STATEMENT

This afternoon at approximately 1:30 p.m., Center Grove High School students and staff were evacuated from the building due to a fire alarm in our Art Department. A small fire in one of the kilns in the department triggered the alarm. The fire was quickly contained. The fire department was brought in to inspect and ventilate the area. As per our safety plan, students were brought to the football stadium while the fire department was in the building working. No students or staff members were injured.

Students will be allowed back in the building in time for regular dismissal. Parent pick up will be affected. Please be sure to follow all police and staff directions when picking up your child.

All after school activities will proceed as scheduled. However, the High School parent-teacher conferences are cancelled.

The safety of our students is always our priority, which requires us to treat situations like this one with the utmost care and precaution.

We apologize for any inconvenience and appreciate the cooperation and support of our students, staff, and parents during this situation.
