exact quote number stated within. Customer agrees that purchase orders are for administrative purposes only and do not impact the terms or conditions reflected in this quote and the applicable agreement. Any credit provided by PowerSchool is nonrefundable and must be used within 12 months of issuance. Unused credits will be expired after 12 months.

This renewal quote will continue to be subject to and incorporate the terms and conditions of the main services agreement executed between PowerSchool and Customer that is in effect at the time of this quote, or if no such agreement is in effect, then the terms and conditions found at <a href="https://www.powerschool.com/MSA">https://www.powerschool.com/MSA</a> Feb2022/, as may be amended.

### THE PARTIES BELOW ACKNOWLEDGE THAT THEY HAVE READ THE AGREEMENT, UNDERSTAND IT AND AGREE TO BE BOUND BY ITS TERMS.

**EMPLOYER NAME: Fox Chapel Area School District** 

**PART A: RESPONSIBILITIES** 

The following checklist outlines responsibilities associated with the Plan and the entity obligated to each item. If there is an item without an assignment of responsibility, such item becomes the duty of the Employer as the sponsor of the plan.

		ТРА	Vendor(s)	Employer	Other (specify)	N/A
	I. PLAN	FINANCIAL R	EPORTING			
1.	Review and verify accuracy of Spark File or other Data Sharing Information and notify Vendor of errors. (This includes an annual audit to make sure that all amounts and sourcing did get credited to the proper participant in the Plan.)	$\boxtimes$				
	II. ENROLI	LMENT OF PA	RTICIPANTS		ı	
2.	If applicable, provide Employee census information prior to each entry date to determine eligibility					
3.	Evaluate eligibility to determine who enters the plan on each entry date					$\boxtimes$
4.	Provide enrollment forms to eligible employee (for deferral elections, investment elections, and beneficiary designations)					
5.	Provide mandatory notices at enrollment for Universal Availability	$\boxtimes$		$\boxtimes$		
6.	Provide other required notices at enrollment, such as "deemed" control group (owning outside business)			$\boxtimes$		
7.	Verify deferral percentage for new participants					
8.	Analyze eligibility service and vesting service to be credited to rehired employees					$\boxtimes$
9.	If Plan does not provide for full and immediate vesting, determine forfeitures that must be restored for rehired participants			$\boxtimes$		
10.	If certain types of compensation is excluded, evaluate compensation types for participant and ensure that deferrals are being removed from all relevant compensation types (check exclusions, e.g., stipends, coaching bonuses, club sponsorships)			$\boxtimes$		
11.	Confirm that proposed deferrals do not exceed plan defined limits or legal maximums

Fox Chapel Area School District Comprehensive Plan

# **FOX CHAPEL AREA SD**

611 Field Club Rd

Comprehensive Plan | 2023 - 2026

# **MISSION STATEMENT**

The Fox Chapel Area School District exists to maximize learning, achievement, and growth through a focus on educating the whole student.

# **VISION STATEMENT**

The Fox Chapel Area School District will engage students in a learning community that values belonging and focuses on the education of the whole student through four pillars for success: Purpose: Learning and teaching through inclusive, standards-aligned, and culturally responsive improvement; Passion: Providing students with authentic learning experiences that motivate them to pursue their interests with a focus on educating the whole student; Care: Fostering safe and supportive learning environments that value the diversity, individuality, social and approaches that meet the needs of all students, while monitoring growth and success through a data-informed approach for continuous emotional wellness, and belonging of all students; Community: Partnering and collaborating with the community

# **EDUCATIONAL VALUE STATEMENTS**

### STUDENTS

through; Integrity: Doing the right thing (even when no one is watching); being honest with self and others; and trustworthiness in thoughts, environment; and pride in positive actions; Responsibility: Accountability; taking ownership of what you do; and listening and following The district has created three core values that are used to guide all stakeholders: Respect: Valuing self and others; caring for one's words, and actions

#### STAFF

All students want to learn, are capable of learning, and share in the responsibility for their education. Educators must be knowledgeable and current in their profession, discipline, and pedagogy. Responsive schools take a leading role in promoting safety and wellness. Effective schools are built upon integrity and foster respectful, inclusive, and dynamic environments.

## **ADMINISTRATION**

environments. Fiscal decisions must effectively balance the educational needs of the students and the resources of the community. Schools of All students want to learn, are capable of learning, and share in the responsibility for their education. Educators must be knowledgeable and current in their profession, discipline, and pedagogy. Effective schools are built upon integrity and foster respectful, inclusive, and dynamic excellence have effective educational leaders. Responsive schools take a leading role in promoting safety and wellness.

#### **PARENTS**

It is important for each member of the educational community to recognize and respect all forms of diversity. Contributing partners in the educational process include all district staff, students, families, and the community,

### COMMUNITY

It is important for each member of the educational community to recognize and respect all forms of diversity. Contributing partners in the

	educational process include all district staff, students, families, and the community.

# **APPROVALS & SIGNATURES**

# Assurance of Quality and Accountability

As Chief School Administrator, I affirm that this LEA Level Plan was developed in accordance, and will comply with the applicable provisions of official Board minutes and the contents of the plan are true and correct. Finally, I affirm that the plan was made available for public inspection 22 Pa. Code, Chapters 4, 12, 14, 16 and 49. I also affirm that the governing board reviewed the LEA Level Plan, as indicated in the attached and comment for a minimum of 28 days prior to approval by the school's governing board and submission to the Department.

# Signature (Entered Electronically and must have access to web application).

Chief School Administrator

# **ADDENDUM A: BACKGROUND INFORMATION TO INFORM PLAN**

#### Strengths

The district is meeting or exceeding achievement standards on PSSA and Keystone Exams in nearly all subject areas and across all schools.

All schools are meeting or exceeding State College and Career Reading Measures. Each school has content areas where they are meeting or exceeding growth measures, based on PVAAS calculations, on the Keystone Exams and PSSAs

All 4 elementary schools are are exceeding statewide goals for the percentage of proficient and advanced students on the ELA, Mathematics, and Science PSSAs.

Fox Chapel Area High School is exceeding Keystone Exam (Algebra, Biology, and Literature) statewide academic growth expectations, based on the Pennsylvania Department of Education's PVAAS calculations for the 2021-2022 school year.

50% of students scored advanced on the 2021-2022 ELA PSSA.

### Challenges

While the percentages of students scoring proficient and advanced on PSSAs were consistent, the growth expectations at some schools did not meet the statewide goals (Fairview - ELA, Hartwood - Science/Math, O'Hara - Math, & Dorseyville ~- ELA/Science).

The percentage of students scoring proficient or advanced on the English Language Arts PSSA decreases as students advance through elementary school (3rd Grade - 89.3%, 4th Grade - 80.8%, 5th Grade - 81%).

44.7% of 7th-grade students were not proficient on the 2021-2022 Math PSSA.

There are some differences in the percentage of students proficient/advanced on the 2021-2022 Math PSSA when comparing schools(Fairview - 92.1%, Hartwood - 81.3%, Kerr - 77.3%, O'Hara - 84.2%, and DMS - 62.9%).

The number of students proficient or advanced on the 2021-2022 winter Biology Keystone Exam is lower than in the spring.

#### Strengths

All 4 elementary schools and Dorseyville Middle School had more than 80% of students score proficient or advanced on their 2021-2022 PSSA.

The PASS Survey shows overall positive perceptions about school within each demographic area.

The district's Title I school had high levels of proficiency on the mathematics, ELA, and science PSSAs.

More student scored advanced than proficient on the 2021-2022 ELA PSSA.

Proficient and advanced percentages on the winter and spring Keystone Exams are relatively similar, which shows consistency among instruction/courses/outcomes.

98.7% of Dorseyville Middle School students taking the 2021-2022 spring Algebra Keystone Exam scored proficient (15.1%) or advanced (83.6%).

All four elementary schools had more than 75% of students score proficient or advance on their 2021-2022 Mathematics PSSA

89.1% of 3rd grade students scored proficient or advanced on the 2021-2022 Mathematics PSSA

### Challenges

Although these are students who are typically retaking the assessment, considerations for improving these score should be considered.

The number of students proficient and advanced on the 2021-2022 Science PSSA is above 90% in all elementary schools with the exception of one (89.7%), and that school has the least amount of students who scored advanced.

There are variances in the number of students achieving proficient and advanced among schools within different sub groups, specifically students with disabilities.

How can the district provide individualized education to support the academic needs of all students?

How can the district continue to develop supports for staff and students centered around wellness?

How will the district further engage and utilize community partnerships to further support the development of the whole student?

What additional learning opportunities can the district provide for real-world experiences that align to students' interests and future careers?

#### Strengths

60% of students scored advanced in the spring Algebra Keystone Exam

60% of students scored advanced in the 2021-2022 Spring Biology Keystone Exam.

All four elementary schools scored above 85% proficient or advanced on the 2021-2022 Science PSSA.

77% of elementary students scored advanced on the 2021-2022 Science PSSA.

87.6% of students who took AP exams during the 2021-2022 school year scored a 3 (17.92%), 4 (30.17%), or 5 (39.53%).

100% of all elementary students are meeting college and career measures. All Fox Chapel Area elementary schools are exceeding statewide standards of performance for students meeting the Career Standards Benchmark.

All schools within the district are either meeting or exceeding statewide standards of performance for students meeting the Career Standards Benchmark.

The district's Multi-Tiered System of Supports is used to support all students within the district.

The district technology plan ensures equitable access to

### Challenges

How can we create more opportunities for students to gain experience in the fields or trades that they hope to pursue after high school?

How can we create more opportunities for students to earn more college level credits prior to graduation?

#### Strengths

technology and devices for all students.

The district has implemented systems and curriculums for identifying student needs and addressing them through individualized and differentiated instruction to meet the needs of all learners.

Professional development for school staff and administrators is ongoing and is used to keep educators informed on the newest challenges that our students and community are facing. This is most recognizable in the district's efforts to support Equity, Inclusion, and Belonging training for its staff.

Organizational and instructional coherence is a consistent goal of the district. Ensuring instructional fidelity and coherence among the schools is promoted through ongoing professional development and monitored through data collection and instructional observations.

# Most Notable Observations/Patterns

The district has long established its ability to grow students academically through an inclusive and systematic approach. Differentiation and meeting the needs of students are current strengths, as well as growing students who come from lower socioeconomic backgrounds. Considerations for educating the whole student need to be included in the reshaping of the district's mission and vision. Also, more consideration for how to involve the community and get students involved in the community need to be considered.

Challenges	Discussion Point	Priority for Planning
How can the district continue to develop supports for staff and students centered around wellness?	The vision statement is an area of focus that considers how we educate the whole student.	`
How can the district provide individualized education to support the academic needs of all students?	Utilization of the district's benchmarking and data analysis process can be used to individualize learning for students.	`
How will the district further engage and utilize community partnerships to further support the development of the whole student?	Consider how to incorporate community involvement within mission/vision and focus on the whole student.	`
What additional learning opportunities can the district provide for real-world experiences that align to students' interests and future careers?	Providing students with authentic learning experiences that motivate them to pursue their interests with a focus on educating the whole student.	`

# **ADDENDUM B: ACTION PLAN**

## Action Plan: Purpose

Action Steps	Anticipated Start/Completion Date		
Further the development of the district's response to data and instructional planning model through the incorporation of 3-4 benchmarking windows in the areas of mathematics, reading, and science.	09/01/2023 - 09/01/2026		
Monitoring/Evaluation	Anticipated Output		
STAR Reading, STAR Mathematics, and Science CDT will be administered 3-4 times per year. All students in grades K-8 will take STAR Math, Reading, and/or STAR Early Literacy. The Science CDT will be administered to all 4th and 8th grade students. Select high school students preparing for their Keystone Exams will also take STAR Reading, STAR Algebra, or the Biology CDT.	The number of students performing below the 50th percentile rank in mathematics, reading, and science will decrease throughout the school year.	oelow the 50th per	rcentile rank in ghout the school year.
Material/Resources/Supports Needed	ā	PD Step	Comm Step
Quarterly benchmarking data and analysis	ŭ	OU	OU

Action Steps	Anticipated Start/Completion Date	
Using data from benchmarking assessments, building principals will work with teachers to develop instructional response plans that individualize instruction based on areas of need.	09/01/2023 - 09/01/2026	
Monitoring/Evaluation	Anticipated Output	
STAR Reading, STAR Mathematics, and Science CDT will be administered 3-4 times per year. All students in grades K-8 will take STAR Math, Reading, and/or STAR Early Literacy. The Science CDT will be administered to all 4th and 8th grade students. Select high school students preparing for their Keystone Exams will also take STAR Reading, STAR Algebra, or the Biology CDT. Material/Resources/Supports Needed	PD Step	Comm Step
Instructional response plans by teacher, overseen by building principals	Iding principals	OU

# Action Plan: Community

Action Steps	Anticipated Start/Completion Date
The district will create and support opportunities to engage the community and its stakeholders in collaborative opportunities (i.e., educational activities, informational seminars, family learning events, etc.) that support the development of the whole student.	09/01/2023 - 09/01/2026
Monitoring/Evaluation	Anticipated Output
Overview of opportunities provided and/or available to students, staff, families, and community members, and participation in these opportunities.	The district will identify areas to further engage community stakeholders and develop partnerships within the community and implement avenues for learning through educational activities, informational seminars, family learning events, etc.
Material/Resources/Supports Needed	PD Step Comm Step
Community partnerships, stakeholder involvement, and communication	communication

## Action Plan: Passion

Action Steps	Anticipated Start/Completion Date	
Develop instructional activities that promote and support real-life/world experiences. Research, identify, and develop partnerships with local universities and community programs to offer students diverse learning experiences including but not limited to College in High School and Career Exploration (K-12), etc.	09/01/2023 - 09/01/2026	
Monitoring/Evaluation	Anticipated Output	
Increase the number of opportunities for students and partnerships within the community. Gather feedback through methods of data collection.	Implement programs and activities in conjunction with community and higher education partnerships that provide students with real-life learning opportunities. Develop instructional lessons and activities that correlate with real-world experiences, including those that support career exploration.	with community and higher real-life learning opportunities. correlate with real-world exploration.
Material/Resources/Supports Needed	Δ.	PD Step Comm Step
Dual enrollment agreements and local partnerships (JA Biztown)		ОП

### Action Plan: Care

Action Steps	Anticipated Start/Completion Date	
The district will continue to promote wellness activities for staff and students throughout the school year and will identify new forms of data collection to measure needs of student and staff wellness and outcomes.	09/01/2023 - 09/01/2026	
Monitoring/Evaluation	Anticipated Output	
Data collection tools	The district will identify areas of strength and need in regard to stude wellness and provide resources and opportunities to address needs.	The district will identify areas of strength and need in regard to student and staff wellness and provide resources and opportunities to address needs.

Induction Plan (Chapter 49) | 2023 - 2026

### **INDUCTION PLAN (CHAPTER 49)**

Chapter 49, Section 16(a). A school entity shall make its induction plan available for public inspection and comment for a minimum of 28 days Chapter 4 establishes that each school entity shall submit to the Department for approval an induction plan every 6 years as required under prior to approval of the plan by the school entity's governing board and submission of the plan to the Department.

