# UNIFORMS

2023-2024

Mount Paran Christian School instills an organized classroom environment with the use of school uniforms. Our K-12 students are presentable, unified, and ready to learn without distractions every day.

There is a direct relationship between dress, grooming, conduct, and success at school. All MPCS students are expected to dress in appropriate uniforms and groom themselves with the formality of school in mind.

This visual uniform guide is provided to help choose from many of the uniform options available and required for students in Kindergarten through grade 12.
