## ARTICLE II: SALARY/WAGES

### A. 2023-2024 Compensation Plan (Base Salary Increase)

At the beginning of the 2023-2024 school year, the salaries of returning full-time teachers were between \$45,000 and \$74,131.

**Starting Salary:** The starting **Base Salary** for new teachers employed full-time during the 2023-2024 school year is no less than \$48,500.

**Salary Range:** The salary range for the 2023-2024 school year is between \$48,500.00 (lowest) and \$77,631 (highest) for full-time teachers.

**Eligibility:**

Teachers rated Ineffective or Improvement Necessary in the prior school year are not eligible for any salary increase in the current year. Teachers rated Ineffective or Improvement Necessary in the prior year remain at their prior year salary.

**Redistribution:** Their portion will be reallocated to all teachers rated effective or highly effective as a base increase when the compensation plan is distributed.

**Compensation Plan:** The increase of salaries is dependent upon the school corporation not being in a deficit financing position.

**Factors for Increase:** All returning teachers who qualify for a raise under the provisions of the Master Contract will receive an increase based on a combination of the factors of evaluation and experience.

**(1) Evaluation:** Each teacher who received an effective or highly effective evaluation on the teacher's most recent evaluation will receive a total of \$3000 on their base salary.

**(2) Experience:** Teachers currently employed by the MSD of Boone Township with 1 or more years of teaching experience (according to TRF) from the MSD of Boone Township or another public school corporation in the State of Indiana will receive \$500 on their base salary:

**(3) Total Salary Base Increases:** Teachers who qualify for salary base increases using the factors of **evaluation and experience** as defined above will receive total base salary increases in the amount of \$3500 for the 2023-2024 school year.

#### **Compensation Plan Stipends:**

The following are **one-time stipends** and are not part of a base salary increase:

- All teachers employed during the 2023-2024 school year by the MSD of Boone Township will receive a \$1000 **one-time stipend** as a retention incentive. This **one-time stipend** will be paid on March 22, 2024.
- A teacher will receive a \$400.00 **stipend** for each Advanced Placement (A/P) or Dual Credit **course** that they teach. The **stipend** will be paid at the end of each school year.

**Newly hired teacher salary placement:** The superintendent will evaluate experience, training, academic degrees, certification, effectiveness, and academic needs of students, and the superintendent shall have the sole discretion to determine where within the above salary range of above paragraph A. 2, at the time of hiring the teacher, that the teacher will be placed.

#### **B. Other Permissible Salary Items**

The Corporation will pay three percent (3%) of each teacher's contract amount to the Teacher Retirement Fund (TRF). Compensation for extended teacher contracts will be based on the teacher's regular daily rate.

#### **C. Payroll Options**

At the teacher's option, he/she will receive his/her contracted salary in twenty-one (21) or twenty-six (26) paychecks. Enrollment in and withdrawal from pay options is continuous. Said changes must be made by the individual teacher no later than the Friday preceding the first pay of the contract year, or when a teacher signs his/her individual teacher contract, whichever comes first.

**D. Ancillary and Extra-Curricular Activity Pay Schedule**

1. Professional Development
  - a. The rate of pay for teachers involved in pre-approved professional development activities outside of regular school hours shall be \$20.00 per hour up to a maximum of six (6) hours per pre-approved day.
  - b. Please refer to Appendix A, Extracurricular Salary Schedule, for all ECA stipends for the 2023-2024 school year.
  - c. Some teacher benefits will increase annually because they are currently tied to teacher salaries. These include the Teacher's Retirement Fund, social security, and long term disability insurance.

**ARTICLE III: WAGE/SALARY-RELATED FRINGE BENEFITS**

**A. Leaves**

- 1. Sick Leave/Family Illness Leave:** Each teacher shall be entitled to be absent from work for Sick Leave/Family Illness Leave for a total of ten (10) days each year, without loss of compensation. Additionally, teachers shall be entitled to use their total number of previously accumulated Sick Leave/Family Illness Leave days, as necessary. Unused days shall be accumulative to a maximum of one hundred and eighty-three (183) days. Teachers will be notified of their accumulated sick days on the first day of school.

A teacher absent for five (5) or more consecutive days for personal or family illness shall be required to produce a statement of medical necessity by a licensed health care provider of the teacher's absence.