Chapter 49.16, Approval of Induction Plans, establishes the following requirements of LEA Induction Plans:

- Each school entity shall submit to the Department for approval a plan for the induction experience for first-year teachers (including teachers in prekindergarten programs, when offered), long-term substitutes who are hired for a position for 45 days or more and educational specialists.
- specialists and administrative representatives chosen by the administrative personnel of the school entity. Newly employed professional The induction plan shall be prepared by teacher or educational specialist representatives, or both, chosen by teachers and educational personnel with prior school teaching experience may be required by the school entity to participate in an induction program.
- The induction plan shall reflect a mentor relationship between the first-year teacher, long-term substitute or educational specialist, teacher educator and the induction team.
- Criteria for approval of the induction plans will be established by the Secretary in consultation with the Board and must include induction activities that focus on teaching diverse learners in inclusive settings

# EDUCATOR INDUCTION PLAN (EIP) (22 PA CODE, 49.16)

By checking each of the following boxes, the LEA is assuring that it complies with and has instituted each of the following Chapter 49 Induction Plan requirements.

Plan requirements	Yes/No
Will all first-year teachers (including teachers in prekindergarten programs, when offered), long-term substitutes who are hired for a position for 45 days or more and educational specialists be identified and provided a 2-year induction experience beginning in the 2024-25 SY? (22 Pa Code, 49.16 )	Yes
Is the induction plan prepared by teacher or educational specialist representatives, or both, chosen by teachers and educational specialists and administrative representatives chosen by the administrative personnel of the school entity? (22 Pa Code, 49.16 )	Yes
Has the plan been made available for public inspection and comment for a minimum of 28 days prior to approval of the plan by the school entity's governing board and submission of the plan to the Department? (22 Pa Code, 49.16 )	Yes
Does the induction plan reflect a mentor relationship between the first-year teacher, long-term substitute or educational specialist, teacher educator and the induction team for the duration of the induction program? (22 Pa Code, 49.16 )	Yes
Does the induction plan include training on the teacher observation and evaluation model inclusive of the consistent use of quality teacher-specific data and building-level data within student performance measures? (24 P.S. § 11-1138.8 (c)(3) and 22 Pa Code, 49.16 )	Yes
Does the induction plan: a. Assess the needs of inductees?	Yes
b. Describe how the program will be structured?	Yes
c. Describe what content will be included, along with the delivery format and timeframe?	Yes

#### **MENTORS**

Which of the following characteristics does the Local Education Agency (LEA) use to select mentors?

Characteristics used by LEA	Yes/No
Pool of possible mentors is comprised of teachers with outstanding work performance.	Yes
Potential mentors have similar certifications and teaching assignments.	Yes
Potential mentors must model continuous learning and reflection.	Yes
Potential mentors must have knowledge of LEA policies, procedures, and resources.	Yes
Potential mentors must have demonstrated ability to work effectively with students and other adults.	Yes
Potential mentors must be willing to accept additional responsibility.	Yes
Mentors must complete mentor training or have previous related experience (e.g., purpose of induction program and role of mentor, communication and listening skills, coaching, and conferencing skills, problem-solving skills and knowledge of adult learning and development).	Yes
Mentors and inductees must have compatible schedules so that they can meet regularly.	Yes
Other, please specify below	o N

#### OTHER

# PLEASE EXPLAIN THE LEA'S PROCESS FOR ENSURING THEIR MENTORS HAVE THE ABOVE SELECTED

#### CHARACTERISTICS.

When selecting mentor's the district looks for mentors that are experienced within their area of certification and have demonstrated strong instructional practices during their time with the Fox Chapel Area School District.

#### **NEEDS ASSESSMENT**

Which of the following characteristics does the Local Education Agency (LEA) use to select mentors?

Characteristics used by LEA	Yes/No
Observations of inductee instructional practice by a coach or mentor to identify needs.	Yes
Multiple observations of inductee instructional practice by building supervisor to identify needs.	Yes
Regular scheduled meetings with mentors or coaches to reflect upon instructional practice to identify needs.	Yes
Standardized student assessment data	Yes
Classroom assessment data (Formative & Summative)	Yes
Inductee survey (local, intermediate units and national level)	Yes
Review of inductee lesson plans	Yes
Review of written reports summarizing instructional activity	Yes
Submission of Inductee Portfolio	Yes
Knowledge of successful research-based instructional models	Yes
Information collected from previous induction programs (e.g., program evaluations and second-year teacher interviews).	Yes
Other, please specify below	N <sub>O</sub>

#### OTHER

## BASED ON THE TOOLS AND METHODS SELECTED ABOVE, DESCRIBE THE LEA'S INDUCTION PROGRAM, INCLUDING THE FOLLOWING DETAILS:

- PROGRAM STRUCTURE
- CONTENT INCLUDED
- MEETING FREQUENCY
- DELIVERY FORMAT

plan helps new staff members gain knowledge of its policies and procedures and develop an understanding of the district's beliefs and values. program is a two-year program that offers reflection and self-assessment through online, asynchronous activities, workshops and trainings, and Program Structure: The Fox Chapel Area School District (FCASD) designed the educator induction plan to help new staff members understand the district's mission and vision, empower teacher leadership, provide support and practical application, build capacity within the organization, and expand professional development offerings for all staff members. The content included is as follows: Differentiated Instruction Philosophy, Sessions are live via teacher professional development workshops. Inductees also have the opportunity to meet with their mentors on an onmentor support. The program is differentiated by position (type, length of contract, etc.). Content Included: The program workshops support going basis. Inductees also use the district induction portal to reflect on workshops and the Danielson Framework for teaching and learning. and fulfill their role in accomplishing the mission, goals, and objectives of the FCASD outlined in the district's strategic plan. The induction Positive Learning Environment, Data to Instructional Response, Ongoing Assessment and Flexible Grouping, and Instructional Technology Meeting Frequency: Professional development sessions, touch points, and support meetings occur on a quarterly basis. Delivery Format: District mentors assist all new staff, providing individual support, resources and guidance throughout induction. The educator induction

### **EDUCATOR INDUCTION PLAN TOPIC AREAS**

Ensure that professional development activities contain content that develops teacher competency, increases student learning, and aligns with at least one component contained in the Danielson Framework for Teaching.

### **EVALUATION AND MONITORING**

Describe the procedures employed to monitor and evaluate the Educator Induction Program. As part of this process LEAs should systematically collect data on the educator induction program design, implementation, and outcomes. This data may include:

- Survey of participants new teachers, mentors, principals, and other members of the Educator Induction Program to determine levels of satisfaction and to understand the strengths and weakness of the program
- b. Analysis of activities and resources used in the program
- Aligned program evaluation instruments that provide quantitative and qualitative data (e.g., survey/questionnaires, individual and group interviews, and observation tools) to determine the impact of participating teachers and their students ن

### **EVALUATION AND MONITORING**

competencies related to teaching and learning. The district also uses a evaluation form to monitor the effectiveness of the induction program The district utilizes Google Forms for survey and reflection for inductees on concepts related to the Danielson Framework and other and collects data to make adjustments annually.

# **DOCUMENTATION OF PARTICIPATION AND COMPLETION**

Identify the methods used to record inductee participation and program completion.

Participation	Completion
Mentor documents his/her inductee's involvement in the program.	Yes
A designated administrator receives, evaluates, and archives all mentor records.	Yes
School/LEA maintains accurate records of program completion and provide a certificate or statement of completion to each inductee who has completed the program.	Yes
Completion is verified by the LEA Chief Administrator on the Application for Level 2 Certification.	Yes
Confirm that all first-year teachers are required to participate in the induction program.	Yes

# IF "NO" IS SELECTED, PLEASE EXPLAIN WHAT INDIVIDUALS WERE NOT INCLUDED IN THE INDUCTION PROGRAM AND WHY.

Professional Development Plan (Act 48) | 2023 - 2026

#### **ACT 48**

Chapter 4 establishes that each school entity shall submit to the Secretary for approval a professional education plan every 3 years as required under Chapter 49, Section 17(a). A school entity shall make its professional education plan available for public inspection and comment for a minimum of 28 days prior to approval of the plan by the school entity's governing board and submission of the plan to the Secretary.

Chapter 49.17, Continuing professional education, establishes that every school entity shall develop a continuing education plan that addresses the following requirements:

- a. Includes options for professional development including, but not limited to, activities such as: (i) graduate level coursework; (ii) obtaining a professionally related master's degree; (iii) department-approved in-service courses; (iv) curriculum development work; and (v) attendance at professional conferences.
- Defines terms used including, but not limited to, the following: (i) Professionally related graduate level coursework. (ii) Professionally related master's degree. (iii) Curriculum development work. (iv) Professional conferences. <u>.</u>
- Developed as specified in section 1205.1 of the act in which the plan describes the persons who developed the plan and how the persons were selected. ن
- Submitted to the Secretary shall be approved by both the professional education committee and the board of the school entity. ਰਂ
- professional employees are to be met through implementation of the plan. The plan must describe how professional development activities e. Includes a section which describes how the professional education needs of the school entity, including those of diverse learners, and its will improve language and literacy acquisition for all students and contribute to closing achievement gaps among students.
- f. Includes a description of how the school entity will offer all professional employees opportunities to participate in continuing education focused on teaching diverse learners in inclusive settings

professional education plan how the school district will offer professional education opportunities to teachers in the community provider's g. A school district that contracts with a community provider to operate a prekindergarten program shall address in the school district's prekindergarten program.

the specific needs of students. Professional education for all levels of an LEA should be based on sound research and promising practices that LEA provided professional education meets the education needs of that school entity and its professional employees, so that they may meet promotes educators' skills over the long term.

Exemplary professional education for staff:

- Enhances the educator's content knowledge in the area of the educator's certification or assignment.
- Increases the educator's teaching skills based on research on effective practice, with attention given to interventions for struggling students.
- Provides educators with a variety of classroom-based assessment skills and the skills needed to analyze and use data in instructional decision-making.
- Empowers educators to work effectively with parents and community partners.

Wesley Family Services – Agreement

### AGREEMENT BETWEEN FOX CHAPEL AREA SCHOOL DISTRICT AND WESLEY FAMILY SERVICES

**THIS AGREEMENT** is effective the **1st** day of **July 2023** between <u>Fox Chapel Area School District</u> (hereinafter "District") office at <u>611 Field Club Road</u>, <u>Pittsburgh</u>, <u>PA 15238</u>, and Wesley Family Services (hereinafter "WFS" and together, the "Parties") with corporate offices at 615 Alpha Drive, Pittsburgh, PA 15238.

### **RECITALS**

**WHEREAS**, District has the authority to enter into agreements for the purpose of purchasing professional services; and

**WHEREAS**, WFS has the authority, according to the bylaws approved by the Board of Directors, to enter into agreements for the purpose of providing professional services consistent with the Mission of Wesley Family Services

**WHEREAS**, WFS has extensive experience and expertise in providing this professional service, and is in the business of providing such professional services, and is willing to provide the services described in the Scope of Services, Article I. in this Agreement; and

**NOW THEREFORE**, the parties intending to be legally bound do hereby mutually covenant, promise and agree as follows:

### ARTICLE I. SCOPE OF SERVICES

1.1 <u>Services Provided</u>. WFS provides a wide variety of services to school districts and their students, including Child/Adolescent Partial Hospital services. As such, District desires to engage WFS for the following services, which shall be provided by WFS with sole and absolute discretion in the manner and means of carrying them out:

**Child/Adolescent Partial Hospital Program (PHP):** Intensive mental health and behavioral health services provided in the school setting will include Group Therapy, Individual Therapy, Family Therapy, Milieu Therapy, Classroom Behavioral Interventions and Psychiatric services such as evaluation and medication management. As a provider of PHP, WFS will abide by the Pennsylvania Chapter 5210 regulations.

- 1.2 Population Served. WFS will serve students referred by the District for treatment in the WFS PHP. Referred students must meet the medical necessity and other criteria of the PHP. Students attending the program may be covered through medical assistance (MA) or commercial insurance, in which case, WFS would bill the respective insurance. However, students need not have current insurance coverage to be served by the PHP as long as they meet the criteria of the program. Should a student not have active insurance coverage, has insurance coverage not accepted by WFS, or has insurance coverage that does not acknowledge the WFS PHP as a covered service, the District agrees to pay the hourly rate per student in effect at the time of the service for the duration of the service in which these circumstances prevail.
- 1.3 <u>Student Records.</u> All reports, records, or similar documentation regarding students prepared by WFS including psychotherapy notes or other clinical documentation prepared by WFS' therapist(s) shall remain and at all times be considered the property of WFS and WFS assumes all responsibility for the maintenance and storage of those records prepared in connection with the PHP services.

### ARTICLE II. CONFLICT RESOLUTION

A "conflict" under Article II is hereby defined as any issue that arises relating to the quality of level of service provided hereunder, including but not limited to response time, but which falls short of constituting a material

breach of the Agreement. WFS and District agree to engage in conflict resolution activities that will minimize interference with service delivery.

- 2.1 The parties to this Agreement will have equal responsibility for the identification and resolution of conflicts that may arise in its implementation.
- 2.2 Conflict resolution will occur at the earliest opportunity and at the most appropriate administrative level
- 2.3 Each party will notify the other party in writing and personally when a conflict exists, and a meeting to discuss and resolve the conflict will occur within five (5) working days of the written notification. Each party shall have a supervisory staff or upper level management present for such meeting.
- 2.4 The County Office of Behavioral Health can be consulted, as mutually agreed, to aide in resolution in the event that the parties fail to resolve any issue.

### ARTICLE III. SERVICE AGREEMENT REVIEW

District and WFS agree to meet with appropriate personnel and review the terms of this agreement, at least semi-annually, to ensure that such terms are being met, recipients are being appropriately identified and planned for in a timely manner, and that problem resolution is occurring as needed.

### ARTICLE IV. REMUNERATION

District shall pay WFS \$36.25 per hour for six (6) hours per day for provision of services specified in Article I, Scope of Services for students without active insurance coverage, including Medical Assistance, with insurance coverage not accepted by WFS, or with insurance coverage that does not recognize the WFS PHP as a covered service. While provision is made for monthly invoicing and reimbursement based on hours of service rendered, WFS will not be reimbursed for any amount greater than \$217.50 per day/per student in a twelve (12) month period from the start of the Agreement.

To the extent that WFS' expenses and costs in performing services under this agreement exceed the amount of fees WFS has received from District pursuant to this Agreement, such expenses and costs shall be borne by WFS.

WFS will submit a statement of the services provided, on a monthly basis, and within thirty (30) days of the last service in that calendar month. WFS will list the dates services were provided, the Service Dates, on the Statement along with the number of service hours provided.

Payments by the District will be made monthly unless otherwise arranged and added in writing as an amendment to the agreement and agreed to by both Parties.

