PUBLIC NOTICE

It is the responsibility of the Sudbury Public Schools to identify any child aged three to twenty-one who is a resident of Sudbury, who may have a disability, regardless of the severity of the disability. It is also the responsibility of Sudbury Public Schools to evaluate those students to determine if they are eligible for special education or related services under IDEA (Individuals with Disabilities Education Act) or 603 CMR 28 (Massachusetts Special Education Regulations).

The Sudbury Public Schools District is committed to identifying children before their third birthday in order to provide early intervention services for three and four year olds. If you have questions or concerns regarding your child's development and would like to have him/her screened, please email Student Services at Student_Services@sudbury.k12.ma.us

If you suspect that your child, at any age, may need an evaluation to determine eligibility for special education services, you may request an evaluation, at no cost, at your neighborhood/district school.