Teachers with more than 183 accumulated days of sick leave on the first day of school each year and who continuously maintain more than 183 days of accumulated days of sick leave shall receive a one-time stipend equivalent to the number of days above the 183 day maximum, times twenty-five percent (25%) of the daily rate of a beginning teacher's salary. If on the first day of any future school year the accumulated number of accumulated days of sick leave falls below 183 days of sick leave, the teacher will not be compensated and they will no longer be able to participate in the program. Regardless if they exceed 183 days of accumulated sick leave in future years. Our records indicate that there are two teachers qualified. No new members will be added after August 9, 2022.

If, at the time of retirement, a qualified teacher has more than 183 accumulated days of sick leave, the teacher shall receive a one-time stipend for said days in excess of 183 days. The rate of payment shall be twenty-five percent (25%) at the beginning bachelor salary times the number of days in excess of 183 days. This amount, however, will not be added to the contract amount for the school year just completed. Said amount will be paid on or before June 30 of the year the teacher retires.

One (1) day of accumulated sick leave may be used for personal illness during summer school. (Two [2] summer school days equals one [1] accumulated sick day.)

In accordance with I.C. 20-28-9-10, for a teacher who has accumulated one (1) or more sick leave days in the previous school corporation, they shall be added to his/her second year and each succeeding year, up to three (3) sick days per year until the accumulated days to which the teacher was entitled to in his/her last employment are exhausted.

2. **Bereavement Leave:** In the case of death in the immediate family, a teacher shall be allowed a maximum of five (5) days with no loss of pay and no loss of sick leave (See definitions Article I C7: *Immediate Family*)
  - a. Other Family Members: In the case of death of other family members who are not within the definition of Immediate Family, as stated above, two (2) consecutive days of leave shall be granted for the attendance at a funeral.
  - b. Funeral of a Friend: One (1) day of leave will be granted for attending a funeral of a friend.
  - c. Additional Bereavement Leave may be granted by the Superintendent from the teacher's accumulated Sick Leave/Family Illness Leave.
3. **Court Duty Leave:** Any teacher who is called for jury duty or is a subpoenaed court witness shall receive a leave of absence to fulfill his/her civil obligation. The teacher will be paid the difference between his/her full pay as a teacher and compensation for jury duty or as a witness. Evidence of both services and remuneration is to be provided by the teacher. Court duty leave does not apply to employees who have a need to appear in court for personal matters or because of litigation against the school corporation.
4. **Assault Leave:** Sick days will not be deducted from a teacher's total number of accumulative number of sick days for injury suffered completing his or her professional duties as the result of actions taken by a student or parent. The number of days or hours must be authorized by a licensed physician. The Board may, at district expense, require another licensed physician's examination and determination of necessary leave.
5. **Personal Business Leave:** Each teacher shall be entitled to three (3) days for the transaction of personal business and/or the conduct of personal or civic affairs during each year of employment. The Parties strongly urge teachers not to take Personal Leave on the day before or the day after any breaks in the regular school schedule.

To provide the building principal a better opportunity to secure a qualified substitute, a request for Personal Leave should be presented to the building principal no later than the day before the leave is to be taken.

In the event of an emergency where prior notice is not possible, teachers may make this request verbally. The Personal Leave form must be submitted on the day he/she returns to work.

One unused personal day from the prior school year will automatically be added to the current year for a total of four (4) personal days. If no personal days are available for retention, then only three (3) days of personal business would be available for the current school year. Any other unused personal days roll into sick days. The statement "personal business" is sufficient reason to warrant use of this leave.

**6. Legal Leave:**

- a. A teacher called for jury duty shall receive full compensation, but shall return to the corporation any pay he/she received for the jury duty. A teacher is allowed to keep any mileage money he/she may receive for serving on a jury.
- b. Boone Township. All monies received by a teacher for witness fees, equal to the amount being paid to the teacher by the Corporation, shall be turned over to the School Corporation. Travel expenses allowed by the court may be retained by the teacher.

**7. Professional Leave:** The Parties recognize the importance of coordinated and collaboratively developed professional development activities.

- a. The superintendent may pay a teacher at a rate of \$20.00 per hour for professional development activities outside the regular school hours. Professional development activities will be based on a six (6) hour day for a maximum pay of \$120.00 per day.