### ARTICLE V. TERM AND TERMINATION

- 6.1 <u>Term.</u> The term of this Agreement shall commence on <u>07/01/2023</u> and expire on <u>06/30/2024.</u>
- 6.2 <u>Termination</u>. Either party may terminate this Agreement without cause by giving the other party at least thirty (30) days advance written notice. In addition, either party may terminate this Agreement upon breach by the other party of any material provision of this Agreement, provided such breach continues for fifteen (15) days after receipt by the breaching party of written notice of such breach from the non-breaching party.
- 6.3 <u>Effect of Termination</u>. In the event of termination, upon the effective date of termination for this Agreement, neither party shall have any further rights or obligations hereunder except for those rights and obligations that survive termination of this agreement, such as compensation for services already provided, or arise as a result of any breach of this Agreement or related to indemnification.

### ARTICLE VI. GENERAL PROVISIONS

- 7.1 Independent Status. It is acknowledged and agreed that the relationship created by this agreement is one of Independent contractor and not an employment relationship. WFS is responsible for the payment of all applicable expenses and taxes, including, but not limited to federal and state income taxes, FICA, FUTA, state unemployment compensation taxes and fees for workers' compensation coverage. Because WFS staff are not full-time or part-time employees of District, WFS acknowledges that WFS staff are not entitled to any benefits paid by District to its employees, including but not limited to, vacation pay, holiday pay, health insurance, unemployment compensation insurance and workers' compensation insurance.
  - WFS shall have exclusive control over the details, manner and method by which it completes its duties under this Agreement.
  - b. As an independent contractor, WFS may, with the approval of the District, retain subcontractors to assist it in completing the services required of WFS pursuant to this Agreement. District is interested only in the result to be accomplished by WFS and shall have no right to control the manner or determine the method by which such services are provided.
  - c. Because WFS makes its services available to the general public, WFS is permitted to provide services to any number of other facilities or businesses unrelated to District.
  - d. WFS shall not have any authority to act on or on behalf of, or to bind District in any manner except as expressly authorized in writing in advance by District.
- 7.2 <u>WFS Representations.</u> WFS warrants and represents now and throughout the life of this Agreement, relative to the PHP, that:
  - a. Licensure: WFS is duly authorized and licensed as a Provider of Partial Hospitalization Services by the Commonwealth of Pennsylvania. A copy of the license is available upon request.
  - b. **Special Training:** WFS maintains that specialized training in Child/Adolescent Therapy has been obtained and documentation of this is available upon request.
  - c. Child Abuse/Criminal Background Checks: WFS maintains that there have been no child abuse or child neglect charges made against any of the WFS staff and copies of child abuse, criminal background and FBI checks are on file in our Human Resources Department and will be made available upon request.
  - d. Disbarment/Sanctions: WFS maintains that WFS staff associated with this Agreement have not been disbarred in the Commonwealth of Pennsylvania or any other state. WFS maintains that the agency and its staff do not have any professional sanctions imposed upon them in the Commonwealth of Pennsylvania or any other state. Please see also Section 7.3: Exclusion Lists below.
  - e. **Insurance Coverage:** WFS will carry Professional Liability Insurance for the duration of this Agreement with not less than one million dollars (\$1,000,000) per occurrence and three million dollars (\$3,000,000) in aggregate annually.
  - f. **Accreditation**: WFS is currently accredited by the Council on Accreditation.
- 7.3 <u>Exclusion Lists</u>. WFS conducts a monthly review each month to confirm that no organization connected with WFS, nor any employee is excluded from participation in federal programs.

In the event that any organization or employee is found to be on any of the exclusion lists, WFS will notify District within 48 hours. The District reserves the right to terminate this agreement, without notice, upon any violation of the above requirements. The District has a duty to report all notification to the Pa Dept. of Public Welfare, Bureau of Program Integrity for any person/entity for employment or contracting excluded from federal health care programs or the Pennsylvania Medical Assistance Program.

- 7.4 <u>Discrimination</u>. WFS shall comply with all applicable rules and regulations with respect to prohibition against discrimination because of sex, handicap or disability, color, race, age, national origin and religious creed, as prohibited more specifically by <u>inter alia</u> Pennsylvania Human Relations Act, Title VI and VII of Civil rights Act of 1964, title IX of the Education Amendments of 1972, Americans with Disabilities Act (ADA) P.L. 101-336, Age Discrimination in Employment Act and Section 504 of the Rehabilitation Act of 1973. The District will also assure that they comply with the American's with Disabilities Act (ADA) P.L. 101-336 (if applicable), having removed barriers to access or made appropriate accommodations for consumers and staff as necessary.
- 7.5 Indemnification. Each Party (the "Indemnifying Party") shall defend, indemnify, and hold harmless the other Party (the "Indemnified Party") from any and all costs, damages, expenses, claims, liability, and/or losses of any nature, including attorneys' fees and costs, resulting from or arising out of (a) any negligence or misconduct on the part of the Indemnifying Party, its employees or agents, or (b) the breach of any representation, warranty, or obligation under this Agreement which is caused or occasioned by the acts of the Indemnifying Party, its employees or agents
- 7.6 <u>Compliance with Law</u>. Each party agrees to comply with all applicable local, state, and federal laws, rules, and regulations.
- 7.7 <u>Confidentiality.</u> WFS shall require agents, servants and employees to ensure that persons counseled, treated, rehabilitated or otherwise served are secure in the confidentiality of their records, names and identities except as law requires disclosure. WFS will follow all State and Federal law and regulations in regard to confidentiality.

The Parties acknowledge that each will have access to information that is treated as confidential and proprietary by the other including, without limitation, student charts and records, business plans, the names and addresses of present and past employees, the names and addresses of students and potential students, rate schedules, business strategies, service providers, computer programs, software, manuals, techniques, "know how", the existence and terms of this Agreement, and any information and/or materials relating to the operations of the Parties not known to the public domain; in each case whether spoken, written, printed, electronic, or in any other form or medium (collectively, the "Confidential Information"). Any Confidential Information accessed or developed in connection with the services provided in this Agreement, shall be subject to the terms and conditions of this clause. The Parties agree to treat all Confidential Information of the other Party as strictly confidential. The Party receiving Confidential Information (the "Receiving Party") agrees not to disclose the Confidential Information or permit it to be disclosed, in whole or part, to any third party without the prior written consent of the Party making the disclosure (the "Disclosing Party"). The Receiving Party shall notify the Disclosing Party immediately in the event it becomes aware of any loss or unauthorized disclosure of the Disclosing Party's Confidential Information.

Nothing herein shall be construed to prevent disclosure of Confidential Information as may be required by applicable law or regulation, or pursuant to the valid order of a court of competent jurisdiction or an authorized government agency, provided that the disclosure does not exceed the extent of disclosure required by such law, regulation, or order. The Receiving Party agrees to provide written notice of any such order to an authorized officer of the Disclosing Party within two (2) business days of receiving such order, but in any event sufficiently in advance of making any disclosure to permit the Disclosing Party to contest the order or seek confidentiality protections.

- 7.8 Health Insurance Portability and Accountability Act (HIPAA). Pursuant to Federal regulations promulgated under the authority of the Health Insurance Portability and Accountability Act of 1996, Standards for Privacy of Individually Identifiable Health Information, 42 C.F.R., Parts 160 and 164, District and WFS understand and agree that they and their Personnel will not use confidential client health information, which shall at all times include any and all forms of health care treatment, or billing information, including but not limited to client identity (hereinafter referred to as "Protected Health Information"), except as permitted by the regulations on Health Insurance Portability and Accountability Requirements. District and WFS agree that they will report any Breach, as defined by HIPAA/the Health Information Technology for Economic and Clinical Health Act (HITECH), of such Protected Health Information, to the other Party as soon as possible, but in no event more than three (3) business days after the Breach is discovered, as defined by HIPAA/HITECH.
- 7.9 Entire Agreement. This Agreement constitutes the entire agreement and supersedes any and all other agreements, either oral or in writing, between the parties to this Agreement with respect to the subject matter hereof, and no other agreement, statement or promise relating to the subject matter of this Agreement that is not contained or referenced herein shall be valid or binding.
- 7.10 <u>Governing Law</u>. This Agreement shall be governed by, construed, and enforced in accordance with applicable laws of the Commonwealth of Pennsylvania *without regard to any conflicts of* the principles or provisions of laws. Any action brought under this Agreement shall be brought in Pittsburgh, Pennsylvania.
- 7.11 <u>Counterparts</u>. This Agreement may be executed in one or more counterparts and by electronic or facsimile signature each of which shall be deemed an original and all of which together shall constitute only one Agreement.
- 7.12 Partial Invalidity. Should any provision of this Agreement be declared illegal or unenforceable by any court of competent jurisdiction and cannot be modified to be enforceable, such provision shall immediately become null and void, leaving the remainder of this agreement in full force and effect.
- Non-Solicitation. WFS and its Personnel shall not use Protected Health Information or the 7.13 identity of District's clients for solicitation, marketing, fundraising, or other purposes except as required to perform the Scope of Work at any time during the Agreement or following termination of this Agreement. Neither Party shall, during this Agreement and for a period of one (1) year immediately following termination of this Agreement, either directly or indirectly recruit or induce, attempt to solicit or induce, or assist or encourage others to solicit or induce, hire, offer to hire, entice in any way or in any other manner persuade any employee or agent of the other Party (the "Employer Party"), or any individual who acted in such capacity for the Employer Party in the prior twelve (12) months, to terminate or modify his/her or its employment or other relationship or association with the Employer Party to the detriment of the Employer Party without the written consent of the Employer Party, such consent to be given or withheld in the Employer Party's sole discretion. For the purposes of this clause, a general advertisement or notice of a job listing or opening or other similar general publication of a job search or availability to fill employment positions, including on the internet, shall not be construed as a solicitation or inducement, and the hiring of any such employees or independent contractor who freely responds thereto shall not be a breach of this clause.
- 7.14 Notices. All notices, requests, consents, claims, demands, waivers, and other communications shall be in writing and addressed to the Parties at the addresses set forth below. All Notices shall be delivered by personal delivery, overnight courier, or certified or registered mail. Both Parties agree to keep each other current as to its business and mailing addresses, telephone numbers, email addresses and facsimile number.

If to District: Fox Chapel Area School District

611 Field Club Road Pittsburgh, PA 15238

Attention: Dr. Timothy Mahoney, Director of Special Education

and Pupil Services

If to WFS: Wesley Family Services

615 Alpha Dr, Ste 250 Pittsburgh, PA 15238

Attention: Emily Pietrzak, VP of Finance & HR

or to such other persons or places as either party may from time to time designate by written notice to the other.

- 7.15 <u>Waiver</u>. A waiver by either party of a breach or failure to perform hereunder shall not constitute a waiver of any subsequent breach or failure.
- 7.16 <u>Captions</u>. The captions contained herein are used solely for convenience and shall not be deemed to define or limit the provisions of this Agreement.
- Assignment; Binding Effect. Neither Party shall assign any rights, or delegate or subcontract any obligations, under this Agreement without the other Party's prior written consent, which shall not be unreasonably withheld. Any assignment in violation of the foregoing shall be deemed null and void. Notwithstanding the foregoing, WFS may assign its rights and obligations under this Agreement at any time to the successors and assigns of WFS (including without limitation: any entity owned by, controlling, controlled by, or under common control with WFS; or which may be the successor; or which may acquire all or substantially all of assets and business of WFS; or with or into which WFS may be merged or consolidated). Subject to the limits on assignment stated above, this Agreement will inure to the benefit of, be binding on, and be enforceable against each of the Parties hereto and their respective successors and assigns.

**IN WITNESS WHEREOF,** the parties hereto have executed this Agreement as of the day and year first written above.

Hartwood Elementary School HVAC Project – Engineering Services Agreement

### **Standard Form of Agreement Between Owner and Architect,** Construction Manager as Adviser Edition

**AGREEMENT** made as of the Ninth day of October in the year Two Thousand Twenty-Three (*In words, indicate day, month, and year.*)

**BETWEEN** the Engineer's client identified as the Owner: (Name, legal status, address, and other information)

Fox Chapel Area School District 611 Field Club Road Pittsburgh, PA 15238

and the Engineer: (Name, legal status, address, and other information)

H. F. Lenz Company 1407 Scalp Avenue Johnstown, PA 15904

for the following Project: (Name, location, and detailed description)

HVAC Upgrades at Hartwood Elementary School 3730 Saxonburg Blvd. Pittsburgh, PA 15238

The Construction Manager: (Name, legal status, address, and other information)

Thomas & Williamson Program Management 3270 Babcock Blvd. Pittsburgh, PA 15237

The Owner and Engineer agree as follows.

### **ADDITIONS AND DELETIONS:**

The author of this document has added information needed for its completion. The author may also have revised the text of the original AIA standard form. An Additions and Deletions Report that notes added information as well as revisions to the standard form text is available from the author and should be reviewed. A vertical line in the left margin of this document indicates where the author has added necessary information and where the author has added to or deleted from the original AIA text.

This document has important legal consequences. Consultation with an attorney is encouraged with respect to its completion or modification.

This document is intended to be used in conjunction with AIA Documents A132™-2019, Standard Form of Agreement Between Owner and Contractor, Construction Manager as Adviser Edition; A232™-2019, General Conditions of the Contract for Construction, Construction Manager as Adviser Edition; and C132™-2019, Standard Form of Agreement Between Owner and Construction Manager as Adviser. AIA Document A232™-2019 is adopted in this document by reference. Do not use with other general conditions unless this document is modified.

### TABLE OF ARTICLES

- 1 INITIAL INFORMATION
- 2 ENGINEER'S RESPONSIBILITIES
- 3 SCOPE OF ENGINEER'S BASIC SERVICES
- 4 SUPPLEMENTAL AND ADDITIONAL SERVICES
- 5 OWNER'S RESPONSIBILITIES
- 6 COST OF THE WORK
- 7 COPYRIGHTS AND LICENSES
- 8 CLAIMS AND DISPUTES
- 9 TERMINATION OR SUSPENSION
- 10 MISCELLANEOUS PROVISIONS
- 11 COMPENSATION
- 12 SPECIAL TERMS AND CONDITIONS
- 13 SCOPE OF THE AGREEMENT

### ARTICLE 1 INITIAL INFORMATION

§ 1.1 This Agreement is based on the Initial Information set forth in this Section 1.1.

(For each item in this section, insert the information or a statement such as "not applicable," or "unknown at time of execution".)

### § 1.1.1 The Owner's program for the Project:

(Insert the Owner's program, identify documentation that establishes the Owner's program, or state the manner in which the program will be developed.)

