

**LHS CTE Will**  
**Inspire Learning. Provide Experiences.**  
**Create Opportunities. Prepare Students.**  
**Change the World.**

- **Planning** *active and inspiring learning experiences* to ensure that all students *acquire* the essential knowledge, skills, and dispositions in each CTE course to move towards competency (proficiency) in post-secondary training and in successful careers.  
(DSD CTE).
- **Providing** *experiential learning by connecting* student understanding to real world experiences and *developing* lessons that are *real, relevant, and relatable* to both career pathways and life occurrences.
- **Creating** *opportunities* that will *create opportunities* for students to *discover* their why, path and purpose through *exposure to, exploration of, experiment with, and investment in* their individual aptitudes, interests, post-secondary options, and career pathways.
- **Preparing** students with the *knowledge, training, and skills* necessary to enter today's competitive job market with confidence, to have enriched lives, and to be positive contributors to society.
