Four Center Grove schools earn Four Star awards

GREENWOOD, IN (May 24, 2016)—Four Center Grove schools have been named 2014-2015 Four Star Schools by the Indiana Department of Education. The distinction is the highest award given to schools by the state. The Center Grove schools receiving the honor include: Center Grove High School, Center Grove Middle School Central, Center Grove Middle School North, and Sugar Grove Elementary.

"We are thrilled to have four of our schools obtain Four Star status," said Dr. Rich Arkanoff, Superintendent. "I am very proud of all our schools as they work to achieve our vision of an exceptional educational experience for all of our students."

"All of our schools are focused on improving our students' academic achievements," said Dr. Jack Parker, Director of Teaching and Learning. "This distinction recognizes the dedication and commitment they have to their students' success."

Superintendent of Public Instruction Glenda Ritz announced Tuesday that 287 of the more than 2,000 eligible Indiana schools received the award. To be eligible, schools must be in the top 25th percentile of schools in three ISTEP-based categories during the 2014-15 school year.

"I am pleased to recognize Indiana's Four Star Schools today," said Glenda Ritz, Indiana's Superintendent of Public Instruction. "I applaud the hard-work and dedication of the students, educators and families at these exceptional schools as we transitioned to more rigorous college-and-career ready standards and assessments last year."
