

WHAT'S COVERED?

- iPads and MacBooks:
 - Supplements costs for all 1:1 devices & cases
 - Helps cover expenses incurred due to normal wear & tear
- iPads \$15 Lab Fee:
 - The district purchases cases with a 4-year warranty for damage to the device
 - New screen covers & cases purchased annually to replace damaged ones.
- MacBooks \$45 Fee:
 - Decreases cost for purchasing the device upon graduation
 - Families can now purchase a warranty to cover any MacBook repair costs(Please see: https://www.llschools.net/district/departments/technology/help_desk/student_mac_book_warranty)

LAB FEES FOR 1:1 DEVICES

Lab fees at Los Lunas Schools have been traditionally used as a supplementary cost to help cover associated fees for products and services that go beyond the standard classroom expenses. Lab fees help pay for costs incurred due to wear and tear. For example, each year the district purchases new screen covers and iPad cases to replace many of the damaged accessories for iPads at no additional cost to student families. Los Lunas Schools also purchases a protective case that carries a 4-year warranty for any damages to the iPads.

Unfortunately, this warranty does not cover the entire life of the iPad, so these lab fees help to offset repair costs for iPads that are no longer under warranty. The only repair cost the district charges for an iPad is a standard \$25 fee, whether or not the device is still under warranty. Similarly, we charge a maximum \$100 repair fee for MacBooks. Our goal has been to keep such repair fees as affordable as possible. Finally, the fees associated with the 1:1 devices helps LLS refresh the existing 1:1 fleet so that the district can stay current with technology and maintain a robust 1:1 program.