The baseline scope of work include replace the system as follows:

### **HVAC Work-**

- 1) Replace all RTU's and curbs with VAV compatible packaged RTU's;
- 2) Replace all terminal equipment provide VAV boxes (with re-heat coils);
- 3) Replace grilles, registers and diffusers;
- 4) Remove roof-routed hydronic piping, install new piping inside;
- 5) Replace multi-zone hot/cold deck and constant volume ductwork, replace with
- ductwork for a VAV system;
- 6) Replace all multi-zone ductwork;
- 7) Install new automatic temperature controls throughout;
- 8) Replace existing boiler plant with two (2) condensing boilers. Provide new piping, gas, pumps, tanks, make-up water and air, flues, fill station, VFD's, etc.;
- 9) Replace existing electric radiant heating with hot water fin tube;
- 10) Refurbish existing Science Room unit;

### **Electrical Work-**

**User Notes:** 

- 1) Provide power to all new equipment;
- 2) Replace all lighting with LED fixtures. These fixtures should be direct/indirect pendant-mount fixtures;
- 3) Replace all lighting switches with networkable occupancy sensors;

- 4) Fire alarm system modifications;
- 5) Temporarily support all systems cabling and devices for remounting in the new ceiling.

### Plumbing Work-

- 1) Provide limited water, gas and condensate piping and connections.
- 2) Remove the existing abandoned water storage tanks.

### General Work-

- 1) Ceiling replacement;
- 2) Drywall modifications;
- 3) Patch painting;
- 4) Roofing modifications in the flat roof area associated with the RTU replacement.
- 5) Structural modifications to facilitate the roof curb replacement.

Additionally, as listed above, the scope of work will include various related work necessary to gain access to the work areas and then to restore the effected finishes to a like-new condition following the MEP work. The District does not intend to perform a complete renovation of the interiors.

### § 1.1.2 The Project's physical characteristics:

(Identify or describe pertinent information about the Project's physical characteristics, such as size; location; dimensions; geotechnical reports; site boundaries; topographic surveys; traffic and utility studies; availability of public and private utilities and services; legal description of the site; etc.)

The original building was constructed in 1975 as Northwest Area Elementary School. The drawings for building alterations in 2004 indicate that only minimal changes have occurred since the original construction. The most significant change that was reported was that the original building HVAC system was "all-electric". It was subsequently converted to a hydronic system, using gas-fired boilers. The ductwork shop drawings from the original HVAC system installation indicate that fiberglass (ductboard) ductwork arranged to support an open concept floor plan was to be used for the air distribution.

The building was renovated and expanded in 2004. At that time, the HVAC system's multi-zone units were replaced. We are not certain to what extent the ductwork was modified during this project. It has also been reported by the Owner that the existing ductwork now may include interior-lined ductwork.

The existing building is mostly one (1) story with a small mezzanine area. The construction includes a steel structure, brick exterior walls and a slope metal roof. The highest region of the roof is flat with membrane roofing. The mechanical equipment is located there. The gross area of the building is 80,000 square feet.

§ 1.1.3 The Owner's budget for the Cost of the Work, as defined in Section 6.1: (Provide total and, if known, a line item breakdown.)

Based on the limited information available, we estimate the hard cost of this work to be \$6.5 million. Our estimate summary is attached to the RFP.

- § 1.1.4 The Owner's anticipated design and construction milestone dates:
  - Design phase milestone dates, if any:

As illustrated in the figure below:

.2 Construction commencement date:

December 2023

.3 Substantial Completion date or dates:

Init.

August 2024

Other milestone dates:

N/A

§ 1.1.5 The Owner intends the following procurement method for the Project:

(Identify method such as competitive bid or negotiated contract.)

The contracting method will be multiple-prime, although alternative bidding provisions will also be included to allow combination of the prime packages. These alternates may be utilized in the event that bidders are unavailable to bid the smaller, general and plumbing prime contracts.

§ 1.1.6 The Owner's requirements for accelerated or fast-track design and construction, multiple bid packages, or phased construction are set forth below:

(Identify any requirements for fast-track scheduling or phased construction and, if applicable, list number and type of bid/procurement packages.)

None

§ 1.1.7 The Owner's anticipated Sustainable Objective for the Project: (Identify and describe the Owner's Sustainable Objective for the Project, if any.)

**TBD** 

§ 1.1.7.1 If the Owner identifies a Sustainable Objective, the Owner and Engineer shall complete and incorporate AIA Document E235-2019, Sustainable Projects Exhibit, Construction Manager as Adviser Edition, into this Agreement to define the terms, conditions and services related to the Owner's Sustainable Objective. If E235-2019 is incorporated into this Agreement, the Owner and Engineer shall incorporate the completed E235-2019 into the agreements with the consultants and contractors performing services or Work in any way associated with the Sustainable Objective.

§ 1.1.8 The Owner identifies the following representative in accordance with Section 5.4: (List name, address, and other contact information.)

Mr. Daniel Breitkreutz - Director of Ancillary Services Fox Chapel Area School District 611 Field Club Road Pittsburgh, PA 15238

§ 1.1.9 The persons or entities, in addition to the Owner's representative, who are required to review the Engineer's submittals to the Owner are as follows:

(List name, address, and other contact information.)

§ 1.1.10 The Owner shall retain the following consultants and Contractors:

(List name, legal status, address, and other contact information.)

.1 Construction Manager:

> (The Construction Manager is identified on the cover page. If a Construction Manager has not been retained as of the date of this Agreement, state the anticipated date of retention. If the Engineer is to assist the Owner in selecting the Construction Manager, complete Section 4.1.1.1.)

		N/A
	.2	Land Surveyor:
		N/A
	.3	Geotechnical Engineer:
		N/A
,		
	.4	Civil Engineer:
1		N/A
		IV/A
	.5	Other consultants and Contractors: (List any other consultants and Contractors retained by the Owner.)
	§ 1.1.11 The	Engineer identifies the following representative in accordance with Section 2.4:
		ddress, and other contact information.)
	George A. M H.F. Lenz Co	cMillan IV, P.E.
	1407 Scalp A Johnstown, P	venue
	<b>8 1 1 12</b> The	Engineer shall retain the consultants identified in Sections 1.1.12.1 and 1.1.12.2:
		egal status, address, and other contact information.)
		nsultants retained under Basic Services:
	.1	Structural Engineer:
		N/A
1	.2	Mechanical Engineer:
ı		N/A

§ 1.1.12.2 Consultants retained under Supplemental Services:

N/A

§ 1.1.13 Other Initial Information on which the Agreement is based:

N/A

- § 1.2 The Owner and Engineer may rely on the Initial Information. Both parties, however, recognize that the Initial Information may materially change and, in that event, the Owner and the Engineer shall appropriately adjust the Engineer's services, schedule for the Engineer's services, and the Engineer's compensation. The Owner shall adjust the Owner's budget for the Cost of the Work and the Owner's anticipated design and construction milestones, as necessary, to accommodate material changes in the Initial Information.
- § 1.3 The parties shall agree upon protocols governing the transmission and use of Instruments of Service or any other information or documentation in digital form. The parties will use AIA Document E203-2013, Building Information Modeling and Digital Data Exhibit, to establish the protocols for the development, use, transmission, and exchange of digital data.
- § 1.3.1 Any use of, or reliance on, all or a portion of a building information model without agreement to protocols governing the use of, and reliance on, the information contained in the model and without having those protocols set forth in AIA Document E203-2013, Building Information Modeling and Digital Data Exhibit, and the requisite AIA Document G202-2013, Project Building Information Modeling Protocol Form, shall be at the using or relying party's sole risk and without liability to the other party and its contractors or consultants, the authors of, or contributors to, the building information model, and each of their agents and employees.
- § 1.4 The term "Contractors" refers to persons or entities who perform Work under contracts with the Owner that are administered by the Engineer and Construction Manager. The term "Contractors" is used to refer to such persons or entities, whether singular or plural. The term does not include the Owner's own forces, or Separate Contractors, which are persons or entities who perform construction under separate contracts with the Owner not administered by the Engineer and Construction Manager.

### ARTICLE 2 ENGINEER'S RESPONSIBILITIES

- § 2.1 The Engineer shall provide professional services as set forth in this Agreement. The Engineer represents that it is properly licensed in the jurisdiction where the Project is located to provide the services required by this Agreement, or shall cause such services to be performed by appropriately licensed design professionals.
- § 2.2 The Engineer shall perform its services consistent with the professional skill and care ordinarily provided by Engineers practicing in the same or similar locality under the same or similar circumstances. The Engineer shall perform its services as expeditiously as is consistent with such professional skill and care and the orderly progress of the Project.

- § 2.3 The Owner's I Engineer shall provide its services in conjunction with the services of a Program Manager as described in AIA Document C172 - 2014, Standard Form of Agreement Between Owner and Program Manager and the services of a Construction Manager as described in AIA Document C132<sup>TM</sup>\_2019, Standard Form of Agreement Between Owner and Construction Manager. The Owner's Engineer shall not be responsible for actions taken by the Program Manager or the Construction Manager.
- § 2.4 The Engineer shall identify a representative authorized to act on behalf of the Engineer with respect to the Project. The individual identified in §1.1.11 shall serve as the Owner's Engineer's authorized representative. The Owner's Engineer shall not change the authorized representative without prior written consent of the Owner and approval by the Owner of the replacement representative. Failure of the Owner's Engineer to adhere to this requirement shall be considered by the Owner as grounds for a termination of the Owner's Engineer for cause.
- § 2.5 Except with the Owner's knowledge and consent, the Engineer shall not engage in any activity, or accept any employment, interest or contribution that would reasonably appear to compromise the Engineer's professional judgment with respect to this Project.
- § 2.6 The Engineer shall maintain the following insurance until termination of this Agreement. If any of the requirements set forth below are in addition to the types and limits the Engineer normally maintains, the Owner shall pay the Engineer as set forth in Section 11.9.
- § 2.6.1 Commercial General Liability with policy limits of not less than One Million (\$ 1,000,000) for each occurrence and Two Million (\$ 2,000,000) in the aggregate for bodily injury and property damage.
- § 2.6.2 Automobile Liability covering vehicles owned, and non-owned vehicles used, by the Engineer with policy limits of not less than One Million (\$1,000,000) per accident for bodily injury, death of any person, and property damage arising out of the ownership, maintenance and use of those motor vehicles, along with any other statutorily required automobile coverage.
- § 2.6.3 The Engineer shall maintain umbrella or excess liability insurance with policy limits of not less than Two Million Dollars (\$2,000,000.00).
- § 2.6.4 Workers' Compensation at statutory limits.
- § 2.6.5 Employers' Liability with policy limits not less than One Hundred Thousand (\$ 100,000) each accident, One Hundred Thousand (\$ 100,000) each employee, and Five Hundred Thousand (\$ 500,000) policy limit.
- § 2.6.6 Professional Liability covering negligent acts, errors and omissions in the performance of professional services with policy limits of not less than One Million (\$ 1,000,000) per claim and One Million (\$ 1,000,000) in the aggregate.
- § 2.6.7 Additional Insured Obligations. To the fullest extent permitted by law, the Engineer shall cause the primary and excess or umbrella policies for Commercial General Liability and Automobile Liability to include the Owner as an additional insured for claims caused in whole or in part by the Engineer's negligent acts or omissions. The additional insured coverage shall be primary and non-contributory to any of the Owner's insurance policies and shall apply to both ongoing and completed operations.

(Paragraphs deleted)

§ 2.6.8The Engineer shall provide, to the Owner, both policy endorsement(s) or riders and certificates of insurance evidencing compliance with the requirements in this Section 2.6 within ten (10) days of contract award.

### ARTICLE 3 SCOPE OF ENGINEER'S BASIC SERVICES

§ 3.1 The Engineer's Basic Services consist of those described in Article 3 and as set forth in the document attached hereto as Exhibit A, Engineer/CM/Owner Responsibility Matrix and include usual and customary structural, mechanical, and electrical engineering services.

- § 3.1.1 The Engineer shall coordinate its services with those services provided by the Owner, the Construction Manager, and the Owner's other consultants. The Engineer shall consult with the Owner and the Construction Manager, research applicable design criteria, attend plan review and progress Project meetings during preconstruction, and weekly progress meetings from construction through Project completion. The Engineer shall attend and participate in meetings called by the Owner's Facilities Committee and School Board meetings when requested. If other or additional meetings become necessary at any time as a result of the Project requirements or schedule, the Owner and Engineer will mutually agree upon a schedule of these additional meetings as part of basic services. The Engineer shall, communicate regularly with members of the Project team and report progress to the Owner at the Owner's request and otherwise, on a weekly basis.
- § 3.1.2 The Engineer shall coordinate its services with those services provided by the Owner, the Construction Manager and the Owner's other consultants. The Engineer shall be entitled to rely on the accuracy and completeness of services and information furnished by the Owner, the Construction Manager, and the Owner's other consultants. The Engineer shall provide prompt written notice to the Owner if the Engineer becomes aware of any error, omission or inconsistency in such services or information.
- § 3.1.3 As soon as practicable after the date of this Agreement, the Engineer shall submit, for the Construction Manager's review and the Owner's approval, a schedule for the performance of the Engineer's services. The schedule shall include design phase milestone dates, as well as the anticipated dates for the commencement of construction and for Substantial Completion of the Work as set forth in the Initial Information. This schedule shall include allowances for periods of time required for the Owner's review, for the Construction Manager's review, for the performance of the Owner's consultants, and for approval of submissions by authorities having jurisdiction over the Project. Once approved by the Owner, time limits established by the schedule shall not, except for reasonable cause, be exceeded by the Engineer or Owner. With the Owner's approval, the Engineer shall adjust the schedule, if necessary, as the Project proceeds until the commencement of construction.
- § 3.1.4 The Engineer shall submit information to the Construction Manager and participate in developing and revising the Project schedule as it relates to the Engineer's services. The Engineer shall review and approve, or take other appropriate action upon, the portion of the Project schedule relating to the performance of the Engineer's services.
- § 3.1.5 The Engineer shall not be responsible for an Owner's or Construction Manager's directive or substitution, or for the Owner's acceptance of non-conforming Work, made or given without the Engineer's written approval.
- § 3.1.6 The Engineer shall, in coordination with the Construction Manager, contact governmental authorities required to approve the Construction Documents and entities providing utility services to the Project. The Engineer shall respond to applicable design requirements imposed by those authorities and entities.
- § 3.1.7 The Engineer shall assist the Owner and Construction Manager in connection with the Owner's responsibility for filing documents required for the approval of governmental authorities having jurisdiction over the Project.
- § 3.1.9 The Engineer shall investigate existing conditions of facilities.
- § 3.1.10 The Engineer shall review estimates of Construction Costs prepared by the Construction Manager and render an opinion in writing on the probable cost.
- § 3.1.11 The Engineer shall attend the final walk-through with the Contractors, receive and distribute operation and maintenance manuals and attend system testing and personnel training when requested. Additionally, the Engineer shall have a member of his Engineering team attend the final walk through. This shall not be construed as work involving Commissioning, which is not a part of this contract.

### § 3.2 Schematic Design Phase Services

§ 3.2.1 The Engineer, in conjunction with the Construction Manager, shall review the program, schedule and budget for the cost of the work furnished by the Owner and Construction Manager, and shall review laws, codes, and regulations applicable to the Engineer's services.

