1. Comply with National School Lunch and/or Breakfast Program standards for meal patterns, nutrient levels, and calorie requirements for the ages/grade levels served, as specified in 7 CFR 210.10, 220.8, or 220.23 as applicable
2. Not be deep fried, par fried, or flash fried, as defined in Education Code 49430 and 49430.7

(cf. 3552 - Summer Meal Program)

(cf. 3553 - Free and Reduced Price Meals)

(cf. 3554 - Other Food Sales)

(cf. 5030 - Student Wellness)

(cf. 5141.27 - Food Allergies/Special Dietary Needs)

Drinking Water

The district shall provide access to free, fresh drinking water during meal times in food service areas at all district schools, including, but not limited to, areas where reimbursable meals under the National School Lunch or Breakfast Program are served or consumed. (Education Code 38086; 42 USC 1758)

Food Safety

The Superintendent or designee shall ensure that the district's food service program meets the applicable sanitation and safety requirements of the California Retail Food Code as set forth in Health and Safety Code 113700-114437.

For all district schools participating in the National School Lunch and/or School Breakfast Program, the Superintendent or designee shall implement a written food safety program for the storage, preparation, and service of school meals which complies with the national Hazard Analysis and Critical Control Point (HACCP) system. The district's HACCP plan shall include, but is not limited to, a determination of critical control points and critical limits at each stage of food production, monitoring procedures, corrective actions, and recordkeeping procedures. (42 USC 1758; 7 CFR 210.13, 220.7)

The Superintendent or designee shall provide ongoing staff development on food safety to food service managers and employees. Each new employee, including a substitute, or volunteer shall complete initial food safety training prior to handling food. The Superintendent or designee shall document the date, trainer, and subject of each training.

Beginning with the 2015/16 school year new or current directors will complete at least eight (8) hours of continuing education/training and at least twelve (12) beginning with the 2016/17 school year. New or current managers will complete at least six (6) hours for the 2016/17 school year and at least ten (10) for the 2016/17 school year. New or current full-time and part-time staff will complete at least four (4) hours for the 2015/16 school year and an additional two (2) hours for the 2016/17 school year. If an employee is hired after January 1st they will be required to complete at least half of the designated hours of education/training required for that school year.

(cf. 4231 - Staff Development)

The Superintendent or designee shall assign staff to maintain records and logs documenting food safety activities, including, but not limited to, records of food deliveries, time and temperature monitoring during food production, equipment temperature (freezer, cooler, thermometer calibration), corrective actions, verification or review of safety efforts, and staff training.

Inspection of Food Facilities

All food preparation and service areas shall be inspected in accordance with Health and Safety Code 113725-113725.1 and applicable county regulations.

Each school participating in the National School Lunch and/or Breakfast Program shall, during each school year, obtain a minimum of two food safety inspections conducted by the county environmental health agency. (42 USC 1758; 7 CFR 210.13, 220.7)

The Superintendent or designee shall retain records from the most recent food safety inspection. All schools shall post a notice indicating that the most recent inspection report is available to any interested person upon request. (Health and Safety Code 113725.1; 42 USC 1758; 7 CFR 210.13, 210.15, 220.7)
