Café Vine

A student and staff favorite, Café Vine is a student-run coffee shop located on the first floor of the school. The students who participate in this entrepreneurial experience order and roast their own coffee beans, make refreshments, work the register, and balance the books. Students also learn to create, market, and sell artisanal chocolates and gelato. Café Vine partners with the school's Baking and Pastry Program.

INTERDISCIPLINARY PERFORMANCES

Students work across majors in our theater and musical productions. Past performances include: *Annie*, *The Laramie Project*, *Hairspray*, *Shrek*, *Cinderella*, *the Adams Family*, and *Peter Pan*.

Students in all majors have opportunities throughout the school year to showcase their talents by participating in concerts, science fairs, art exhibitions, and more.