- § 3.2.2 The Engineer shall prepare a preliminary evaluation of the Owner's program, schedule, budget for the Cost of the Work, Project site, and the proposed procurement or delivery method and other Initial Information, each in terms of the other, to ascertain the requirements of the Project. The Engineer shall notify the Owner of (1) any inconsistencies discovered in the information, and (2) other information or consulting services that may be reasonably needed for the Project.
- § 3.2.3 The Engineer shall present its preliminary evaluation to the Owner and Construction Manager and shall discuss with the Owner and Construction Manager alternative approaches to design and construction of the Project, including the feasibility of incorporating environmentally responsible design approaches. The Engineer shall reach an understanding with the Owner regarding the requirements of the Project.
- § 3.2.4 Based on the Project requirements agreed upon with the Owner, the Engineer shall prepare and present to the Owner and Construction Manager, for the Owner's approval, a preliminary design illustrating the scale and relationship of the Project components.
- § 3.2.5 Based on the Owner's approval of the preliminary design, the Engineer shall prepare Schematic Design Documents for the Owner's approval and the Construction Manager's review. The Schematic Design Documents shall consist of drawings and other documents including a site plan, if appropriate, and preliminary building plans, sections and elevations; and may include some combination of study models, perspective sketches, or digital modeling. Preliminary selections of major building systems and construction materials shall be noted on the drawings or described in writing.
- § 3.2.5.1 The Engineer shall consider environmentally responsible design alternatives, such as material choices and building orientation, together with other considerations based on program and aesthetics, in developing a design that is consistent with the Owner's program, schedule and budget for the Cost of the Work. The Owner may obtain other environmentally responsible design services under Article 4.
- § 3.2.5.2 The Engineer shall consider with the Owner and the Construction Manager the value of alternative materials, building systems and equipment, together with other considerations based on program and aesthetics in developing a design for the Project that is consistent with the Owner's schedule and budget for the Cost of the Work.
- § 3.2.6 The Engineer shall submit the Schematic Design Documents to the Owner and the Construction Manager. The Engineer shall meet with the Construction Manager to review the Schematic Design Documents.
- §3.2.6.1 In the further development of the drawings and specifications during this phase of design, the Engineer shall review and submit to the Owner an Estimate of the Cost of the Work based on current area, for the benefit of the Owner. As the Engineer progresses with the preparation of the Schematic, Design Development and Construction Documents, the Engineer shall update the estimates of the Cost of the Work and submit them to the Owner in advance of the Owner's meetings of its Board of School Directors. The estimated cost of each portion of the Work shall be indicated with supporting detail. The Engineer's estimates of the Cost of the Work shall be provided for the Construction Manager's review and the Owner's approval. The Construction Manager shall review and comment upon the Engineer's estimate. The Engineer's estimate represents the Engineer's judgment as a design professional and it is recognized that neither the Engineer nor the Owner has control over the cost of labor, materials or equipment; the Contractor's methods of determining bid prices; or competitive bidding, market or negotiating conditions. Accordingly, the Engineer cannot and does not warrant that the construction bids will not vary from the Engineer's estimates or the Owner's budget for the Cost of the Work.
- § 3.2.7 Upon receipt of the Construction Manager's review comments and cost estimate at the conclusion of the Schematic Design Phase, the Engineer shall take action as required under Section 6.4, identify agreed upon adjustments to the Project's size, quality or budget, and request the Owner's approval of the Schematic Design Documents. If revisions to the Schematic Design Documents are required to comply with the Owner's budget for the Cost of the Work at the conclusion of the Schematic Design Phase, the Engineer shall incorporate the required revisions in the Design Development Phase.
- § 3.2.8 In the further development of the Drawings and Specifications during this and subsequent phases of design, the Engineer shall prepare estimates of Construction Cost. Should the Engineer's cost estimates differ substantially from those of the Construction Manager, the Engineer shall endeavor to resolve the difference with the Construction

Manager. In such event, where the difference is not resolved, the Engineer shall proceed with the design using the Construction Manager's estimated Construction Cost and make necessary changes to the design to result in the estimate maintaining compliance with the Budget.

### § 3.3 Design Development Phase Services

- § 3.3.1 Based on the Owner's approval of the Schematic Design Documents, and on the Owner's authorization of any adjustments in the Project requirements and the budget for the Cost of the Work, the Engineer shall prepare Design Development Documents for the Construction Manager's review and the Owner's approval. The Design Development Documents shall be based upon information provided, and estimates prepared by, the Construction Manager and shall illustrate and describe the development of the approved Schematic Design Documents and shall consist of drawings and other documents including plans, sections, elevations, typical construction details, and diagrammatic layouts of building systems to fix and describe the size and character of the Project as to architectural, structural, mechanical and electrical systems, and other appropriate elements. The Design Development Documents shall also include outline specifications that identify major materials and systems and establish in general their quality levels.
- § 3.3.2 Prior to the conclusion of the Design Development Phase, the Engineer shall submit the Design Development Documents to the Owner and the Construction Manager. The Engineer shall meet with the Construction Manager to review the Design Development Documents.
- § 3.3.3 Upon receipt of the Construction Manager's information and estimate at the conclusion of the Design Development Phase, the Engineer shall take action as required under Sections 6.5 and 6.6 and request the Owner's approval of the Design Development Documents.
- §3.3.4 The Engineer shall advise the Owner and the Construction Manager of any design changes which would affect the Schematic Design Estimate of Construction Cost.

### §3.3.5 Uncovering the Design Work

- §3.3.5.1 From time to time throughout the Project, the Owner, Construction Manager and the various Authorities Having Jurisdiction will review the design of the project. Where, in the course of these reviews, the Owner and Construction Manger have reasonable cause or belief that the Engineer's Standard of Care is not being met on the Project, the Owner, may, without invalidating this Agreement, or assuming the obligations of the Engineer, reserve the right to engage a third-party review of the Design Work in order to verify that the Standard of Care is being met.
- §3.3.5.2 Should the Owner's third-party review disclose that the matter is not in conformance with the Engineer's Standard of Care, the Engineer and its consultants shall incorporate the recommended changes into the Contract Documents at no additional cost to the Owner.
- §3.3.5.3 Should the Engineer or its consultants reject the recommendations from the third-party reviewer and the matter is later determined to be out of compliance with the Engineer's standard of Care, or otherwise sub-standard or inadequately designed, the Engineer, shall, at its expense, be responsible for all costs to correct the Design, including, but not limited to, the costs for the third-party review as well as all costs required to correct the construction resulting from the sub-standard design.

### § 3.4 Construction Documents Phase Services

- § 3.4.1 Based on the Owner's approval of the Design Development Documents, and on the Owner's authorization of any adjustments in the Project requirements and the budget for the Cost of the Work, the Engineer shall prepare Construction Documents for the Construction Manager's review and the Owner's approval. The Construction Documents shall illustrate and describe the further development of the approved Design Development Documents and shall consist of Drawings and Specifications setting forth in detail the quality levels and performance criteria of materials and systems and other requirements for the construction of the Work. The Owner and Engineer acknowledge that, in order to perform the Work, the Contractor will provide additional information, including Shop Drawings, Product Data, Samples and other similar submittals, which the Engineer shall review in accordance with Section 3.6.4.
- § 3.4.2 The Engineer shall incorporate the design requirements of governmental authorities having jurisdiction over the Project into the Construction Documents.

- § 3.4.2.1 The Engineer shall incorporate the information prepared by the Construction Manager regarding Bidding Requirements, General and Supplemental Conditions to the Contract, Bid Packaging including the Work defined in the Summary of the Project and General Requirements defined in Division One Specifications into the design and Construction Documents, making sure that all are in compliance with the design requirements of governmental authorities having jurisdiction over the Project.
- § 3.4.3 During the development of the Construction Documents, if requested by the Owner, the Engineer shall assist the Owner and the Construction Manager in the development and preparation of (1) procurement information that describes the time, place, and conditions of bidding, including bidding or proposal forms; (2) the form of agreements between the Owner and Contractors; and (3) the Conditions of the Contracts for Construction (General, Supplementary and other Conditions); and (4) a project manual that includes the Conditions of the Contracts for Construction and Specifications, and may include bidding requirements and sample forms.
- § 3.4.4 Prior to the conclusion of the Construction Documents Phase, the Engineer shall submit the Construction Documents to the Owner and the Construction Manager. The Engineer shall meet with the Construction Manager to review the Construction Documents.
- § 3.4.5 Upon receipt of the Construction Manager's information and an estimate at the conclusion of the Construction Documents Phase, the Engineer shall take action as required under Section 6.7, and request the Owner's approval of the Construction Documents.
- § 3.4.6 The Engineer shall assist the Owner, other design professional retained by the Owner and Construction Manager in connection with the Owner's responsibility for filing documents required for the approval of governmental authorities having jurisdiction over the Project, including, but not limited to, submissions required by the PA Department of Education and local jurisdictions having authority for preliminary code reviews, planning approval process, zoning hearings, if applicable and permitting process.

### § 3.5 Procurement Phase Services

### § 3.5.1 General

The Engineer shall assist the Owner and Construction Manager in establishing a list of prospective contractors. Following the Owner's approval of the Construction Documents, the Engineer shall assist the Owner and Construction Manager in (1) obtaining either competitive bids or negotiated proposals; (2) confirming responsiveness of bids or proposals; (3) determining the successful bid or proposal, if any; and (4) awarding and preparing Contracts for Construction.

### § 3.5.2 Competitive Bidding

- § 3.5.2.1 Bidding Documents shall consist of bidding requirements and proposed Contract Documents.
- § 3.5.2.2 The Engineer shall assist the Owner and Construction Manager in bidding the Project by
  - facilitating the distribution of Bidding Documents to prospective bidders;
  - .2 organizing and conducting a pre-bid conference for prospective bidders;
  - .3 preparing responses to questions from prospective bidders and providing clarifications and interpretations of the Bidding Documents to the prospective bidders in the form of addenda; and
  - organizing and conducting the opening of bids, and subsequently documenting and distributing the bidding results, as directed by the Owner.
- § 3.5.2.3 If the Bidding Documents permit substitutions, upon the Owner's written authorization, the Engineer shall, as an Additional Service, consider requests for substitutions, and prepare and distribute addenda identifying approved substitutions to all prospective bidders.
- § 3.5.3 Negotiated Proposals-Intentionally Deleted.

(Paragraphs deleted)

### § 3.6 Construction Phase Services

### § 3.6.1 General

§ 3.6.1.1 The Engineer shall provide administration of the Contract between the Owner and the Contractor as set forth below and in AIA Document A232<sup>TM</sup>\_2019, General Conditions of the Contract for Construction, Construction

Manager as Adviser Edition. If the Owner and Contractor modify AIA Document A232–2019, those modifications shall not affect the Engineer's services under this Agreement unless the Owner and the Engineer amend this Agreement.

- § 3.6.1.2 The Engineer shall advise and consult with the Owner and Construction Manager during the Construction Phase Services. The Engineer shall have authority to act on behalf of the Owner only to the extent provided in this Agreement. The Engineer shall not have control over or charge of and shall not be responsible for construction means, methods, techniques, sequences or procedures, or for safety precautions and programs in connection with the Work, since these are the Contractors' responsibility under the Contracts for Construction. The Engineer shall not be responsible for the Contractors' schedules or failure to carry out the Work in accordance with the Contract Documents. The Engineer shall not be responsible for the performance by the Construction Manager of the services required by the Construction Manager's agreement with the Owner. The Engineer shall not have control over or charge of acts or omissions of the Contractors, Subcontractors, or their agents or employees, or of any other persons performing services or portions of the Work, but shall be responsible for its own intentional and/or negligent acts or omissions. The Engineer shall not accept work not in conformance with the Contract Documents, unless by mutual agreement with the Owner and Construction Manager, and if applicable, an acceptable adjustment in the Contract Sum is submitted by the Contractor.
- § 3.6.1.3 Subject to Section 4.2, and except as provided in Section 3.6.6.5, the Engineer's responsibility to provide Construction Phase Services commences with the award of the initial Contract for Construction and terminates 60 days after the date the Engineer issues the final Certificate for Payment.
- § 3.6.1.4 The Engineer shall visit the site at intervals appropriate to the stage of construction and at a minimum to attend weekly Project Progress Meetings for the duration of the Project to become generally familiar with the progress and quality of the Work completed and to determine in general if the Work is being performed in a manner indicating that the Work when completed will be in accordance with the Contract Documents. However, the Engineer shall not be required to make exhaustive or continuous on-site inspections to check the quality or quantity of the Work. On the basis of on-site observations as the Engineer, the Engineer shall keep the Owner and Construction Manager informed of the progress and quality of the Work and shall endeavor to guard the Owner against defects and deficiencies in the Work. Engineer shall consult with the Construction Manager and provide to the Construction Manager information necessary to assist the Construction Manager in preparing its report to the Owner on known deviations from the most recent construction schedule. The Engineer shall visit the site from construction through Project completion, at a minimum, once per week. the Engineer shall be required to visit the site more frequently as a part of Basic Services only to the extent required to address issues related to the resolving questions or concerns that arise as a result of inadequacies, errors and/or omissions in the Construction Documents prepared by the Engineer.
- § 3.6.1.5 Based on the Engineer's observations and evaluations of each Contractor's Application for Payment, the Engineer and Construction Manager shall review and certify the amounts due the respective Contractors.

### § 3.6.1.6 Warranty Close-Out Assistance

The Engineer, together with the Construction Manager, shall assist the Owner in verifying that the contractors have fulfilled their respective warranty obligations. Immediately prior to the expiration of the Project Warranty periods, the Engineer shall review the condition of the work and, after consultation with the Construction Manager, shall report any observed deficiencies, which constitute a breach of the Contractors' warranty obligations, to the Owner, prior to the expiration of the Project Warranty periods.

### § 3.6.2 Evaluations of the Work

§ 3.6.2.1 The Engineer shall visit the site at intervals appropriate to the stage of construction, or as otherwise required in Section 4.2.3, to become generally familiar with the progress and quality of the portion of the Work completed, and to determine, in general, if the Work observed is being performed in a manner indicating that the Work, when fully completed, will be in accordance with the Contract Documents. However, the Engineer shall not be required to make exhaustive or continuous on-site inspections to check the quality or quantity of the Work. On the basis of the site visits, the Engineer shall keep the Owner reasonably informed about the progress and quality of the portion of the Work completed, and promptly report to the Owner and the Construction Manager (1) known deviations from the Contract Documents, (2) known deviations from the most recent construction schedule submitted by the Construction Manager, and (3) defects and deficiencies observed in the Work.

