#StrongerTogether

- What have we Done?
- What are we doing?
- What still need to be done?

What's Been Done?

- Proximity card readers at all campuses
- Security bollards at all pick up / drop off locations at all campuses
- Security cameras at all elementary campuses
- Enclosed / Hardened reception areas
- Exterior electronic door locks at all office doors
- Intruder resistant glass/film on all campus entries

What's Getting Done Now?

- Perimeter fencing additions and upgrades
- Rekeying of exterior door locks
- Exterior door numbering
- Intruder resistant glass additions
- Software purchase and implementation of Emergency Management / Reunification

What still needs to be done?

- Card reader access for every door
- Installation of physical ALERT button in all classrooms
- Upgraded intercom / communication systems
- Cell phone signal boosters (NBHS, NBMS, ORMS, LCHS)
- Upgraded fencing
- Upgraded video surveillance
- Vape / smoke detectors
