MISSION

Legacy High School will provide opportunities, expectations, and support for each student to achieve academic excellence. The partnership of staff, students, families, and the community will encourage individual integrity, personal growth, and enthusiasm for the future. Legacy continues to be recognized as a high achieving high school by the Colorado Department of Education.

ENROLLMENT

There were 2239 students enrolled at Legacy High School (with a senior graduating class size of 521) for the 2022 - 2023 school year.

COMMUNITY

Located in Broomfield, Colorado, Legacy is a public high school for grades 9 - 12. The Adams 12 Five Star School District serves over 36,650 students. It is located northwest of Denver in an economically diverse suburb.

PHILOSOPHY

Legacy High School was founded in 2000 as a secondary school based on the belief that all students will be provided with the opportunities and support needed to achieve academic excellence.

SCHEDULE

Legacy High School operates within a semester schedule and offers block and single period classes.

SPECIAL PROGRAMS

Legacy 2000 (L2k)

L2k is a rigorous four-year program designed to develop the tangible and intangible skills and experiences that assist students interested in preparing themselves for a career involving mathematics, science, and technology. The four-year course objectives include career and technology exploration, research practice, job shadowing, and a final project presentation. This project encapsulates real-world experience, professional codes of conduct, and adherence to the regulations and procedures inherent to successful companies.