- § 3.6.2.2 The Engineer has the authority to reject Work that does not conform to the Contract Documents and shall notify the Construction Manager about the rejection. Whenever the Engineer considers it necessary or advisable, the Engineer, upon written authorization from the Owner and notification to the Construction Manager, shall have the authority to require inspection or testing of the Work in accordance with the provisions of the Contract Documents, whether or not the Work is fabricated, installed or completed. However, neither this authority of the Engineer nor a decision made in good faith either to exercise or not to exercise such authority shall give rise to a duty or responsibility of the Engineer to the Contractors, Subcontractors, suppliers, their agents or employees, or other persons or entities performing portions of the Work.
- § 3.6.2.3 The Engineer shall interpret and decide matters concerning performance under, and requirements of, the Contract Documents on written request of the Construction Manager, Owner, or Contractors through the Construction Manager. The Engineer's response to such requests shall be made in writing within any time limits agreed upon or otherwise with reasonable promptness.
- § 3.6.2.4 Interpretations and decisions of the Engineer shall be consistent with the intent of, and reasonably inferable from, the Contract Documents and shall be in writing or in the form of drawings. When making such interpretations and decisions, the Engineer shall endeavor to secure faithful performance by the Owner and Contractors, shall not show partiality to either, and shall not be liable for results of interpretations or decisions rendered in good faith. The Engineer's decisions on matters relating to aesthetic effect shall be final if consistent with the intent expressed in the Contract Documents.
- § 3.6.2.5 Unless the Owner and Contractors designate another person to serve as an Initial Decision Maker, as that term is defined in AIA Document A232–2019, the Engineer, with the assistance of the Construction Manager, shall render initial decisions on Claims between the Owner and Contractors as provided in the Contract Documents.
- **§3.6.2.6** The Engineer shall render written decisions within a reasonable time on all claims, disputes or other matters in question between the Owner and Contractors relating to the execution or progress of the Work as provided in the Contract Documents.
- §3.6.2.7 The Engineer's decisions on claims, disputes or other matters, including those in questions between the Owner and Contractors, except for those relating to aesthetic effect, shall be subject mediation as a condition precedent to litigation as provided in this Agreement and in the Contract Documents.

### § 3.6.3 Certificates for Payment to Contractor

- § 3.6.3.1 Not more frequently than monthly, the Engineer shall review and certify an application for payment. Within seven days after the Engineer receives an application for payment forwarded from the Construction Manager, the Engineer shall review and certify the application as follows:
  - Where there is only one Contractor responsible for performing the Work, the Engineer shall review the Contractor's Application and Certificate for Payment that the Construction Manager has previously reviewed and certified. The Engineer shall certify the amount due the Contractor and shall issue a Certificate for Payment in such amount.
  - Where there is more than one Contractor responsible for performing different portions of the Project, the Engineer shall review the Project Application and Project Certificate for Payment, with the Summary of Contractors' Applications for Payment, that the Construction Manager has previously prepared, reviewed, and certified. The Engineer shall certify the total amount due all Contractors collectively and shall issue a Project Certificate for Payment in the total of such amounts.
- § 3.6.3.2 The Engineer's certification for payment shall constitute a representation to the Owner, based on (1) the Engineer's evaluation of the Work as provided in Section 3.6.2, (2) the data comprising the Contractor's Application for Payment or the data comprising the Project Application for Payment, and (3) the recommendation of the Construction Manager, that, to the best of the Engineer's knowledge, information and belief, the Work has progressed to the point indicated, the quality of the Work is in accordance with the Contract Documents, and that the Contractors are entitled to payment in the amount certified. The foregoing representations are subject to (1) an evaluation of the Work for conformance with the Contract Documents upon Substantial Completion, (2) results of subsequent tests and inspections, (3) correction of minor deviations from the Contract Documents prior to completion, and (4) specific qualifications expressed by the Engineer.

§ 3.6.3.3 The issuance of a Certificate for Payment or a Project Certificate for Payment shall not be a representation that the Engineer has (1) made exhaustive or continuous on-site inspections to check the quality or quantity of the Work, (2) reviewed construction means, methods, techniques, sequences or procedures, (3) reviewed copies of requisitions received from Subcontractors and suppliers and other data requested by the Owner to substantiate each Contractor's right to payment, or (4) ascertained how or for what purpose that Contractor has used money previously paid on account of the Contract Sum.

§ 3.6.3.4 The Engineer shall maintain a record of the Applications and Certificates for Payment.

### § 3.6.4 Submittals

- § 3.6.4.1 The Engineer shall review the Construction Manager's Project submittal schedule and shall not unreasonably delay or withhold approval of the schedule. The Engineer's action in reviewing submittals transmitted by the Construction Manager shall be taken in accordance with the approved submittal schedule or, in the absence of an approved submittal schedule, with reasonable promptness while allowing sufficient time, in the Engineer's professional judgment, to permit adequate review.
- § 3.6.4.2 The Engineer shall review and approve, or take other appropriate action upon, the Contractors' submittals such as Shop Drawings, Product Data and Samples, that the Construction Manager has reviewed, recommended for approval, and transmitted to the Engineer. The Engineer's review of the submittals shall only be for the limited purpose of checking for conformance with information given and the design concept expressed in the Contract Documents. Review of such submittals is not for the purpose of determining the accuracy and completeness of other information such as dimensions, quantities, and installation or performance of equipment or systems, which are the Contractors' responsibilities. The Engineer's review shall not constitute approval of safety precautions or construction means, methods, techniques, sequences or procedures. The Engineer's approval of a specific item shall not indicate approval of an assembly of which the item is a component.
- § 3.6.4.3 If the Contract Documents specifically require the Contractors to provide professional design services or certifications by a design professional related to systems, materials or equipment, the Engineer shall specify the appropriate performance and design criteria that such services must satisfy. The Engineer shall review and take appropriate action on Shop Drawings and other submittals related to the Work designed or certified by the Contractors' design professionals, provided the submittals bear such professionals' seal and signature when submitted to the Engineer. The Engineer's review shall be for the limited purpose of checking for conformance with information given and the design concept expressed in the Contract Documents. The Engineer shall be entitled to rely upon, and shall not be responsible for, the adequacy and accuracy of the services, certifications, and approvals performed or provided by such design professionals.
- § 3.6.4.4 After receipt of the Construction Manager's recommendations, and subject to the provisions of Section 4.2, the Engineer shall review and respond to requests for information about the Contract Documents. The Engineer, in consultation with the Construction Manager, shall set forth in the Contract Documents the requirements for requests for information. Requests for information shall include, at a minimum, a detailed written statement that indicates the specific Drawings or Specifications in need of clarification and the nature of the clarification requested. The Engineer's response to such requests shall be made in writing within any time limits agreed upon, or otherwise with reasonable promptness. If appropriate, the Engineer shall prepare and issue supplemental Drawings and Specifications in response to the requests for information.
- § 3.6.4.5 The Engineer shall maintain a record of submittals and copies of submittals transmitted by the Construction Manager in accordance with the requirements of the Contract Documents.

### § 3.6.5 Changes in the Work

- § 3.6.5.1 The Engineer shall review and sign, or take other appropriate action, on Change Orders and Construction Change Directives prepared by the Construction Manager for the Owner's approval and execution in accordance with the Contract Documents.
- § 3.6.5.2 The Engineer may order minor changes in the Work that are consistent with the intent of the Contract Documents and do not involve an adjustment in the Contract Sum or an extension of the Contract Time. Such changes shall be effected by written order issued by the Engineer through the Construction Manager.
- § 3.6.5.3 The Engineer shall maintain records relative to changes in the Work.

### § 3.6.6 Project Completion

- § 3.6.6.1 The Engineer, assisted by the Construction Manager, shall:
  - 1 conduct inspections to determine the date of Substantial Completion and the date of final completion;
  - .2 issue a Certificate of Substantial Completion prepared by the Construction Manager;
  - .3 review written warranties and related documents required by the Contract Documents and received from the Contractors, through the Construction Manager; and
  - 4 after receipt of a final Contractor's Application and Certificate for Payment or a final Project Application and Project Certificate for Payment from the Construction Manager, issue a final Certificate for Payment based upon a final inspection indicating that, to the best of the Engineer's knowledge, information, and belief, the Work complies with the requirements of the Contract Documents.
- § 3.6.6.2 The Engineer's inspections shall be conducted with the Owner and Construction Manager to (1) check conformance of the Work with the requirements of the Contract Documents and (2) verify the accuracy and completeness of the lists submitted by the Construction Manager and Contractors of Work to be completed or corrected.
- § 3.6.6.3 When Substantial Completion has been achieved, the Engineer shall inform the Owner about the balance of the Contract Sum remaining to be paid each of the Contractors, including the amount to be retained from the Contract Sum, if any, for final completion or correction of the Work.
- § 3.6.6.4 The Engineer shall forward to the Owner the following information received from the Contractors, through the Construction Manager: (1) consent of surety or sureties, if any, to reduction in or partial release of retainage or the making of final payment; (2) affidavits, receipts, releases and waivers of liens, or bonds indemnifying the Owner against liens; and (3) any other documentation required of the Contractors under the Contract Documents.
- § 3.6.6.5 Upon request of the Owner, and prior to the expiration of one year from the date of Substantial Completion, the Engineer shall, without additional compensation, conduct a meeting with the Owner and Construction Manager to review the facility operations and performance.

### ARTICLE 4 SUPPLEMENTAL AND ADDITIONAL SERVICES

### § 4.1 Supplemental Services

§ 4.1.1 The services listed below are not included in Basic Services but may be required for the Project. The Engineer shall provide the listed Supplemental Services only if specifically designated in the table below as the Engineer's responsibility, and the Owner shall compensate the Engineer as provided in Section 11.2. Unless otherwise specifically addressed in this Agreement, if neither the Owner nor the Engineer is designated, the parties agree that the listed Supplemental Service is not being provided for the Project.

(Designate the Engineer's Supplemental Services and the Owner's Supplemental Services required for the Project by indicating whether the Engineer or Owner shall be responsible for providing the identified Supplemental Service. Insert a description of the Supplemental Services in Section 4.1.2 below or attach the description of services as an exhibit to this Agreement.)

Supplemental Services		Responsibility (Engineer, Owner or Not Provided)
§ 4.1.1.1	Assistance with selection of Construction Manager	Not Provided
§ 4.1.1.2	Programming	Not Provided
§ 4.1.1.3	Multiple preliminary designs	Not Provided
§ 4.1.1.4	Measured drawings	Not Provided
§ 4.1.1.5	Existing facilities surveys	Not Provided
§ 4.1.1.6	Site evaluation and planning	Not Provided
§ 4.1.1.7	Building Information Model management responsibilities	Not Provided
§ 4.1.1.8	Development of Building Information Models for post	Not Provided
	construction use	
§ 4.1.1.9	Civil engineering	Not Provided

§ 4.1.1.10	Landscape design	Not Provided
§ 4.1.1.11	Architectural interior design	Not Provided
§ 4.1.1.12	Value analysis	Not Provided
§ 4.1.1.13	Cost estimating	Not Provided
§ 4.1.1.14	On-site project representation	Not Provided
§ 4.1.1.15	Conformed documents for construction	Not Provided
§ 4.1.1.16	As-designed record drawings	Not Provided
§ 4.1.1.17	As-constructed record drawings	Not Provided
§ 4.1.1.18	Post-occupancy evaluation	Not Provided
§ 4.1.1.19	Facility support services	Not Provided
§ 4.1.1.20	Tenant-related services	Not Provided
§ 4.1.1.21	Engineer's coordination of the Owner's consultants	Not Provided
§ 4.1.1.22	Telecommunications/data design	Not Provided
§ 4.1.1.23	Security evaluation and planning	Not Provided
§ 4.1.1.24	Commissioning	By Owner's CM through Substantial Completion
§ 4.1.1.25	Sustainable Project Services pursuant to Section 4.1.3	TBA
§ 4.1.1.26	Historic preservation	Not Provided
§ 4.1.1.27	Furniture, furnishings, and equipment design	Not Provided
§ 4.1.1.28	Other services provided by specialty Consultants	Not Provided
§ 4.1.1.29	Other Supplemental Services	Not Provided

### § 4.1.2 Description of Supplemental Services

§ 4.1.2.1 A description of each Supplemental Service identified in Section 4.1.1 as the Engineer's responsibility is provided below.

(Describe in detail the Engineer's Supplemental Services identified in Section 4.1.1 or, if set forth in an exhibit, identify the exhibit. The AIA publishes a number of Standard Form of Engineer's Services documents that can be included as an exhibit to describe the Engineer's Supplemental Services.)

§ 4.1.2.2 A description of each Supplemental Service identified in Section 4.1.1 as the Owner's responsibility is provided below.

(Describe in detail the Owner's Supplemental Services identified in Section 4.1.1 or, if set forth in an exhibit, identify the exhibit.)

§ 4.1.3 If the Owner identified a Sustainable Objective in Article 1, the Engineer shall provide, as a Supplemental Service, the Sustainability Services required in AIA Document E235<sup>TM</sup>—2019, Sustainable Projects Exhibit, Construction Manager as Adviser Edition, attached to this Agreement. The Owner shall compensate the Engineer as provided in Section 11.2.

### § 4.2 Engineer's Additional Services

The Engineer may provide Additional Services after execution of this Agreement, without invalidating the Agreement. Except for services required due to the fault of the Engineer, any Additional Services provided in accordance with this Section 4.2 shall entitle the Engineer to compensation pursuant to Section 11.3 and an appropriate adjustment in the Engineer's schedule.

- § 4.2.1 Upon recognizing the need to perform the following Additional Services, the Engineer shall notify the Owner with reasonable promptness and explain the facts and circumstances giving rise to the need. The Engineer shall not proceed to provide the following Additional Services until the Engineer receives the Owner's written authorization:
  - .1 Services necessitated by a change in the Initial Information, previous instructions or recommendations given by the Construction Manager or the Owner, approvals given by the Owner, or a material change in the Project including size, quality, complexity, building systems, the Owner's schedule or budget for Cost of the Work, constructability considerations, procurement or delivery method, or bid packages in addition to those listed in Section 1.1.6;
  - Making revisions in Drawings, Specifications, or other documents (as required pursuant to Section 6.7), when such revisions are required because the Construction Manager's estimate of the Cost of the Work exceeds the Owner's budget, except where such excess is due to changes initiated by the Engineer in scope, capacities of basic systems, or the kinds and quality of materials, finishes or equipment;
  - .3 Services necessitated by enactment or revision of codes, laws, or regulations, including changing or editing previously prepared Instruments of Service;
  - 4 Changing or editing previously prepared Instruments of Service necessitated by official interpretations of applicable codes, laws or regulations that are either (a) contrary to specific interpretations by the applicable authorities having jurisdiction made prior to the issuance of the building permit, or (b) contrary to requirements of the Instruments of Service when those Instruments of Service were prepared in accordance with the applicable standard of care;
  - .5 Services necessitated by decisions of the Owner or Construction Manager not rendered in a timely manner or any other failure of performance on the part of the Owner, Construction Manager or the Owner's other consultants or contractors;
  - .6 Preparing digital models or other design documentation for transmission to the Owner's consultants and contractors, or to other Owner-authorized recipients;
  - .7 Preparation of design and documentation for alternate bid or proposal requests proposed by the Owner or Construction Manager;
  - .8 Preparation for, and attendance at, a public presentation, meeting or hearing;
  - **.9** Preparation for, and attendance at, a dispute resolution proceeding or legal proceeding, except where the Engineer is party thereto;
  - .10 Evaluation of the qualifications of entities providing bids or proposals;
  - .11 Consultation concerning replacement of Work resulting from fire or other cause during construction; or
  - .12 Assistance to the Initial Decision Maker, if other than the Engineer.
- § 4.2.2 To avoid delay in the Construction Phase, the Engineer shall provide the following Additional Services, notify the Owner with reasonable promptness, and explain the facts and circumstances giving rise to the need. If, upon receipt of the Engineer's notice, the Owner determines that all or parts of the services are not required, the Owner shall give prompt written notice to the Engineer of the Owner's determination. The Owner shall compensate the Engineer for the services provided prior to the Engineer's receipt of the Owner's notice:
  - .1 Reviewing a Contractor's submittal out of sequence from the Project submittal schedule approved by the Engineer;
  - .2 Responding to the Contractors' requests for information that are not prepared in accordance with the Contract Documents or where such information is available to the Contractors from a careful study and comparison of the Contract Documents, field conditions, other Owner-provided information, Contractor-prepared coordination drawings, or prior Project correspondence or documentation;
  - **.3** Preparing Change Orders, and Construction Change Directives that require evaluation of Contractors' proposals and supporting data, or the preparation or revision of Instruments of Service;
  - .4 Evaluating an extensive number of Claims as the Initial Decision Maker; or
  - **.5** Evaluating substitutions proposed by the Owner, Construction Manager or Contractors and making subsequent revisions to Instruments of Service resulting therefrom.

