Kevin Stuckmeyer Named Head Coach for Varsity Girls Basketball at Center Grove High School

GREENWOOD, IN (March 16, 2017)—Center Grove High School Assistant Varsity Boys Basketball Coach Kevin Stuckmeyer is the new head varsity girls basketball coach for Center Grove High School (CGHS). Stuckmeyer's appointment is pending approval by the Center Grove Board of School Trustees at its Thursday, March 16, 2017 meeting.

"I am extremely excited for the opportunity to lead the girls basketball program at Center Grove (CG)," said Stuckmeyer. "CG is a tremendous community with a great deal of athletic success, and it has been no different in the girls program. I look forward to the challenge of continuing the tradition and leading the program to the next level both on and off the court."

"Kevin Stuckmeyer has been an integral member of our boys basketball program, working with Zach Hahn for the past three years and Cliff Hawkins one year prior. I anticipate a smooth transition to the girls program," said Jon Zwitt, CGHS athletic director. "I believe his leadership style, his prior head coaching experience at Plymouth, his familiarity with Center Grove and his demeanor will allow Kevin to quickly take the reins with conviction. I look forward to Kevin guiding the Center Grove girls basketball team into the 2017-18 season."

Stuckmeyer has served as the assistant varsity boys basketball coach since 2013. He was the head coach for varsity boys basketball at Plymouth High School, in Plymouth, IN, for three years. Stuckmeyer also spent time as an assistant coach for varsity boys basketball at both LaVille High School in Lakeville, IN and Logansport High School in Logansport, IN.

Stuckmeyer teaches in the Business Department and in the Early College program at CGHS. He holds a bachelor's degree in Business Education from Grace College where he also played basketball. He earned a master's degree from American Public University.

Stuckmeyer and his wife, Brittany, live in Greenwood with their daughter, McKenzie.
