CHOICE BOARD 2

Your child's teacher will be contacting you for attendance. They will be available from 9:30 a.m. - 3:30 p.m. Please contact them with any questions. Students should complete one activity from each column. Initial activity completed and send a picture of the completed choice board and one activity to your child's teacher via REMIND or email. Please complete within 2 days.

Literacy	Math	Science/Social Studies	STEAM	WIN
Read to someone for 10 minutes (read with an adult, sibling, or stuffed animal).	Play your favorite card game. Tell me what you played _____	Draw a picture of an animal that lives in cold climates (polar bear, arctic foxes, penguins, etc.)	Bring a snowball inside and see how long it takes to melt in a bowl.	*Literacy: Write words that belong in the -am and -at word families (Example: jam or cat).
Read a book and draw a picture of the characters and setting.	Roll 2 dice and write an addition number sentence. Do this 5 times.	Draw a picture of a living and nonliving object in your home.	What is a shadow? Discuss and create a shadow using a light source.	*Literacy: Write the heart the following heart words and highlight the hearword part: see, the, like, they, is.
Write the names of your family members.	Look for patterns around your house. Use objects around your house to create a pattern.	Observe a piece of nature and use 3 describing words to tell about it.	What does it mean to sink/float? With a helper practice finding items that sink or float.	*Math: Count all the windows in your house, now count all the doors. Which one has more?
Clap the syllables of 20 words. Have an adult say a word and you clap the syllables.	Line up your family members tallest to shortest.	Draw a picture of a United States symbol and discuss it with a family member.	Build a habitat/home for a stuffed animal of your choice.	*Math: Practice naming two-digit numbers. Have an adult write the numbers for you to name. Try to name 20 different numbers.
Choose a book and go on a power word search - write them.	Count backwards from 20.	Show responsibility by cleaning your room.	How high can you build a tower? Get creative!
