Friday, October 13th

- No school. This is a state professional development day for staff.

Mon-Fri - October 16 - 20:

- Half days for conferences.
- 12:10 Dissmissal

Student Conferences

We are excited about our upcoming student conferences, a valuable opportunity for both students and teachers to discuss successes and areas where your child can focus academically. During these conferences, your child's teacher will provide insights into their progress and achievements, allowing them to highlight their strengths and address any areas that may need improvement. Your active participation in these discussions is crucial, as it helps us create a tailored plan for your child's academic growth. Keep an eye out for an invitation from your child's teacher, and we look forward to collaborating with you to support your child.

Thank You Sodexo and Saltar's PTA

I would like to thank Sodexo and the Saltar's Point PTA for their generous support in providing a barbecue lunch and ice cream sandwiches for all of our students during their lunch today. Additionally, as appreciation for the funds raised this fall, all our students had the unique opportunity to dunk some of our staff members in the dunk tank. I was so happy to see the number of staff members who participted in getting "dunked" by their students. I look forward to this event every year.

Bullying is an ongoing and deliberate misuse of power in relationships through repeated verbal, physical and/or social behaviour that intends to cause physical, social and/or psychological harm. It can involve an individual or a group misusing their power, or perceived power, over one or more persons who feel unable to stop it from happening.