Teachers who work in multiple buildings will request professional leave from the building where the majority of their day is spent. Days may be transferred between buildings as needed, but not to exceed the maximum days. The superintendent has the final say on all professional leave requests.
- c. Reasonable reimbursement will be made by the Board for such approved professional leave to cover the cost of registration, accommodations, and

transportation at the current Internal Revenue Service (IRS) rate. The total amount of reimbursement shall be determined and approved by the Superintendent.

- 1) Whenever possible, the Corporation will make payments directly to the conference host.
  - 2) When payment must be made by the teacher, reimbursement will be made to the teacher following the School Board meeting at which the teacher's claim for such reimbursement is approved by the Board.
- d. Professional leaves may be approved by the Board with only one (1) day being deducted from the total pool of professional leave days.
  - e. Administration-initiated professional leave will not be deducted from the pool of professional leave in excess of two (2) days per teacher.

The remainder of the leave will be without pay, but the teacher will remain eligible to continue coverage under the group health insurance program provided she timely pays the full premium cost.

- d. **Extended Leave Concurrent with FMLA:** The period of the extended leave prior to the date of birth during which the teacher has provided certification of disability and the period of the extended leave after the date of birth shall be counted toward the teacher's twelve (12) week annual FMLA leave allowance and shall run concurrently with leave under FMLA for which the teacher is eligible.

  - 2) For teachers who have signed their sixth (6<sup>th</sup>) consecutive individual teacher contract or more, contributions will be matched by Corporation up to one percent (1%) of that teacher's basic contract salary (not including extra-curricular pay). If a RIFFED teacher is not re-hired during the 27 month interval of the recall list, their employer portion of the 401 (a) will be forfeited to the Corporation and the money will be equally re-distributed amongst all of the remaining active members. This forfeited money from the 401 (a) plan also applies to members who are either terminated or choose to leave the district before they are vested.

- b. The “Vendor” or its agent shall be the sole administrator of employer contributions to the 401(a) Plan.
- c. School teachers will have the option of continuing to invest their dollars in tax-deferred annuities for which money is already being deducted from the teacher’s salary, if any, or the tax-deferred annuity offered by the Vendor.
- d. Once contributions are made, the teacher will be deemed 100% vested in the employer matching contribution amounts upon completion of their sixth consecutive year of teaching for the School Corporation. Consecutive years of service with M.S.D. of Boone Township prior to the effective date of this CBA count toward satisfaction of the six-year vesting period.

**2. Participation in Health Insurance Plan Upon Retirement**

A retiring teacher may continue, until eligible for Medicare, to participate in the group health/dental and/or vision insurance programs available to other teachers by paying the monthly premium(s) in advance to the corporation. The teacher must have been participating in these insurance plans at the time of their retirement. (In accordance with IC 20-28-9-20)

**3. Joint Responsibility**

The Exclusive Representative warrants that this agreement has been ratified by a majority of its members and duly adopted by PEPC in accordance with its rules and regulations as a valid, enforceable and binding modification to the CBA. The Exclusive Representative shall not enter into any action against the Board arising from the Board’s compliance or attempted compliance with this agreement. The Exclusive Representative and the Board agree to hold joint responsibility in defending the implementation of this retirement plan from any claim, demand, judgment, or other form of liability under state and federal law brought by teachers or others. The Parties shall share equally in the cost of any such defense.

**D. Other Permissible Wage/Salary Related Options**

**1. Pay Dates**

- a. At the teacher’s option, he/she will receive his/her contracted salary in twenty-one (21) or twenty-six (26) paychecks. Enrollment in and

withdrawal from pay options is continuous. Said changes must be made by the individual teacher no later than the Friday preceding the first pay of the contract year, or when a teacher signs his/her individual teacher contract, whichever comes first.

- b. During years when the twenty-six (26) pays do not occur in twenty-six (26) equal intervals, the extra week without pay shall fall during the month of August.

## **2. Payroll Deductions**

- a. Unless otherwise specified in this agreement, all payroll deductions shall be forwarded to the agency specified by each teacher who has requested such payroll deductions. This includes, but is not limited to direct payroll deposits, portions of payroll, Federation dues, and tax sheltered annuities (TSAs).
  - 1) Deductions that can be made by electronic transfer shall be forwarded upon withholding specified amounts from each payroll.
  - 2) In those instances where electronic transfer is not an option, deductions shall be forwarded immediately upon withholding from a teacher's paycheck.
- b. The Board agrees, upon written authorization of teachers, to deduct from the paychecks of teacher's dues for PEPC as directed by the authorization, and to transmit the proceeds of such deduction to the Treasurer of PEPC.\
- c. The Board agrees to make COPE (Committee on Political Education) deductions from teacher paychecks upon the written request by a minimum of ten (10) teachers. COPE deductions will be made from ten (10) consecutive paychecks in an amount of not less than one dollar (\$1.00) per teacher per paycheck. The proceeds of such deductions shall be transmitted to the Treasurer of PEPC in a check separate from the dues deduction check.

