CENTER GROVE, IN--Students enrolled in Center Grove High School (CGHS) have won a total of 65 awards in the Central/Southern Indiana Regional Scholastic Art Awards program sponsored by the Alliance for Young Artists and Writers. Winning artwork will be on display at Butler University's Clowes Memorial Hall in Indianapolis from Tuesday, March 5, through Sunday, March 17. An awards ceremony for Gold and Silver Key winners is planned for Sunday, March 17 at 4:00 p.m.

From 123 entries from CGHS students, 10 Gold Keys were awarded, 19 Silver Keys were presented, and 36 Honorable Mentions were given for outstanding drawings, paintings, photographs, ceramics, sculptures, digital art, fashion, mixed media artworks, and portfolios.

The Scholastic Art Awards program is the largest, longest-running recognition program of its kind in the United States. Established in 1923, the awards have recognized students who have become some of our nation's most celebrated artists, including Richard Avedon, Robert Indiana, Phillip Pearlstein, and Andy Warhol. Each year, more than 200,000 entries are submitted in art and writing. Visual arts categories include architecture, art portfolio, ceramics and glass, comic art, design, digital art, drawing, fashion, film and animation, jewelry, mixed media, painting, photography, printmaking, sculpture and video game design.
