CORE ELEMENT: REVIEW OF ATTENDANCE

Reduction of absenteeism is a top priority for Indiana schools. Students are considered chronically absent when they are not in attendance for 10% of the school year. This equates to approximately 18 days of school.

What may be contributing to the attendance trend?	Evidence shows that the pandemic has negatively affected attendance rates, which, in turn, negatively effects academic performance. Other contributing factors include a disinterest in curriculum resulting in poor academic performance, lack of parental guidance and structure, illness, caring for family members, mental or emotional health issues, and difficulties with housing or food.				
What procedures and practices are being implemented to address chronic absenteeism?	CHS implements several policies and procedures to encourage and enforce school attendance, including: attendance is taken every class period throughout the school day, an attendance officer tracks student attendance, the school resource officer makes home visits, attendance contracts, school-based consequences, voice mail is accessible 24 hours a day for parents to report absences, the school attendance policy is available in the student handbook and on the school website, an attendance contract is enacted for students that have excessive absences, formal report given to the Contact Montgomery County Probation, and formal report given to the Contact Department of Child Services.				
If procedures or practices to reduce chronic absenteeism are in place, how are the results monitored?	Results are monitored by an attendance officer, SRO, administrative assistants, and building level administration.				
Number of students absent 10% or more of the school year:					
Last Year:	11.4	Two Years Ago:	13.2	Three Years Ago:	14.5

Best Practice/Requirements Self-Check	Yes
The school has and follows a chronic absence reduction plan.	Yes
An MTSS is in place to identify and help the academic, behavioral, and/or wellness needs of chronically absent students	Yes

CORE ELEMENT: PARENT AND FAMILY ENGAGEMENT

How does the school maximize family engagement to improve academic achievement?

CHS provides several avenues for parent involvement and communication. Parents have access to school classroom and school calendars. In addition, CHS has made use of School Messenger (an automated parent notification system) to deliver urgent messages to parents via phone. The school's website is interactive and contains teacher contact information. CHS offers an automated gradebook program called Parent Portal through PowerSchool, which allows parental access to grades and attendance via a secured website. Parents who wish to volunteer must have a criminal history check on file in the main office.

In what ways are parents/families able to express ideas, concerns, and/or suggestions?

Phone calls
Emails
Personal meetings
PowerSchool
Canvas
Parent Portals

In what ways does the school involve parents/families to maintain or increase high levels of student attendance?

CHS implements the following best parental involvement participation practices: transition program for incoming freshmen, parent conferences/Back to School night in October, after school tutoring opportunities, open door policy, poignant decision making—parents serve on many committees, end of the year freshmen celebration, home visits, Canvas, monthly school newsletter, special education conferences, email, parent surveys, and classroom visits.

How do teachers and staff bridge cultural differences through effective communication?

By building a sense of oneness in the classroom, maintain high expectations, and ensuring all have an active and heard voice.

CORE ELEMENT: PROVISION FOR SECONDARY SCHOOLS

How do course offerings allow all students to become eligible to receive an academic honors diploma?			
The CHS aligns itself with the IDOE guidelines. Course offerings contribute to the honors diploma.			
How are all students encouraged to earn an Academic Honors Diploma or complete the Core 40 curriculum?			
Everyone starts on a Core 40 or Honors diploma. They may only opt out during the 2 nd semester of their junior year.			
How are advanced placement (AP), dual credit, international baccalaureate (IB), and career and technical education(CTE) opportunities promoted?			
Instructors solicit classes Tours Parent meetings Brochures Awards Night Honors Night Guidance suggestions with parental consent			
Graduation rate last year:	87	Percent of students on track to graduate in each cohort:	92