### § 4.2.3

**User Notes:** 

(Paragraphs deleted)

Revisions of Drawings, Specifications and other documents required because initial bids exceed the Project Budget by more than 10% are Basic Services, not Additional Services and the Engineer will receive no additional compensation from the Owner for such services. The Estimate of Construction Cost shall be mutually established by the

Construction Manager, reviewed and approved by the Owner before commencement of the Schematic Design Phase and shall only be increased upon agreement of the parties.

- § 4.2.4 Except for services required under Section 3.6.6.5 and those services that do not exceed the limits set forth in Section 4.2.3, Construction Phase Services provided more than 60 days after (1) the date of Substantial Completion of the Work, or (2) the anticipated date of Substantial Completion identified in the Initial Information, whichever is earlier, shall be compensated as Additional Services to the extent the Engineer incurs additional cost in providing those Construction Phase Services.
- § 4.2.5 If the services covered by this Agreement have not been completed within Eleven (11) months of the date of this Agreement, through no fault of the Engineer, extension of the Engineer's services beyond that time shall be compensated as Additional Services.
- § 4.3 Additional Services may be provided after execution of this Agreement upon written request of the Owner, without invalidating the Agreement. Except for services required due to the fault of the Engineer, any Additional Services provided in accordance with this Section 4.3 shall entitle the Engineer to compensation pursuant to Section 11.3 and an appropriate adjustment in the Engineer's schedule.
- § 4.3.1 Upon recognizing the need to perform the following Additional Services, the Engineer shall notify the Owner in writing with reasonable promptness and explain the facts and circumstances giving rise to the need. The Engineer shall not proceed to provide the following services until the Engineer receives the Owner's written authorization:
  - .1 Services necessitated by a substantial change in the Initial Information, previous instructions or recommendations given by the Construction Manager or the Owner, or approvals given by the Owner, or a material change in the Project including, but not limited to, size, quality, complexity, building systems, the Owner's schedule or budget for Cost of the Work, constructability considerations, procurement or delivery method, or bid packages in addition to those listed in Section 1.1.6;

# ARTICLE 5 OWNER'S RESPONSIBILITIES

- § 5.1 Unless otherwise provided for under this Agreement, the Owner shall provide information in a timely manner regarding requirements for and limitations on the Project, including a written program which shall set forth the Owner's objectives, schedule, constraints and criteria, including space requirements and relationships, flexibility, expandability, special equipment, systems and site requirements.
- § 5.2 The Owner shall retain a Construction Manager to provide services, duties and responsibilities as described in AIA Document C132–2019, Standard Form of Agreement Between Owner and Construction Manager as Adviser. The Owner shall provide the Engineer with a copy of the scope of services in the agreement executed between the Owner and the Construction Manager, and any subsequent modifications to the Construction Manager's scope of services in the agreement.
- § 5.3 The Owner shall establish and periodically update the Owner's budget for the Project, including (1) the budget for the Cost of the Work as defined in Section 6.1, (2) the Owner's other costs, and (3) reasonable contingencies related to all of these costs. The Owner shall furnish the services of a Construction Manager that shall be responsible for preparing all estimates of the Cost of the Work, review and commenting upon all estimates of the Cost of the Work prepared by the Owner's Engineer and for value engineering. If the Owner significantly increases or decreases the Owner's budget for the Cost of the Work, the Owner shall notify the Owner's Engineer and the Construction Manager. The Owner and the Owner's Engineer, in consultation with the Construction Manager, shall thereafter agree to a corresponding change in the budget for the Cost of the Work or in the Project's scope and quality.

# (Paragraph deleted)

- § 5.4 The Owner shall identify a representative authorized to act on the Owner's behalf with respect to the Project. The Owner shall render decisions and approve the Engineer's submittals in a timely manner in order to avoid unreasonable delay in the orderly and sequential progress of the Engineer's services.
- § 5.5 The Owner shall furnish surveys to describe physical characteristics, legal limitations and utility locations for the site of the Project, and a written legal description of the site. The surveys and legal information shall include, as applicable, grades and lines of streets, alleys, pavements and adjoining property and structures; designated wetlands; adjacent drainage; rights-of-way, restrictions, easements, encroachments, zoning, deed restrictions, boundaries and

contours of the site; locations, dimensions, and other necessary data with respect to existing buildings, other improvements and trees; and information concerning available utility services and lines, both public and private, above and below grade, including inverts and depths. All the information on the survey shall be referenced to a Project benchmark.

- § 5.6 The Owner shall furnish services of geotechnical engineers, which may include test borings, test pits, determinations of soil bearing values, percolation tests, evaluations of hazardous materials, seismic evaluation, ground corrosion tests and resistivity tests, including necessary operations for anticipating subsoil conditions, with written reports and appropriate recommendations.
- § 5.7 The Owner shall provide the Supplemental Services designated as the Owner's responsibility in Section 4.1.1.
- § 5.8 If the Owner identified a Sustainable Objective in Article 1, the Owner shall fulfill its responsibilities as required in AIA Document E235™\_2019, Sustainable Projects Exhibit, Construction Manager as Adviser Edition, attached to this Agreement.
- § 5.9 The Owner shall coordinate the services of its own consultants with those services provided by the Engineer. Upon the Engineer's request, the Owner shall furnish copies of the scope of services in the contracts between the Owner and the Owner's consultants. The Owner shall furnish the services of consultants other than those designated as the responsibility of the Engineer in this Agreement, or authorize the Engineer to furnish them as an Additional Service, when the Engineer requests such services and demonstrates that they are reasonably required by the scope of the Project. The Owner shall require that its consultants and contractors maintain insurance, including professional liability insurance, as appropriate to the services or work provided.
- § 5.10 The Owner shall furnish tests, inspections and reports required by law or the Contract Documents, such as structural, mechanical, and chemical tests, tests for air and water pollution, and tests for hazardous materials.
- § 5.11 The Owner shall furnish all legal, insurance and accounting services, including auditing services, that may be reasonably necessary at any time for the Project to meet the Owner's needs and interests.
- § 5.12 The Owner shall provide prompt written notice to the Engineer and Construction Manager if the Owner becomes aware of any fault or defect in the Project, including errors, omissions or inconsistencies in the Engineer's Instruments of Service.
- § 5.13 The Owner shall communicate with the Contractors and the Construction Manager's consultants through the Construction Manager about matters arising out of or relating to the Contract Documents. The Owner and Construction Manager shall include the Engineer in all communications that relate to or affect the Engineer's services or professional responsibilities. The Owner shall promptly notify the Engineer of the substance of any direct communications between the Owner and the Construction Manager otherwise relating to the Project. Communications by and with the Engineer's consultants shall be through the Engineer.
- § 5.14 Before executing the Contracts for Construction, the Owner shall coordinate the Engineer's duties and responsibilities set forth in the Contracts for Construction with the Engineer's services set forth in this Agreement. The Owner shall provide the Engineer a copy of the executed agreements between the Owner and Contractors, including the General Conditions of the Contracts for Construction.
- § 5.15 The Owner shall provide the Engineer access to the Project site prior to commencement of the Work and shall obligate the Construction Manager and Contractors to provide the Engineer access to the Work wherever it is in preparation or progress.

(Paragraph deleted)

### COST OF THE WORK ARTICLE 6

§ 6.1 For purposes of this Agreement, the Cost of the Work shall be the total cost to the Owner to construct all elements of the Project designed or specified by the Engineer and shall include the Contractors' general conditions costs, overhead and profit. The Cost of the Work does not include the compensation of the Engineer, Construction

Manager, and any agent, servant, or employee of the Engineer or Construction Manager, the costs of the land, rights-of-way, financing, contingencies for changes in the Work or other costs that are the responsibility of the Owner. § 6.2 The Owner's budget for the Cost of the Work is provided in Initial Information and shall be adjusted throughout the Project as required under Sections 5.3 and 6.4. Evaluations of the Owner's budget for the Cost of the Work represent the Engineer's judgment as a design professional.

- § 6.3 The Owner shall require the Construction Manager to include appropriate contingencies for design, bidding or negotiating, price escalation, and market conditions in estimates of the Cost of the Work. The Engineer shall be entitled to rely on the accuracy and completeness of estimates of the Cost of the Work the Construction Manager prepares as the Engineer progresses with its Basic Services. The Engineer shall prepare, as an Additional Service, revisions to the Drawings, Specifications or other documents required due to the Construction Manager's inaccuracies or incompleteness in preparing cost estimates, or due to market conditions the Engineer could not reasonably anticipate. The Engineer may review the Construction Manager's estimates solely for the Engineer's guidance in completion of its services, however, the Engineer shall report to the Owner any material inaccuracies and inconsistencies noted during any such review.
- § 6.3.1 If the Engineer is providing cost estimating services as a Supplemental Service, and a discrepancy exists between the Construction Manager's cost estimates and the Engineer's cost estimates, the Engineer and the Construction Manager shall work together to reconcile the cost estimates.
- § 6.4 If, prior to the conclusion of the Design Development Phase, the Construction Manager's estimate of the Cost of the Work exceeds the Owner's budget for the Cost of the Work, the Engineer, in consultation with the Construction Manager, shall make appropriate recommendations to the Owner to adjust the Project's size, quality or budget for the Cost of the Work, and the Owner shall cooperate with the Engineer in making such adjustments.
- § 6.5 If the Construction Manager's estimate of the Cost of the Work at the conclusion of the Design Development Phase exceeds the Owner's budget for the Cost of the Work, the Owner shall
  - give written approval of an increase in the budget for the Cost of the Work; .1
  - .2 terminate in accordance with Section 9.5:
  - .3 in consultation with the Engineer and Construction Manager, revise the Project program, scope, or quality as required to reduce the Cost of the Work; or
  - implement any other mutually acceptable alternative.
- § 6.6 If the Owner chooses to proceed under Section 6.5.3, the Engineer, without additional compensation, shall incorporate the revisions in the Construction Documents Phase as necessary to comply with the Owner's budget for the Cost of the Work at the conclusion of the Design Development Phase Services, or the budget as adjusted under Section 6.5.1. The Engineer's revisions in the Construction Documents Phase shall be the limit of the Engineer's responsibility under this Article 6.
- § 6.7 After incorporation of modifications under Section 6.6, the Engineer shall, as an Additional Service, make any required revisions to the Drawings, Specifications or other documents necessitated by subsequent cost estimates that exceed the Owner's budget for the Cost of the Work, except when the excess is due to changes initiated by the Engineer in scope, basic systems, or the kinds and quality of materials, finishes or equipment.

### ARTICLE 7 **COPYRIGHTS AND LICENSES**

- § 7.1 The Engineer and the Owner warrant that in transmitting Instruments of Service, or any other information, the transmitting party is the copyright owner of such information or has permission from the copyright owner to transmit such information for its use on the Project. If the Owner and Engineer intend to transmit Instruments of Service or any other information or documentation in digital form, they shall endeavor to establish necessary protocols governing such transmissions.
- § 7.2 The Engineer and the Engineer's consultants shall be deemed the authors and owners of their respective Instruments of Service, including the Drawings and Specifications, and shall retain all common law, statutory and other reserved rights, including copyrights. Submission or distribution of Instruments of Service to meet official regulatory requirements or for similar purposes in connection with the Project is not to be construed as publication in derogation of the reserved rights of the Engineer and the Engineer's consultants.

20

- § 7.3 The Engineer grants to the Owner a nonexclusive license to use the Engineer's Instruments of Service solely and exclusively for purposes of constructing, using, maintaining, altering and adding to the Project, provided that the Owner substantially performs its obligations under this Agreement, including prompt payment of all sums due pursuant to Article 9 and Article 11. The Engineer shall obtain similar nonexclusive licenses from the Engineer's consultants consistent with this Agreement. The license granted under this section permits the Owner to authorize the Contractors, Construction Manager, Subcontractors, Sub-subcontractors, and suppliers, as well as the Owner's consultants and Separate Contractors, to reproduce applicable portions of the Instruments of Service, subject to any protocols established pursuant to Section 1.3, solely and exclusively for use in performing services or construction for the Project.
- § 7.3.1 In the event the Owner uses the Instruments of Service without retaining the authors of the Instruments of Service, the Owner releases the Engineer and Engineer's consultant(s) from all claims and causes of action arising from such uses. The Owner, to the extent permitted by law, further agrees to indemnify and hold harmless the Engineer and its consultants from all costs and expenses, including the cost of defense, related to claims and causes of action asserted by any third person or entity to the extent such costs and expenses arise solely from the Owner's use of the Instruments of Service under this Section 7.3.1. The terms of this Section 7.3.1 shall not apply if the Owner rightfully terminates this Agreement for cause under Section 9.4.
- § 7.4 Except for the licenses granted in this Article 7, no other license or right shall be deemed granted or implied under this Agreement. The Owner shall not assign, delegate, sublicense, pledge or otherwise transfer any license granted herein to another party without the prior written agreement of the Engineer. Any unauthorized use of the Instruments of Service shall be at the Owner's sole risk and without liability to the Engineer and the Engineer's consultants.
- § 7.5 Except as otherwise stated in Section 7.3, the provisions of this Article 7 shall survive the termination of this Agreement.
- § 7.6 Subsequent to receipt of bids, Engineer agrees to make available to the lowest responsible bidder with a responsive bid under each prime contract a complete "build to" set of drawings and specifications as part of the Engineer's Basic Services hereunder.
- § 7.7 At Project Close Out, Engineer agrees to compile all contractor redlined drawings into a complete set of "Record" drawings and forward them to the Owner as part of the Engineer's Basic Services hereunder.

