

Elementary School Attendance Expectations

Excuses must be turned in to the front desk in the lobby immediately upon return to school. Students have three (3) days upon return to provide a written excuse from a parent/guardian or doctor for an absence or tardy. After three (3) days, the absence will be considered unexcused/illegal. Six (6) unexcused absences can result in a citation through the magistrate's office.

Student Absences

Unexcused Absences:

- At 3 unexcused absences: Parents will be notified in writing and a referral to Blueprints will be made.
- At 6 unexcused absences: The principal/designee will conduct a Truancy Elimination Plan with parents/guardians and Blueprints.
- At 6 unexcused absences (and any subsequent unexcused days): The parent/student will be referred to the magistrate for a truancy citation.

Cumulative Absences (Excused & Unexcused):

- At 5 cumulative absences: Parents will be notified in writing of the excessive absences in writing.
- At 8 cumulative absences: A referral for truancy will be made to Blueprints.
- At 10 cumulative absences: Parents will be notified in writing again of excessive absences. At that point, only a doctor's excuse will be accepted for absences.
- At 15 cumulative absences: A meeting will be held with the parents, student, and principal/designee during which attendance at school sponsored events will be revoked. (field trips, dances, etc)

The PA Department of Education considers a child habitually absent from school once they reach 18 total absences. Please make every effort to stay under 18 days. Also, research indicates there is a positive and statistically significant relationship between student attendance and academic achievement and other student outcomes (Hein et al., 2013; Chang and Romero, 2008; Allensworth et al., 2014; Balfanz et al., 2007).

Additionally, no student vacation or field trip will be approved if the days missed exceeds the allowable number of parent excuses. This will also apply to vacation requests during PSSA/Keystone testing as the state expects every kid to participate in the exams.
