CHOICE BOARD 2

Your child's teacher will be contacting you for attendance. They will be available from 9:30 a.m. - 3:30 p.m. Please contact them with any questions. *** Please **pick one activity from each column**. Cross off the activity you have chosen and bring the work back to school.

MATH	READING	WRITING	SCIENCE/ SOCIAL STUDIES
Write 4 story problems and solve them. Show your work and add a label.	Using various texts, such as newspapers, magazines, and books find words that start with the prefix re- or un- and write them down.	Using a book of your choice, write a review for the book. Determine and support if others should read it or not. (Opinion writing)	Make three different paper airplanes, tell which one went the furthest and explain why you think it won.
Play a math card game (such as speed, math multiplication, cribbage, rummy,) or play a board game (Monopoly, Yahtzee).	Using a book of your choice, choose one of the following options: write a new ending, tell the story from a different point of view, or what would the story be like in a different time or setting?	Using a photograph from your house, write a paragraph using one of the various text structures. Use appropriate transition words such as (first, next, then, because, so, after that, finally). (Choice writing for purpose)	Using the engineering design process, build a bridge using materials found around your house. 
Practice addition, subtraction, multiplication or division facts for 20 minutes.	Read a book of your choice for at least 30 minutes.	Write the steps you need to wash your hands. Make sure you use proper transition words (First, next, then, finally) (Chronological/ sequential writing)	Create a map of Minnesota. Make sure you include the Mississippi River, Minnesota River, and major cities. (Creating maps)
With ADULT PERMISSION find a recipe and follow it.	Read your favorite picture book to a parent, sibling, or pet! Practice reading fluently.	Write a paragraph about what you want to be when you grow up and why. (Opinion writing)	If you had \$200 dollars what would you buy and why? (economics)
Use quadrilaterals and triangles to create a design.	Using the following letters, how many different words can you make? E, A, R, P, H, T, L, G, B, M, F, N, W	Write about a time or holiday that made you happy. (Personal Narrative)	What state would you choose to visit, write what you would do and why you want to visit that state.
