Dear East High School parents & caregivers,

### **A Vote to Provide Early Learning Access for all MAPS Families**

Current and prospective MAPS families tell us they need access to early learning programming, including all-day preschool and birth-to-school-age childcare. The November 7 bond referendum includes space for early learning expansion to provide comprehensive birth to preschool programming at MAPS Center for Learning and Eagle Lake Elementary.

These proposed renovations demonstrate a commitment to providing a strong, future-focused educational foundation for our youngest learners, setting them on a path to academic and social success.
