Center Grove Invites Community to Help Name New Elementary School

GREENWOOD, IN (March 1, 2017) – Center Grove Community School Corporation is inviting parents, staff, and community members to submit names for its newest elementary school. Construction of the new school will begin this summer, south of State Road 144 on Morgantown Road.

The process to name the new school will be divided into three phases. During the first phase, anyone may submit a name online at bit.ly/cgschoolname by March 17, 2017. The list of names submitted will be checked for duplicates and put back out to parents, staff, and community members to vote on their top two choices from April 2 - April 13. The narrowed list of three to five names will be shared with the Center Grove Board of School Trustees for review. Per Board policy, the naming of a school must be considered at two consecutive Board meetings. The Board will review the naming options at their April 20, 2017 meeting and decide on the name at their May 18, 2017 meeting.

More information about the timeline, design, and planning for the new elementary school is available at centergrove.k12.in.us/newschool.