### **CLAIMS AND DISPUTES** ARTICLE 8

# § 8.1 General

- § 8.1.1 The Owner and Engineer shall commence all claims and causes of action, whether in contract, tort or otherwise, against the other arising out of or related to this Agreement in accordance with the laws of the Commonwealth of Pennsylvania, in the Court of Common Pleas of Allegheny County within the period specified by applicable law.
- § 8.1.2 To the extent damages are covered by property insurance, the Owner and Engineer waive all rights against each other and against the contractors, consultants, agents and employees of the other for damages, except such rights as they may have to the proceeds of such insurance as set forth in AIA Document A232-2009, General Conditions of the Contract for Construction. The Owner or the Engineer, as appropriate, shall require of the Construction Manager, contractors, consultants, agents and employees of any of them similar waivers in favor of the other parties enumerated herein.
- § 8.1.3 The Engineer shall defend, (except for the defense of professional liability claims) indemnify and hold the Owner and the Owner's officers, administrators, Directors and employees harmless from and against damages, losses and judgments arising from claims by third parties, including reasonable attorneys' fees and expenses recoverable under applicable law, but only to the extent they are caused by the negligent or otherwise wrongful errors, acts or omissions of the Engineer, its employees and/or its consultants in the performance of professional services under this Agreement.

# § 8.1.4 Intentionally Deleted.

# § 8.2 Mediation

- § 8.2.1 A dispute as defined under Article 8 is subject to mediation as a condition precedent to litigation in the Court of Common Pleas of Allegheny County, PA.
- § 8.2.2 The Owner and Engineer shall endeavor to resolve claims, disputes and other matters in question between them by mediation which, unless the parties mutually agree otherwise, shall be administered by a private, third-party mediator upon whom both the Owner and Engineer agree. A request for mediation shall be made in writing, delivered to the other party to the Contract and filed with the person administering the mediation. The request may be made concurrently with the filing of a Complaint but, in each event, mediation shall proceed in advance of litigation proceedings, which shall be stayed pending mediation for a period of 60 days from the date of filing, unless stayed for a longer period by agreement of the parties or by Court Order.
- § 8.2.3 The parties shall share the mediator's fee equally. The mediation shall be held in the place where the Project is located. Agreements reached in mediation shall be enforceable as settlement agreements in any court having jurisdiction thereof.
- § 8.2.4 If the parties do not resolve a dispute through mediation pursuant to this Section 8.2, the method of binding dispute resolution shall be the following:

(Check the appropriate

(Paragraphs deleted)

box. If the Owner and Engineer do not select a method of binding dispute resolution below, or do not subsequently agree in writing to a binding dispute resolution method other than litigation, the dispute will be resolved in a court of competent jurisdiction.)

# ARTICLE 9 TERMINATION OR SUSPENSION

- § 9.1 If the Owner fails to make payments to the Engineer in accordance with this Agreement, the Engineer may upon seven (7) days written notice to the Owner, suspend performance of services under this Agreement unless payment in full is received by the Engineer within seven (7) days of the date of the Notice, the suspension shall take effect without further Notice. In the event of a suspension of services, the Engineer shall have no liability to the Owner for delay or damage caused the Owner because of such suspension of service, unless it is determined that the Engineer 's suspension was wrongful or not in good faith. Before resuming services, the Engineer shall be paid all sums due prior to suspension and any expenses incurred, by the interruption and resumption of the Engineer 's services. The Engineer's time schedules shall be equitably adjusted.
- **§ 9.2** If the Owner suspends the Project for more than thirty (30) consecutive days, the Engineer shall be compensated for services performed prior to notice of such suspension. When the Project is resumed, the Engineer shall be compensated for expenses incurred after the 30<sup>th</sup> day in the interruption and resumption of the Engineer's services. The Engineer 's fees for the remaining services and the time schedules shall be equitably adjusted.
- § 9.3 This Agreement may be terminated by the Owner upon not less than seven (7) days' written notice to the Engineer in the event that the Project is permanently abandoned. If the Owner suspends the Project for more than 90 cumulative days for reasons other than the fault of the Engineer, the Engineer may terminate this Agreement by giving not less than seven (7) days' written notice.
- § 9.4 When the Contract is terminated by the Owner for cause, because of failure to perform, payment to the Engineer will be limited to fees, incentives and expenses actually earned and incurred less any damages that may be caused by

the engineer's breach of contract. No payment is due to the Engineer in any event until the project is completed, all lien waivers are collected, and final waivers and releases of lien are obtained.

- § 9.5 Either party may terminate this Agreement upon not less than (7) seven days' written notice should the other party fail substantially to perform in accordance with the terms of this Agreement through no fault of the party initiating the termination.
- § 9.6 The Owner may terminate this Agreement upon not less than (7) seven days' written notice to the Engineer for the Owner's convenience and without cause.

# § 9.7 In

(Paragraphs deleted)

the event of termination not the fault of the Engineer, the Engineer shall be compensated for services performed prior to termination, together with Reimbursable Expenses then due.

(Paragraph deleted)

§ 9.9 The Owner's rights to use the Engineer's Instruments of Service in the event of a termination of this Agreement are set forth in Article 7 and Section 9.7.

### ARTICLE 10 MISCELLANEOUS PROVISIONS

- § 10.1 This Agreement shall be governed by the laws of the Commonwealth of Pennsylvania.
- § 10.2 Terms in this Agreement shall have the same meaning as those in AIA Document A232–2019, General Conditions of the Contract for Construction.
- § 10.3 The Owner and Engineer, respectively, bind themselves, their agents, successors, assigns, and legal representatives to this Agreement. Neither the Owner nor the Engineer shall assign this Agreement without the written consent of the other, except that the Owner may assign this Agreement to a lender providing financing for the Project if the lender agrees to assume the Owner's rights and obligations under this Agreement, and including any payments due to the Engineer by the Owner prior to the assignment.
- § 10.4 If the Owner requests the Engineer to execute certificates, the proposed language of such certificates shall be submitted to the Engineer for review at least 14 days prior to the requested dates of execution. If the Owner requests the Engineer to execute consents reasonably required to facilitate assignment to a lender, the Engineer shall execute all such consents that are consistent with this Agreement, provided the proposed consent is submitted to the Engineer for review at least 14 days prior to execution. The Engineer shall not be required to execute certificates or consents that would require knowledge, services, or responsibilities beyond the scope of this Agreement.
- § 10.5 Nothing contained in this Agreement shall create a contractual relationship with, or a cause of action in favor of, a third party against either the Owner or Engineer.
- § 10.6 Unless otherwise required in this Agreement, the Engineer shall have no responsibility for the discovery, presence, handling, removal or disposal of, or exposure of persons to, hazardous materials or toxic substances in any form at the Project site.
- § 10.7 The Engineer shall have the right to include photographic or artistic representations of the design of the Project among the Engineer's promotional and professional materials. The Engineer shall be given reasonable access to the completed Project to make such representations. However, the Engineer's materials shall not include the Owner's confidential or proprietary information if the Owner has previously advised the Engineer in writing of the specific information considered by the Owner to be confidential or proprietary. The Owner shall provide professional credit for the Engineer in the Owner's promotional materials for the Project. This Section 10.7 shall survive the termination of this Agreement unless the Owner terminates this Agreement for cause pursuant to Section 9.4.
- § 10.8 If the Engineer or Owner receives information specifically designated as "confidential" or "business proprietary," the receiving party shall keep such information strictly confidential and shall not disclose it to any other person except as set forth in Section 10.8.1. This Section 10.8 shall survive the termination of this Agreement.

- § 10.8.1 The receiving party may disclose "confidential" or "business proprietary" information after 7 days' notice to the other party, when required by law, arbitrator's order, or court order, including a subpoena or other form of compulsory legal process issued by a court or governmental entity, or to the extent such information is reasonably necessary for the receiving party to defend itself in any dispute. The receiving party may also disclose such information to its employees, consultants, or contractors in order to perform services or work solely and exclusively for the Project, provided those employees, consultants and contractors are subject to the restrictions on the disclosure and use of such information as set forth in this Section 10.8.
- § 10.9 The invalidity of any provision of the Agreement shall not invalidate the Agreement or its remaining provisions. If it is determined that any provision of the Agreement violates any law, or is otherwise invalid or unenforceable, then that provision shall be revised to the extent necessary to make that provision legal and enforceable. In such case the Agreement shall be construed, to the fullest extent permitted by law, to give effect to the parties' intentions and purposes in executing the Agreement.

### COMPENSATION ARTICLE 11

§ 11.1 For the Engineer's Basic Services described under Article 3, the Owner shall compensate the Engineer as

.1 Stipulated Sum (Insert amount)

Three Hundred, Twelve Thousand (\$312,000.00)

.2 Percentage Basis (Insert percentage value)

() % of the Owner's budget for the Cost of the Work, as calculated in accordance with Section 11.6.

.3 (Describe the method of compensation)

§ 11.2 For the Engineer's Supplemental Services designated in Section 4.1.1 and for any Sustainability Services required pursuant to Section 4.1.3, the Owner shall compensate the Engineer as follows: (Insert amount of, or basis for, compensation. If necessary, list specific services to which particular methods of compensation apply.)

§ 11.3 For Additional Services that may arise during the course of the Project, including those under Section 4.2, the Owner shall compensate the Engineer as follows: (Insert amount of, or basis for, compensation.)

§ 11.4 Compensation for Supplemental and Additional Services of the Engineer's consultants when not included in Sections 11.2 or 11.3, shall be the amount invoiced to the Engineer plus percent (%), or as follows: (Insert amount of, or basis for computing, Engineer's consultants' compensation for Supplemental or Additional Services.)

N/A

§ 11.5 When compensation for Basic Services is based on a stipulated sum or a percentage basis, the proportion of compensation for each phase of services shall be as follows: TBD

Schematic Design Phase	Ten	percent (	10	%)
Design Development Phase	Twenty	percent (	20	%)
Construction Documents Phase	Forty	percent (	40	%)
Bidding Phase	Five	percent (	5	%)
Construction Phase	Twenty- Five	percent (	25	%)
Close Out Phase				
Total Basic Compensation	one hundred	percent (	100	%)

The Owner acknowledges that with an accelerated Project delivery or multiple bid package process, the Engineer may be providing its services in multiple Phases simultaneously. Therefore, the Engineer shall be permitted to invoice monthly in proportion to services performed in each Phase of Services, as appropriate.

- § 11.6 When compensation identified in Section 11.1 is on a percentage basis, progress payments for each phase of Basic Services shall be calculated by multiplying the percentages identified in this Article by the Owner's most recent budget for the Cost of the Work. Compensation paid in previous progress payments shall not be adjusted based on subsequent updates to the Owner's budget for the Cost of the Work.
- § 11.6.1 When compensation is on a percentage basis and any portions of the Project are deleted or otherwise not constructed, compensation for those portions of the Project shall be payable to the extent services are performed on those portions. The Engineer shall be entitled to compensation in accordance with this Agreement for all services performed whether or not the Construction Phase is commenced.
- § 11.7 The hourly billing rates for services of the Engineer and the Engineer's consultants are set forth below. The rates shall be adjusted in accordance with the Engineer's and Engineer's consultants' normal review practices. (If applicable, attach an exhibit of hourly billing rates or insert them below.)

N/A

(Table deleted)

# § 11.8 Compensation for Reimbursable Expenses

- § 11.8.1 Reimbursable Expenses are in addition to compensation for Basic, Supplemental, and Additional Services and include expenses incurred by the Engineer and the Engineer's consultants directly related to the Project, as follows:
  - .1 Transportation and authorized out-of-town travel and subsistence;
  - .2 Long distance services, dedicated data and communication services, teleconferences, Project web sites, and extranets;
  - .3 Permitting and other fees required by authorities having jurisdiction over the Project;
  - .4 Printing, reproductions, plots, and standard form documents;
  - .5 Postage, handling, and delivery;
  - .6 Expense of overtime work requiring higher than regular rates, if authorized in advance by the Owner;
  - .7 Renderings, physical models, mock-ups, professional photography, and presentation materials requested by the Owner or required for the Project;
  - If required by the Owner, and with the Owner's prior written approval, the Engineer's consultants' expenses of professional liability insurance dedicated exclusively to this Project, or the expense of additional insurance coverage or limits in excess of that normally maintained by the Engineer's
  - .9 All taxes levied on professional services and on reimbursable expenses;
  - .10 Site office expenses; and
  - Registration fees and any other fees charged by the Certifying Authority or by other entities as necessary to achieve the Sustainable Objective.
- § 11.8.2 Reimbursable Expenses to be added to the fee total and billed at cost:
  - .1 \$2,000.00 Allowance Document Reproduction
  - .2 \$3,000.00 Allowance Mileage Reimbursement

# § 11.9 Engineer's Insurance

If the types and limits of coverage required in Section 2.6 are in addition to the types and limits the Engineer normally maintains, the Owner shall pay the Engineer for the additional costs incurred by the Engineer for the additional coverages as set forth below:

(Insert the additional coverages the Engineer is required to obtain in order to satisfy the requirements set forth in Section 2.6, and for which the Owner shall reimburse the Engineer.)

N/A

# § 11.10 Payments to the Engineer

# § 11.10.1 Initial Payments

§ 11.10.1.1 An initial payment of Zero (\$ 0 ) shall be made upon execution of this Agreement and is the minimum payment under this Agreement. It shall be credited to the Owner's account in the final invoice.

§ 11.10.1.2 If a Sustainability Certification is part of the Sustainable Objective, an initial payment to the Engineer of (\$ ) shall be made upon execution of this Agreement for registration fees and other fees payable to the Certifying Authority and necessary to achieve the Sustainability Certification. The Engineer's payments to the Certifying Authority shall be credited to the Owner's account at the time the expense is incurred.

# § 11.10.2 Progress Payments

§ 11.10.2.1 Unless otherwise agreed, payments for services shall be made monthly in proportion to services performed. Payments are due and payable upon presentation of the Engineer's invoice. Amounts unpaid Sixty (60) days after the invoice date shall bear interest at the rate entered below, or in the absence thereof at the legal rate prevailing from time to time at the principal place of business of the Engineer. (Insert rate of monthly or annual interest agreed upon.)

Prime Plus Two % +2

§ 11.10.2.2 Additional costs incurred by the Owner necessitated by the Engineer's failure to render its services in a timely manner shall be deducted from the Engineer's fee.

§ 11.10.2.3 Records of Reimbursable Expenses, expenses pertaining to Supplemental and Additional Services, and services performed on the basis of hourly rates shall be available to the Owner at mutually convenient times.

# ARTICLE 12 SPECIAL TERMS AND CONDITIONS

Special terms and conditions that modify this Agreement are as follows: (Include other terms and conditions applicable to this Agreement.)

N/A

### ARTICLE 13 SCOPE OF THE AGREEMENT

§ 13.1 This Agreement represents the entire and integrated agreement between the Owner and the Engineer and supersedes all prior negotiations, representations or agreements, either written or oral. This Agreement may be amended only by written instrument signed by both the Owner and Engineer.

§ 13.2 This Agreement is comprised of the following documents identified below:
