Jeanne Clery Campus Security Act Information

The federal Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act) requires colleges and universities, both public and private, participating in federal student aid programs to disclose campus safety information, and imposes certain basic requirements for handling incidents of sexual violence and emergency situations. Disclosures about crime statistics and summaries of security policies are made once a year in an Annual Security and Fire Safety Report, and information about specific crimes and emergencies is made publicly available on an ongoing basis throughout the year.

The Clery Act is named in memory of Jeanne Clery who was raped and murdered in her residence hall room by a fellow student she did not know on April 5, 1986. Her parents championed laws requiring the disclosure of campus crime information, and the federal law that now bears their daughter's name was first enacted in 1990. It has been amended regularly over the last two decades to keep up with changes in campus safety with the most recent update in 2013 to expand the law's requirements concerning the handling of sexual violence. Learn more at clerycenter.org.

The Annual Security and Fire Safety Report is posted in accordance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, also known as the Clery Act. An email is sent out campus-wide advising that the report has been published and provides a direct link to the report.

Clery Geography

The Clery Act requires that Aquinas Institute of Theology disclose Clery crimes based on where the crimes occur. These property designations are known as "Clery Geography." The Clery Act has designated three geographic categories for reporting. Crimes that occur outside of the three geographic categories are not subject to the Clery Act annual reporting requirements or to the community notification requirements.

On-campus property: On-campus refers to property that is owned or controlled by AI and is within the same generally connected area. This includes academic and administrative buildings, unions, and athletic and event facilities. A subset of "on campus" is "on-campus residential housing."

Non-campus property: This is property that is owned or controlled by AI, is used in direct support of, or in relation to, AI's educational mission, is frequently used by students, and is not generally connected to the main campus. This includes property owned or controlled by a registered student organization.

Public property: Public property includes thoroughfares, streets, sidewalks, and parking facilities that are within campus or immediately next to or accessible to campus and on-campus property. The Department of Education uses a "sidewalk/street/sidewalk" rule to determine the boundary of public property in most cases.

Clery Crime Definitions

- Murder and non-negligent manslaughter is the willful (non-negligent) killing of one human being by another.
- Manslaughter by negligence is the killing of another person through gross negligence. (Does not include traffic fatalities.)

- Burglary is the unlawful entry of a structure to commit a felony or a theft. Motor vehicle theft is the theft or attempted theft of a motor vehicle. Arson is any willful or malicious burning or attempt to burn, with or without intent to defraud, a dwelling house, public building, motor vehicle or aircraft, personal property of another, etc.

Sex Offenses:

- Dating violence is violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. (Under Missouri law, dating violence is a form of domestic violence.
- Stalking is engaging in a course of conduct (two or more acts) directed at a specific person that would cause a reasonable person to fear for the person's safety or the safety of others; or suffer substantial emotional distress.

Bias is a preformed negative opinion or attitude toward a group of persons based on their race, gender, religion, disability, gender identity, sexual orientation, ethnicity or national origin. CSAs report the following crimes only if they occurred as a hate crime:
- Larceny-theft is the unlawful taking, carrying, leading, or riding away of property from the possession or constructive possession of another. (Constructive possession is the condition in which a person does not have physical custody or possession, but is in a position to exercise dominion or control over a thing).
- Simple assault is an unlawful physical attack by one person upon another where neither the offender displays a weapon, nor the victim suffers obvious severe or aggravated bodily injury involving apparent broken bones, loss of teeth, possible internal injury, severe laceration, or loss of consciousness.

- Intimidation is to unlawfully place another person in reasonable fear of bodily harm through the use of threatening words and/or other conduct, but without displaying a weapon or subjecting the victim to actual physical attack.
- Destruction/damage/vandalism of property is to willfully or maliciously destroy, damage, deface or otherwise injure real or personal property without the consent of the owner or the person having custody or control of it.

Reporting

To assist Aquinas Institute of Theology in complying with the federally mandated Clery Act, any student, employee, or third-party should contact the Executive Director of Business Affairs, the Academic Dean, or the President directly to file a report at 314-256-8861. Under the Clery Act, a crime is reported when a student, employee, or third-party brings information about an alleged crime to the attention of the AI, and AI believes the report was made in good faith. The Executive Director of Business Affairs will use the information provided to classify the crime for purposes of inclusion in AI's Annual Security and Fire Safety Report.
