CHOICE BOARD 2

Your child's teacher will be contacting you for attendance. They will be available from 9:30 a.m. - 3:30 p.m. Please contact them with any questions. **Choose one activity from each column to complete. Mark each box you complete and send back any work.** Activities with an * have a corresponding paper copy.

<u>Literacy</u>	<u>Math</u>	<u>Science/ Social</u>	<u>Writing</u>
Read a book of your choice for 20 minutes.	Look at a clock 3 times throughout the day. Write down the time you see. Write what you are doing at that time.	Write down the name of the current month. What month came before and what month comes next? Write down the name of the current day. What day came before and what day comes next?	Would you rather drink hot cocoa or apple cider? Explain your choice.
Listen to a Nonfiction story; Share 3 facts you learned with an adult or sibling.	Draw three ways to make a dollar using a variety of coins.	Set a small amount of water outside in a plastic bowl or cup. Check it after an hour or two. What changes can you see or feel?	Write 3 sentences about what you think your teacher might be doing on this snow day. Make sure they start with a capital letter and end with an ending mark.
*Practice spelling Power Words/Red Words/Heart Words for at least ten minutes.	*Complete the addition and subtraction fluency page.	Find a surface that is easy to slide across. Find a surface that is not easy to slide across. Why is one easier to slide on than the other?	Write 5 words to describe what it looks like outside your window. Draw a picture of what you see.
Read out loud to your favorite stuffed animal or pet.	Count to 200 or 500 by 5s or 10s; Write as you count.	Find recyclable items in your home. Can you find something made of Glass? Paper? Cardboard?	If you could do anything you wanted on today's snow day what would you do? Where would you go? Write about it.
Read a story. Then, write a sentence and illustrate your favorite part.	Write one addition and one subtraction word problem.	Write about your favorite place. Where is it? What is the weather like there? What kind of plants and animals live there?	Write the steps to make a snowman. Use your steps to make your own snowman outside.
