

Junior School Trips & Experiences 2023/2024 Calendar

Students at Wentworth in Grades 6 and 7 have the opportunity to participate in a variety of experiences that take them out of the classroom, and in some cases, out of town. These learning experiences include [ExL Week](#) in February when all students will take a break from the classroom to be fully immersed in a program of their choosing. Families planning to apply for an ExL experience may find it helpful to also consider the other travel opportunities available to students during the year. These trips have applications, try-outs or auditions and therefore acceptance is not guaranteed.

The trips and experiences below are only applicable to the 2023/2024 school year and may not be offered again in other years. ***The cost listed is only an approximation and final estimates may vary.***
