## Center Grove High School Senior Named 2021 Academic All-Star

Greenwood, IN (April 8, 2021) – The Indiana Association of School Principals has named Center Grove High School Senior Bryce Rayner a 2021 Indiana Academic All-Star. Rayner plans to attend Purdue University this fall to study electrical engineering.

Rayner is one of 40 high school seniors selected from 270 nominees from across the state. Each accredited Indiana high school may nominate one senior. Academic All-Star distinction recognizes seniors who excel in the classroom first and foremost, but who also are actively involved in their schools and communities, and take on leadership roles in those activities.

The program is produced by the Indiana Association of School Principals with support from DePauw University, Indiana University Bloomington, and Purdue University. Student awards will be presented in May.