## **ARTICLE IV: GRIEVANCE PROCEDURE**

- A. A claim that there has been a violation, misinterpretation, or misapplication of any approved rules or regulations, or agreements of the M.S.D. of Boone Township Schools shall be the basis for processing a formal grievance at the discretion of the grievant.
- B. A grievant may be an individual teacher, a group of teachers, or the Union. If the grievant is other than the Union, the grievant has the right to have a Union representative present at every step of the grievance process.
- C. To initiate the grievance procedure, the grievant shall first discuss the alleged grievance with their immediate building administrator.

- D. If, after this initial meeting, the grievant believes a grievance still exists, the formal grievance procedure may be invoked by setting forth in writing to their immediate building administrator using on the form in this Agreement in Appendix B (i.e., Grievance Form-Basic Information).
- E. Within five (5) school days of receipt of the grievance, the administrator shall meet with the grievant in an effort to resolve the grievance. The administrator shall indicate his/her disposition of the grievance in writing within five (5) school days of meeting and shall furnish a copy to the Union. (See Appendix B)
- F. If the grievant is not satisfied with the disposition of the grievance, or if the administrator has not responded within the time limitations set forth in Section E, the grievant may submit a copy of the written grievance to the Superintendent. If the administrator in Sections C through E is the Superintendent, the procedure proceeds directly to the next step - Section G. If the administrator is other than the Superintendent, then the procedure continues through Sections F and G.

At this step, the Superintendent shall meet with the grievant within five (5) school days of receipt of the written grievance in an effort to resolve the grievance. The Superintendent shall indicate his/her disposition of the grievance in writing within five (5) school days of said meeting and shall furnish a copy of the disposition to the Union. (The form titled Formal Grievance-Level II is to be used for this step. See Appendix B.)

- G. If the grievant is not satisfied with the disposition of the grievance by the Superintendent, or if no disposition has been made within the time limits set forth in Section F, a copy of the written grievance may be submitted to the School Board. Within fifteen (15) school days of submitting the grievance to the Board, the grievant may appear before the School Board in executive session in an effort to resolve the grievance. The School Board shall indicate its disposition of the grievance in writing within five (5) school days of said meeting and shall furnish a copy of the disposition to the Union. (The form titled Formal Grievance-Level III is to be used for this step. See Appendix B.)
- H. The time limits provided in this Article shall be strictly observed but may be extended by a written agreement between the parties. In the event a grievance is filed at the end of the school year, the parties shall agree upon a time line for processing the grievance in the most expedient manner.
- I. Notwithstanding the expiration of this Agreement, any grievance arising thereunder may proceed through this grievance procedure to resolution.
- J. All documents, communications, and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants.

**ARTICLE V: CBA TERM & RATIFICATION SECTION**

This Agreement is made and entered into by and between the M.S.D. of Boone Township and the Professional Educators of Porter County, AFT Local 4852, and shall be effective July 1, 2023 – June 30, 2024.

The terms and conditions may be altered, changed, added to, deleted from, or modified only through the voluntary, mutual agreement of the Parties, properly ratified, in a written Amendment hereto.
- B. Should any provision of this Agreement be declared illegal by a court of competent jurisdiction, or become illegal by enactment(s) of the legislature, said provision shall be automatically deleted from this Agreement only to the extent it violates the law. The remaining provisions shall remain in full force and effect for the duration of the Agreement, if not affected by the deleted provision. Substitute provisions shall be negotiated promptly and be subject to proper ratification.
- C. Copies of this Agreement shall be printed by the Superintendent, within an agreed time period, after the Agreement is signed. These copies shall be given to the Union for distribution.

This Agreement is so attested to by the parties whose officers and members’ signatures appear below.

The undersigned attest to the following:

- 1. A public hearing was held in compliance with I.C. § 20-29-6-1(b) on September 12, 2023, and electronic participation from the parties and/or public was not permitted; and
