Super Wednesday- All LWSO secondary schools will be holding Super Wednesday on **October 11, 2023**. Because standardized testing is an important element for preparing for college, our district provides the opportunity for students to complete these during the school day. **To provide space and proctors for this event, non-testing students (6th-9th grades) will stay home and complete asynchronous learning assigned by each of their teachers.** School hours remain the same for our students testing on campus from 7:50-1:15. Please read the following information carefully below. Ms. Zavala also sent an email out to all families with many more details. Please reread this if you have further questions.
