Founded in 1909, Cardinal Gibbons High School is a college preparatory school of the Roman Catholic Diocese of Raleigh. The school is located in Raleigh and accessible to all of the Triangle's cities and communities. The area is rich in higher education institutions, all of which feed the variety of technology, pharmaceutical and biotechnology companies of the Research Triangle Park area.

Disciplinary Reporting

It is the policy of Cardinal Gibbons not to report disciplinary infractions to postsecondary institutions. It should be noted, however, that serious violations result in dismissal.

Covid Response

The class of 2024's freshman year—the 20-21 school year—began with hybrid learning. Most students attended two days a week in person and two days virtually. Some students opted to attend fully remote. After spring break, most students returned to in-person learning full time, while some remained fully remote. Students received semester grades, and graduation requirements remained unchanged throughout both school years. The 21-22 school year was all in person learning; there was no remote learning option.
