

2019 After School Program High School Program of the Year CARUTHERS HIGH SCHOOL

The After School Program at Caruthers High School can be summed up in one word. Opportunity. Caruthers prides itself on unique, high-quality enrichment classes that offer new opportunities to students each week: the opportunity to learn career oriented skills in food service, cosmetology, and sports medicine; the opportunity to visit colleges and learn how to live away from home for the first time; the opportunity to stand in the Pacific Ocean or make a snow angel; the opportunity to be mentored in a safe and nurturing environment; the opportunity to give back to the community through volunteering; the opportunity to plan for the future; the opportunity to celebrate who you are as a unique individual; the opportunity to succeed.
