

# THE WILDCAT WEEKLY

A Note from Dr. G

Volume 3 Issue 6

ELEMENTARY

WMS

WHS

WAC

## Superintendent's Corner

It is another rainy Friday, but gratefully a less eventful one than last week. The rainy fall season has been frustrating, but our new athletic facilities have enabled us to experience much fewer disruptions than we have endured in the past. I am grateful for the community partnerships that made this improvement a reality. Looking ahead, I am excited for our 2023 Bond, scheduled for December 12 which will modernize and expand our current instructional offerings. October is a perfect time to renew your commitment to our community partners by joining them. The QR codes above will take you to each of our PTAs - elementary, WMS, and WHS as well as the Westlake Athletic Booster Club. I encourage you to join me in joining them as well as supporting the Mount Pleasant Education Foundation. Their annual golf outing is coming up on October 16: [www.mtpef.org](http://www.mtpef.org). Across the district today, students, teachers, and staff participated in a "Pink Out" to show support for breast cancer research and survivors. Thank you for joining in this awareness-raising event. Mount Pleasant comes together in many ways throughout the year, and this was just one more example of our Wildcat Pride in action. Have a wonderful long weekend.

## Noticing the Good

October is National Principal's month. As you are aware, Mount Pleasant boasts the four finest principals around: Keith Schenker at WHS, Anthony Mungolioli at WMS, Mike Cunzio at Columbus, and Anne Stern at Hawthorne.

It is our pleasure to shine a spotlight on the transformative power of our school principals. These leaders, with their resolute vision and unwavering dedication, are not merely running schools, they are molding futures and shaping our community by delivering on our mission to educate each student today for endless possibilities tomorrow. Especially now as we embark upon the Facilities Bond, which has the potential to transform our learning spaces. Their guidance and insight into what our students need is invaluable. Read more about the proposed bond on our website: <https://www.mtplcsd.org/district-info/capital-projects/2023-proposed-instructional-bond>

## Countdown to Homecoming

**WESTLAKE WILDCATS**  
ATHLETICS DEPARTMENT PRESENTS VARSITY SENIOR DAYS!!!

## In Awe of the Paw

Monday was National Custodian Appreciation Day. Our dedicated Mt. Pleasant team keeps our facilities clean and well-maintained. Their hard work enables our students and educators to feel proud of their surroundings, which leads to a sense of pride about themselves. Please join us in thanking them for the critical role they play in educating our children.
